

# Greetings to the Women of Louisiana

We, who have inscribed our names herein, extend greetings and hearty congratulations to the delegates of the Women's Clubs of Louisiana on the occasion of their first Convention since achieving their full and rightful status as citizens of the United States and the Consummation of the great ends of justice and an enlightened civilization, for which the leaders of the feminist movement have struggled for nearly Eighty years.

We also desire to express our firm convictions, that with the final triumphs of the extension of full civil rights enacted into the formulas of our State Law by the present Legislature, the Women of Louisiana will become a potent and beneficent power for the common good and for human progress, while still maintaining their prima and paramount position as guardians of the hearth and Home.

## Baton Rouge Answers Red Cross Roll Call Splendidly

Once a year the American Red Cross gives an opportunity to its millions of members to renew their membership and thus to become share-holders in this, the greatest humanitarian organization in the world.

The renewal of membership is aptly called the "Roll Call." In our own local chapter of the Red Cross three thousand and seven hundred persons answered "Here" when the enrollment was opened to former members. This shows that not only those who were members last year but a few more besides rallied to the support of their beloved chapter.

Mr. Chas. Brady, Red Cross Field Representative for the Southern Division, said when he was here during the Roll Call that the Baton Rouge Chapter had one of the very best planned campaigns that he had seen, and was most complete in detail.

Mrs. L. U. Babin, chairman of the Roll Call was ably supported by a Roll Call committee composed of representative citizens of the parish. The personnel of the committee was as follows: Dr. Royal Tucker, treasurer; Miss Ella I. Graham, secretary; Mr. Geo. Wildes, post commander of the Legion, president; Thos. D. Boyd, Mayor Alex Grouchy, K. H. Knox, Rabbi Reinhart, Mr. H. Anglin, Mr. W. B. Hatcher, Chas Manship, Turner Bynum, R. E. Prewett, D. R. Weller, Tom Grace, Dr. J. J. Robert, Madams Anthony Dothery, C. C. Devall and John Appel.

The committee by the generous volunteer service of the Vocational Students, Boy Scouts, American Legion, the Eagles and other organizations, to say nothing of the unanimous support of hundreds of citizens who assisted in one way or other in making the Roll Call a success, staged the best Roll Call since war days.

Some of the activities that featured the Red Cross during the Roll Call was the Press publicity, Red Cross flags that were hung on Main and Third Streets, the beautiful Red Cross float that was in the Armistice Day parade, the decorated windows of the stores on Third street, Red Cross posters that were conspicuous-

ly seen in all parts of the parish, the Poster Contest in the parish high schools. The Red Cross booth at victory Park and the beautiful ceremony of the raising of the Red Cross flag at Victory Park on Armistice Day when the American Flag was lowered at sundown, and a strong searchlight was thrown on the flag of the Red Cross as it flew high in the evening breeze.

Armistice Day and the three days following Red Cross workers were at the booths in the down town stores, and on the streets to request mem-

berships. The Baton Rouge Red Cross is strong in the affection of its members and every dollar membership received represented money put out at interest in the welfare of the community. For the Local chapter is the one parish wide relief agency, is doing extended health service, and daily ministering to every call that ranges in scope from giving merely advice and good cheer to ministering to the sick and dying, returning run-away children to their homes and securing government aid to disabled ex-service men.

May the Baton Rouge Red Cross live long in the affection of its people.

### L. S. U. MUSICAL DEPARTMENT.

The department of music at the university, organized in 1915, with one teacher in charge of the band, orchestra, public school music classes, the glee club, the oratorio society and to teach whatever private pupils came to be taught, has grown now to a real department of the university.

One by one more teachers have been added as the department grew. Now the band is entirely separate from the department of music and is under the control of the military authorities of the university. The bandmaster is Mr. F. T. Guilbeau, who was given the honorary rank of captain on account of his work during the S. A. T. C.

Professor Elbridge H. Charlton is the teacher of violin and other string-

ed instruments. He is not only an excellent violinist, and a thorough, conscientious and devoted teacher, but he is an orchestra leader of far more than usual ability. Professor Charlton demonstrates excellent playing and leadership every afternoon and evening at the new Columbia Theatre. This attractive participation in music, bringing him favorably before the public daily, as it does, is gradually but surely increasing the number of his pupils. He is the concert master of the Baton Rouge Philharmonic orchestra.

Piano will be taught by Miss Leila Opdenweyer, who graduated from the Home Institute in 1906, and from the teachers' course in piano at the New England Conservatory of Music in Boston in 1912. Her training and experience as a teacher eminently fit her for this position. She had special work in the Progressive Series of piano lessons at the Cincinnati Conservatory of Music. Some of her most distinguished teachers were Joseph Adamowski, Edwin Klahe, and Louis C. Elson. She had harmony under Homer C. Humphrey, sight reading with David Securin, and Richard Stev-

ens, and comprehensive courses in English Literature with Charlton Black, LL.D. Miss Opdenweyer taught piano at the university during 1916-1917, and 1917-1918 and 1920-1921. The piano department is expected to expand considerably this season. She will teach the Progressive Series for which high school pupils may receive credit.

Voice will be taught by Mrs. Arthur M. Schutzman. She attend Ursuline College two years, and graduated from the Cincinnati Conservatory of Music in both piano and voice in 1914. Mrs. Schutzman spent the year before last in Cincinnati taking special studies in pedagogy and repertoire under Leo Paalz, noted pianist and teacher, John Hoffman, the distinguished American tenor, and Daniel Beddoe, the famous May Festival singer.

Professor H. W. Stopher will again As such he will have general charge be the director of the department of the department and will direct the Chorus, Glee Club, Semi-Chorus, the orchestra, and teach the courses in public school music as outlined in the catalog.
