38 x 5 1/2		\$50.60

THIS is to tell the People, that Goodrich "BARE-FOOT-RUBBER" Value lies not in its COLOR but in its composition. It lies in the especially devised Texture, Flexibility, Cling-quality, Stretch, Lightness and Resilience of that "Barefoot Rubber" which, through years of Research, WE developed to match the marvellous Flexibility, Resilience and Power-conservation of our two-layer-Cord "Sivertown" Tires. Color alone would have been little help in making "Sivertown" Treads stand-up in the tremendous ENDURANCE Tests which the 100-Mile-per-hour-Races of 1915 provided. And Color alone,—Black, White, Red, or Gray—can do little for the Consumer who buys a "Me-too" Black-Tread Tire, of imitated make, on the assumption that all Black-Tread Tires are likely to be made of same materials.

THE marvellous "Barefoot Rubber" now used in Goodrich FABRIC Tires (as well as in Goodrich "Sivertowns") is black only because we elected that color, primarily for distinction and association with our SILVERTOWN CORD Tires. When, therefore, the usual crop of "flattering" Imitations sprouts upon the Market DON'T assume that OTHER Black-Tread Tires have in them the "BARE-FOOT-RUBBER" which made the enormous ENDURANCE of Sivertown Cord Tires possible in the 90 to 103 Mile-per-hour Races of 1914-15. No Tires on the Market, Size for Size, and Type for Type, are LARGER than Goodrich, and none more generously good, at any price. "Barefoot Rubber" is now made into Goodrich FABRIC Tires,—Goodrich "Sivertown Tires,"—Goodrich Inner Tubes,—Goodrich Truck Tires,—Goodrich Motor Cycle Tires,—Goodrich Bicycle Tires,—and Goodrich Rubber Boots, Overshoes, Soles and Heels. Get a sliver of it from your nearest Goodrich Dealer or Branch. Note (by comparison), the reasonably-low Fair-List prices at which these best-possible Fabric Tires are being sold, on a BUSINESS basis.

SPRINGVILLE PEOPLE ARE STRONG ON MUSIC

"Uncle Josh" Writes Interesting Letter Giving All Live News

Perhaps as good a record as was ever made is now a matter of history in Springville on the musical score. In fact we will have music here in spite of all that comes and goes. Singing every Sunday under the supervision of Bloom Boden with a full corps of helpers, Prof. Lawrence Melear, of McKenzie and Dewey Compton, of Hollow Rock, having recently taught classes we now have songs galore.

In addition to vocal music, a brass band is now a reality here and has been under the instructions of Prof. C. C. Cook, of Erin, and after only six lessons, made themselves considerable distinction in concert at this place last Friday afternoon at our school turn-out.

The band is composed of I. L. Riggs, Otway Yates, Pleas Fitch, Ewing Ethridge, Charlie Wade, Will B. Breedlove, Herman Nichols, Russell Conyers, John and Exie Parker and R. R. Bevil.

They are hopeful of soon erecting a public hall here for music, church and literary purposes. It being promoted by the band with something like half or two thirds of required amount now obtained, every citizen should be glad to make an early contribution to this worthy cause. As these are our boys and our greatest pride is in them, we ought to help them all we can in this worthy enterprise.

Bob Foster, a resident of this place is spending some weeks in Texas.

Hurrah for J. C. Rainey, of Cottage Grove. "Josh Billings" said he liked the rooster because he had the "spurs" to back up the "crow" with. Believing this is true of Rainey, heres our hand J. C.

M. A. Wade spent last week in Memphis.

Mrs. J. T. Riggs was reported quite ill last week.

SUCCESSFUL NELSON CREFK SCHOOL TERM

Excellent Commencement Program Is Carried Out By Pupils of School

Friday of last week one of the most successful schools ever taught in Henry county closed at Nelson's Creek.

An excellent commencement program, consisting of an old-time school exhibition, including drills and dialogues, was carried out to the delight of the large crowd in attendance, and dinner was served on the grounds.

County Superintendent Joe Routon was present and said that it was one of the best exhibitions he had ever witnessed.

Miss Pearl Salmon was the teacher and she is being very much complimented upon the success of the school. At the commencement Friday T. E. Jenkins, photographer of Paris, made pictures of the students and the large crowd of patrons and friends of the school who were present.

Important Notice As To Filing of Accounts.

Ordered by the Court, that all accounts to be allowed at any succeeding Term of the County Court shall be filed not later than the Thursday preceeding the opening day of this Court.

W. I. DALE, Clerk.

Routon Wants Depot and Ticket Office

Asking that the L. & N. Railroad build a depot and ticket office at Routon, citizens of that section are signing a petition to F. N. Fisher, superintendent of the road, setting forth the need of such accommodations. Routon is a hustling little city and there is sufficient travel to justify the erection of the depot and ticket office.
