Miss England is slowly improving from her late indisposition.

W. H. Lennard was in Eden Monday evening visiting old friends.

W. B. Crocker, of Fort Pierce, was the guest of friends Sunday.

Thursday evening is the regular Fortnightly Assembly, and as usual good music will be on hand.

Mrs. F. G. McMullen was the guest of her father and mother, Mr. and Mrs. J. G. Wey, of Eden, Thursday.

The Misses Hall and Willard with Messers Bonnet and Telah, visited Fort Pierce on a pleasure jaunt Saturday afternoon.

Frank S. Waters and sister, Elva, attended the Ankona card club at the residence of Mr. and Mrs. Fletcher A. Russell Friday evening.

Mr. and Mrs. G. S. Saylor, of Ankona, with their friends, Mr. and Mrs. Keath, of Allentown, Pa., were guests of Mr. and Mrs. Jennings, Monday.

Bishop Gray will hold service at All Saints church, Jensen, Friday, February 25th at 2:30 p. m. and at St. Paul's church at Walton, Saturday, February 26th at 2:30 p. m.

J. D. Hall, for several months manager of the Izaak Walton Inn, severed his connection there with the 22nd, at which time the management was assumed by the Walton Inn Company.

Miss Hull gave a very charming reception Thursday evening in honor of her guest, Miss Willard, of Muncie, Ind., at which time four C's were greatly enjoyed. Cards, candy, cream, cake.

On all dental work amounting to not less than \$20, I will allow a reduction of 10 per cent., if contracted for on or before March 15. All work first-class and guaranteed. Dr. P. Chr. Bronnum Expert dentist, office over bank of Fort Pierce.

Many friends of Mr. Willard were invited to offer congratulations on that gentleman's birthday, the 20th, at Pine Crest. Delicious refreshments were served, and the genial gentleman was overwhelmed with good wishes on the happy event.

Mr. and Mrs. W. W. Luce have, as their guests Mr. and Mrs. Jenney with their three sons, of Stowe, Vt., the parents and brothers of Mrs. Luce. They will remain indefinitely. This is not the first visit of Mr. Jenney, as last winter he was here for some time.

Mr. and Mrs. K. E. Schuyler chaperoned a merry quartette to the Mid River club, and celebrated the birth day of George Washington. They report a fine time and many people in attendance. Mrs. Schuyler has the distinction of having been the first reproduction of Gretchen, and was very taking

in that character. Misses Sawyer and Willard, Messers Bonnet and Lennard composed the other members of the company.

Mrs. J. T. Waters and her friends, Mr. and Mrs. Ebey, dined at the Al Fresco, at Jensen, Friday. Mr. and Mrs. Ebey left Walton for their home in Atlantic City Monday morning. Mrs. Ebey is to be congratulated on the improvement of her health since coming to Florida.

The Children's League which gave an entertainment at the Inn on the evening of the 16th, was a delightful surprise. Great praise was heard on every side. Each one performed their designated part of the program in a most meritorious manner, pleasing the audience with each number.

Several prominent people of Walton were bidden to the G. B. Y. C. the 19th, although the weather was most propitious for a river ride, and the many attractions at the club house, including a most excellent menu to be served at 12 o'clock, but few could accept. Mrs. Racey, of Jensen, was hostess.

Shall we Rejoice

Gladness comes with a better understanding of the transient nature of the many physical ills which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed and assisted by the pleasant laxative remedy Syrup of Figs and Elixir of Senna. Its beneficial effects are due to the fact that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. To get its beneficial effects always buy the genuine manufactured by the California Fig Syrup Co.

To Whom it May Concern.

Notice is hereby given that the Walton Inn Company will not be responsible for bills from this date contracted by Joseph D. Hall, manager, or others.

When You Buy Fertilizer From Us You Get One Mixed for Your Land

No one Fertilizer can give uniform benefit to all classes of land. Because all land is not alike by any means. When a man goes to buy a farm he wants to see what kind of soil is there. You should not think of buying fertilizer without knowing that it is adapted to your soil, and the crop to be grown. The proper Fertilizer is as necessary as the land itself if the grower really wants the most profitable results—and we believe you, as a grower, do want to get from your labor all the crop that can be produced. You should have it.

FREE TRUCK
With 1-Ton Order
for Fertilizer.

You are entitled to a substantial profit from your labor. You should have it. We want to help you, and feel sure we can.

First, we need from you a chance. Write us to-day for a free copy of our 1910 Florida Almanac, and give us the number of acres and kind of crops you cultivate. Has the information that ought to be in all reliable almanacs, and Fertilizer facts that are worth studying—and studying before your grove is fertilized or next crop is planted.
