Arrangements have been made to
build a bathing pool on the lot facing
the ice plant on Midland Avenue in this
city, with dressing rooms attached, and
running water supplied continually from
the ice plant. There will be ample
drainage, so that water runs in and
out at the same rate, keeping the water
fresh just as in a running stream,
with ample arrangement for complete
drainage at any time it may be desired.
The scheme is being handled by J. L.

Farmers having alfalfa have general-
ly housed a first class crop. A. H.
Harvey has perhaps the biggest acre-
age in the county and tells us he never
saw a better hay crop. And it comes
just the end of winter when lofts have
been pretty well emptied by the winter
feeding. And alfalfa makes four to
five good cuttings each year in Fayette
county. You cant beat it.

Reports from every part of the coun-
ty are that much cotton is having to be
planted over and and this is making
much of the crop unusually late, some
say plant till the end of May, others
think it is already too late to plant.
Any way much is being planted and
much will yet be planted over. And
the corn crop at this date promises but
little better. There is mighty little in
the present crop outlook in this section
to cause any stimulus to hard work on.

Price Drug Company this week sold
their stock of drugs and business to Dr
J. H. Gillmann of this city and Mr.
Hugh A. Cartmell of Jackson, and the
inventory of the stock is being made
oday to turn the business over to the
new owners. The new firm will be the
Cartmell-Gillmann Drug Co. and will be
open for business by Saturday morning.
Dr. Gillmann is the local veterinarian
and his interest in the new business
will not interfere with his practice.
Mr. Cartmell will be in active charge of
the affairs of the new concern and Dr.
Price will be with them for some time
to assist in getting them started out in
the business here. The members of the
members of the new firm are young
men and with their lives before them,
they will bend every effort to make a
live growing business. The interior of
the store will be overhauled and reno-
vated and everything put in spi: and
span order.

IF WOMEN ONLY KNEW

What a Help of Happiness
it Would Bring to Somerville
Homes

Hard to do housework with an ach-
ing back.
Brings you hours of misery at leisure
or at work.

If women only know the cause—

that

Backache pains often from weak

kidneys.

'Twould save much needless woe.

Doan's Kidney Pills are for weak

kidney. Ask your neighbor?

Read what a Somerville citizen says:

Mrs. Chas. Starks, says: "Some

years ago I had a very severe attack

of kidney complaint. My back nearly

killed me; it ached night and day and

such a thing as doing my housework

was out of the question. I had sick

headaches, and would have to go and

lie down when these attacks come on.

Flashes of light would appear before

my eyes, too. A friend advised me to

try Doan's Kidney Pills, and I did.

Doan's completely cured me and I have

never had and return symptom of kid-
ney trouble."

Price 60c. at all dealers. Don't simply

ask for a kidney remedy—get Doan's

Kidney Pills—the same that Mrs.

Starks had. Foster Milburn Co., Mfgs.

I'd walk a mile
for a Camel

The pleasure is worth it. There's no sub-
stitute for Camel quality and that mild,
fragrant Camel blend.

The fellow who smokes Camels, wants
Camels. That's because Camels have a
smoothness, a fragrance and a mildness you
can't get in another cigarette.

Don't let anyone tell you that any other
cigarette at any price is so good as Camels.

Let your own taste be the judge. Try
Camels for yourself. A few smooth, refreshing
puffs and you'd walk a mile for a Camel, too.
