### EPIDEMIC OF MEASLES AT CAMP JOHN SEVIER

Asile From Which the Boys Are Enjoying Good Health  
—Y. M. C. A. Doing Good Work.

(BY SPECIAL CORRESPONDENCE)

The Dickson County boys are all enjoying good health. The most of them are anxious to go to Germany and get the Kaiser.

There are several cases of measles in camp. Several of the Companies are under quarantine, but don't think any of the Dickson County boys have them.

Be sure and write to the boys here in camp, as they are always glad to hear from those back home.

A French officer spoke to the boys at the Y. M. C. A. Friday night. He made a good, interesting talk on the war situation.

The boys here are drilling hard and are getting to look more like soldiers every day.

The removal of the troops from Camp Gordon somewhat upset our plans of correspondence, but we are again settled and ready for work.

Mr. Freeman, who was with me at Camp Gordon, also came here and was placed in a Trench Mortar Battery.

and a stove which resembles an ice-cream cone. As a whole, we are not equipped so well as at Camp Gordon, but everything has to be taken into consideration and dealt with fairly.

The 120th Ambulance Company, of which I am a member, was organized when the drafted men came and is composed mostly of drafted men.

Measles are raging in camp just now and great numbers are quarantined to prevent the spreading.

### Y. M. C. A. CAMPAIGN NOW AT FEVER HEAT

Committees Busy in Effort to Raise \$1,000.00, Dickson County's Part of the \$35,000,000.00.

A national campaign was begun Sunday to raise \$35,000,000 for the purpose of carrying on the Young Men's Christian Association's work in the army camps.

The State of Tennessee is supposed to raise \$3,000,000 of this amount, and Dickson County's part is set at \$1,000.00.

The campaign was opened in this County last Sunday night, when a big mass-meeting was held in Oakmont School auditorium.

Dr. W. T. Haggard, of Nashville, being the principal speaker. Edgar Luther, of Burns, who is in the army but was home on a furlough, also made a short but interesting talk.

It was highly praised the work being done by the Y. M. C. A. in the army camps.

A large crowd was present, the pastors of the various churches of Dickson calling in their regular evening service for the occasion.

The audience was very attentive and frequently applauded the patriotic utterances of each speaker.

Joe B. Weems was made County Chairman and A. L. Boone Secretary. Mr. Weems has appointed a committee in every District of the County to take subscriptions to this fund and it is hoped that the allotted amount will be raised by next Sunday, at which time the campaign closes.
