

Make Your Preparation to Spend the Glorious Fourth in Dickson. A Big Time For All!

BIG UNION REVIVAL TO BEGIN JULY 16.

A big union revival will begin in Dickson on Sunday, July 16th, at eleven o'clock, conducted by Evangelist Newton S. McClurkan of Los Angeles, California. This series of evangelistic services is to be held under a large tabernacle, which will be located some place as near the centre of the town as possible, the exact spot not having as yet been decided upon, but will be announced later.

The services will be entirely non-sectarian and non-denominational, but will be held for the advancement of God's cause in this town and surrounding community in general, and everybody is especially invited to attend and take part in the meetings.

Dr. McClurkan is a fluent speaker, a Bible scholar of note, and altogether a successful revivalist. He is well acquainted here, having conducted a most successful series of meetings in Dickson two years ago, and the announcement of his coming to Dickson again will be hailed with pleasure by his many admirers. He will bring with him a talented singer, who will have the song service under supervision. He will also be accompanied by his wife, who is also pleasantly remembered here.

C. E. Society Holds Business Meeting and Social.

The Christian Endeavor Society of the First Presbyterian Church held their semi-annual business meeting last Thursday evening at the residence of Mrs. Florence E. Cowan on Poplar Street. The object of this meeting was the electing of officers for the ensuing six months.

The meeting was called to order by the President, Herbert S. Tallent, who has served in that capacity for two consecutive terms, and the following officers were nominated and unanimously elected:

Homer Locke, President; N. M. Crawford, Vice-president; Miss Horrence Boone, Secretary; Herbert S. Tallent, Treasurer. These newly elected officers will be installed next Sunday evening at the regular meeting, preceding the program.

This being the only important business to transact at this time, the remainder of the evening was turned into a social feature, which was much enjoyed. At a late hour a tempting refreshment course of cream and cake was served.

To Serve Lunch.

The Glad Girls Class of the M. E. Church, assisted by the Ladies' Aid Society, will serve lunch in a vacant building on Main Street on the Fourth of July. Sandwiches, pickles and hot coffee, or ice-cream, pie or cake for 15c. Come and enjoy the celebration, and eat lunch with the girls.

Dickson County Live Stock Association.

There will be a meeting of the Dickson County Live Stock Association at Dickson Monday night, July 3rd.

I would be glad to have everyone who is interested in the improvement of the live stock of the county to be present. All kinds of live stock have become too valuable for us to rock along in the same old way we have for the last few decades. We should make some move at once to improve all kinds of live stock of the county. We can't hope to improve as we should unless we co-operate with one another, and to do this there is no other or better way than through a county organization.

So, come out to the meeting and let us talk the matter over, lay our plans and all pull for the same thing—more and better live stock in Dickson County.

Some people think that because Dickson County is classed as one of the poorer counties of the State, that any old "scrub" or poorly-bred stock of any kind is good enough for her. Now, if you have ever had an idea like this in your head, I hope that it has already vanished. I say that there is none too good for Dickson County; no breeds of any kind. The only thing is that we must get acquainted with the different breeds, give them better attention and better feed, and they will do as well for us as they will for any one in any other county of the state.

Now, we are going to have a County Fair this fall, and we want to get everyone interested in it. There is inspiration in a good County Fair, and we hope that everyone will become enthused. You know that a County Fair calls for better live stock; better live stock calls for better farming; better farming calls for better towns, and better towns will make a better county. So we are all vitally interested.

Let us all pull for the same—a bigger and better County Fair this fall than we have ever had, and show to the surrounding counties, as well as to the State, what we have and what we can do.

Kincannon-Gilbert

A large number of friends and relatives were present to witness the marriage of Miss Lorian (Gilbert) and Mr. Bert Kincannon, which was beautifully celebrated Wednesday evening, 6:30 o'clock, at the home of Mr. and Mrs. J. T. Crain, lifelong friends of both bride and groom. The Rev. Gilbert, father of the bride, officiated.

The Crain home was beautifully decorated with garden flowers. The ceremony took place in the parlor under an arch of sweet peas, before an improvised altar of ferns and potted plants.

Before the ceremony a group of love lyrics was rendered by Miss Lallie Rice of Nashville and Mrs. W. A. Goodrum, accompanied by Mrs. Raymond Joslin, pianist, and Miss Ailine Fentress, violinist.

As Mendelssohn's wedding march was played, the bridal party entered, led by little Miss Martha Joslin, followed by the bride and her only attendant, Miss Lela Wade Rice, of Nashville. They were met at the altar by the groom and his best man, Mr. Charles Harlow, of Pine Bluff, Ark.

The bride, who is a charming young woman, was lovely in a dark blue travelling suit with a chaste blouse and hat to match. Her flowers were bride's roses. She is the daughter of the Rev. G. W. Gilbert of the M. E. Church, South, and having spent several years in Dickson connected with the City School here, has with a host of friends who regret her departure to another city. The groom, whose home is in Pine Bluff, Ark., is highly connected. He formerly lived in Tennessee.

The maid of honor wore an elegant combined with lace. Her arm bouquet was of Killarney roses.
