**TRUSTEES' SALE OF VALUABLE REAL ESTATE, IN CHARLES COUNTY.**

BY virtue of a decree of Charles County Court, sitting as a Court of Equity, passed on the 5th September, 1845, the subscribers, as Trustees under said decree, will offer at public auction on THURSDAY, the 20th day of NOVEMBER next, if fair, if not, the next fair day thereafter, at HARBURGAIN, (in Pacowaxen, Charles county,) the late residence of NATHAN HARRIS, deceased, the following valuable Real Estate, being the same of which the said Nathan Harris died seized and possessed, viz:— That valuable tract of Land and most desirable residence, called "HARBURGAIN," containing—

**678 ACRES OF LAND.**

This tract is one of the most valuable in the section of country in which it is located, being highly improved, and well adapted to the growth of the staple crops—Wheat, Corn and Tobacco. The improvements consist of a new and most comfortable two story BRICK DWELLING, and large back-building, with every house necessary for the comfort and convenience of a large family, and with every out-house necessary for extensive farming operations. The view from the dwelling, of the Wicomico river and the surrounding country is grand and beautiful. Persons wishing such a residence as "Harburgain," will of course make themselves acquainted with the place, which we would prefer, as the description given falls short of justice to it.

At the same time and place we will offer another portion of the said Real Estate, called PART OF BOROUGH HALL, lying in the neighborhood of Harburgain, and adjoining Milton Hill, the residence of Mr Hamilton, and Mount Tizza, the residence of H. R. Harris, with the MILL SEAT attached thereto, containing—

**300 ACRES OF LAND,**

more or less. This land is considered fine TOBACCO SOIL, and is well adapted to the growth of the other staple crops. It is in many parts covered with valuable Cedar TIMBER, and other Wood and Timber, indicating its adaptation to the growth of fine Tobacco. It has a new Mill attached to it, with other valuable Houses near the Mill.

At the same time and place we will also offer another portion of the said Real Estate, called and commonly known as the BRICK HOUSE TRACT, being a part of James' Purchase and Harris' Lot, containing—

**200 ACRES,**

more or less. This Farm has a very large old BRICK DWELLING, which the purchaser might make use of as a dwelling, or, if too large, might pull down to furnish valuable materials for a smaller. There are other valuable and necessary improvements on this place for the saving of the crops, which consist of Corn, Wheat and Tobacco, and for the production of which this land is well adapted. Attached to it, and will be sold with it, (unless the Trustees should think it more advantageous to sell it by itself,) the piece of Land and houses thereon, consisting of—

**STORE HOUSE,**

and other necessary Buildings, called Harris' Lot.

Persons wishing to make investments, will please examine these valuable tracts of Land before the day of sale, and if the Land pleases them, they will not fall out with the terms.

THE TERMS OF SALE are, that the purchaser or purchasers shall give bond with the most approved securities, to be approved by the Trustees, conditioned to pay to the heirs of Nathan Harris, deceased, their respective proportions of the purchase money, as they shall severally arrive at lawful age, and the payment annually to their guardian the interest which shall accrue on their several proportions; and on the ratification of such sales by the Court, and on payment of the whole purchase money, (and not before,) the Trustees shall convey, by deed properly executed, to the said purchaser or purchasers, or to his or their heirs, the property to him, her, or them sold free, clear, and discharged of all claims of the parties claiming by, from or under them.

BENJ. G. HARRIS, } Trustees.  
HENRY R. HARRIS, }

N. B.—The Trustees would inform the public, that there are seven minors interested in this real estate, the oldest of whom is about 13 years and the youngest about eighteen months old, with about two years between the ages of each child.

B. G. HARRIS,  
H. R. HARRIS.

**TODD'S FASHIONABLE HAT, CAP, & FUR DEPOT,**

CONCERT HALL BUILDINGS, (Six doors west of Brown's Hotel Penn. av.) CITY OF WASHINGTON.

The proprietor of the above extensive establishment most respectfully announces to his numerous customers in town and country, that he has recently returned from his annual tour through the eastern cities, where he has personally selected and contracted for a very large and well-assorted stock of

Most Superior Articles in his line,

to which he would invite their attention; and having made his purchases for cash, with all the advantages which years of experience can give, will be enabled to sell them cheap enough to satisfy all who may favor him with a call. Purchasers who would be further assured, are respectfully solicited to make a thorough examination of the market previous to calling on him; not doubting but that they will be then convinced that his stock, from its extent and variety, and by the superior style, careful finish, and satisfactory price of every article, will present inducements not elsewhere to be met with.

**HATS.**

To the fashionable dress circle, I beg leave to offer the elegant fall style of Hat introduced on the 1st of September in New York, by the eminent house of Leary & Co., and by myself in this city on the 6th. This beautifully unique style is of Parisian origin, and from the eminent success which it has attained since its first introduction in New York, there can be no doubt but that supremacy will be accorded to it for the season in this metropolis. They are now prepared and ready for inspection, finished in a peculiar style of elegance and neatness—as

Beaver, Mole-skin, Cassimere, Brush, and Silk HATS,

with all the variations which a proper discrimination can require to adapt them to the general contour of each individual purchaser. With a view to perfection in the fit of the Hat, I have, at great expense, imported direct from Paris the

"Conformateur Typographique,"

and by means of this most curious and beautiful machine, a model on which the Hat is finished can be procured with great facility—indicating, with the greatest accuracy, the exterior form and pressure of the cranium, perfectly supplying to the trade a desideratum often sought for, and heretofore considered unobtainable. Gentlemen who have Hats which do not fit them, are informed that the conformateur can readily remedy such cause of discomfort.

**CAPS.**

Gentlemen's sea-otter, fur seal, nutria, muskrat, cloth, hair plush, glazed, linen, velvet, and silk Caps, in great variety.

Youths' cloth, Spanish slouch, cadet, Boston navy, glazed cover—several new and tasty patterns. Children's rich silk velvet Caps. The collection of patterns rare and beautiful; and these goods will be sold at such prices as must induce purchasers to call a second time, and become regular customers.

**LADIES' RIDING CAPS.**

Orders taken for any particular fancy, and every exertion always made to please my fair patronesses. New style Ashburton Hats for children—very much admired.

**TEXAS ROBES.**
