J. J. Bush was here Saturday and made this office a pleasant call. He is one of the county's most progressive farmers. He has five acres in alfalfa, and from this five acres he has already cut five tons of hay, and it is ready to cut again. He estimates that he will get fifteen or twenty tons of hay off of this five acres this year. He also states that it is his intention to plant two more acres for next year.

T. J. Cage brought some extra fine samples of wheat into our office last Saturday, which was grown on the old Payne Spring tract of land, one mile west of Dickson. These samples of wheat shows that land around Dickson which was considered a few years ago poor quality can be made to yield as fine grain as any creek bottom land. Dickson County's progress is advanced every time a wide-awake, energetic farmer moves to our midst like Mr. Cage.

**Tennessee Farmer Had Spells
Of Nervous Indigestion,
And Went From 160
to 135 Pounds.**

"It may sound unreasonable, and you may believe me or not, but after taking four bottles of Tanlac I have actually gained twenty-five pounds," said J. B. Williams, a well-known and prosperous farmer who resides at Greenbrier, Tenn., near Nashville.

"I had a bad case of stomach trouble last summer and it came pretty near knocking me out," continued Mr. Williams. "It was something like nervous indigestion. I began to go down hill, and it looked like the more medicine I took and the harder I tried to get well the worse I would get. We had pretty near everything to eat, but nothing tasted right, and I got so weak and nervous I couldn't do anything; in fact, I was just completely knocked out."

"Before I had this spell I weighed 190 pounds and kept falling off until I got down to where I only weighed 135 pounds. I am now back to my regular weight again and feel strong and well. My appetite is simply fine now, and I don't mind my work. This medicine just took right hold of me and put me on my feet."

"Well, sir, the second day after I began taking it, I got hungry, and oh! how good that ham did taste! I sleep fine now, too, and am not nervous like I was. Even the barking of the dogs at night does not wake me up."

"I never believed that a medicine could be made that would do as much good as Tanlac has done me, and I want to recommend it to anybody suffering with the same troubles I had."

Tanlac is sold in Dickson exclusively by Matthews Drug Co.—adv.
