A Word to Our Friends.

Our Circuit Court meets on Monday next, and we hope that our friends and patrons will avail themselves of the opportunity to call at the Captain's office and settle. Our friends know we do not trouble them often, it is mortifying and painful for us to do so, but "necessity knows no law."

The Times is each day becoming better worth the paltry subscription price, and is rapidly extending its circulation and its usefulness as an advertising medium.

Religious Services.

A Religious Retreat, or Mission, has been in progress during the past week at the Roman Catholic Church of St. Thomas, and has been very largely attended by the members of that congregation.

Masonic Funeral Rites.

The funeral rites of the late Wm. M. Morris, according to the Masonic order, were held on last Sunday, by the St. Columba Lodge of Port Tobacco.

County Commissioners.

The Board will meet on Tuesday, the 17th instant. Constables are notified to take charge of the dog-checks on hand.

Apology.

We are again compelled to ask indulgence from our friends in Baltimore for the failure to insert their new advertisements this week, and also from our friends for the non appearance of articles we have been requested to publish in this issue.

The Races.

Our indefatigable friends, Hancock & Padgett, are going to have the usual three days racing over the Bryantown Course on the 20th, 27th and 28th instant.

Tournament and Ball.

A Tournament and Ball will come off at Mechanicsville, St. Mary's county, on the 18th instant, and a jolly time is promised. In addition to the chivalric honor of crowning the Queen and Maids of Honor, substantial prizes for the victors are promised by the advertisement.

New Advertisements.

We call attention to the card of Ferguson, Levering & Co., Commission Merchants, in today's paper. Mr. Charles Ferguson, the senior member of the firm, has long and favorably been known in this county.

The cold snap of the last few days has made one anxious to get into his winter clothing. Those who are fastidious about this matter should read the advertisement of Jones, No. 87, W. Baltimore street, to be found in the Times to-day.

Mr. John Frist, 145 Franklin street, advertises second hand vehicles for sale not only to buy new ones. Give him a call. You often get them as good as new.

The Court of Appeals opened its session on Tuesday last, Judges Bartol, Alvey and Brent on the Bench.

Full returns now in place Mr. Gaston's majority for Governor of Massachusetts at 6,658.

The civil suit of Theodore Tilton against Henry Ward Beecher has been set down for the 18th inst.

There are now in Louisiana twenty-eight companies of infantry, four of cavalry and two of artillery.

The German Government has instituted proceedings against the Bishop of Paderborn and lodged an application for his deposit. The Bishop has refused to take any notice of the proceedings.

No Excuse for Being Sick.

No person can use Roschee's German Syrup without getting immediate relief and cure. We have the first case of Coughs, Colds or Consumption, or any disease of the Throat and Lungs, yet to hear from that has not been cured. We have distributed every year for thirty years over 250,000 sample bottles by druggists in all parts of the United States.

Masonic Tribute to the Memory of William M. Morris.

St. COLUMBA LODGE, No. 150, A. F. & A. M., No. 11, November 3, A. L. 5774. Resolved, That he pleased Almighty God, the Great Architect of the Universe, to take from among us, in the prime of life, our worthy Brother, WILLIAM M. MORRIS, who departed this life on the 19th day of October, 1874, aged forty-three years, with a firm Faith and Hope in that immortality, "Eternal in the Heavens," always taught by our Ancient and Honorable Order, the Grand Master, to the present time, and whose death, it eminently becomes us, to express our deep sorrow from among us, and to warm our deep sorrow and regret for his untimely loss, therefore,

Resolved, That each member of this Lodge wear the usual badge of mourning for thirty days, in respect to the memory of our deceased Brother.

Resolved, That a copy of these resolutions be sent to the family of our deceased Brother and they be inserted in the Port Tobacco Times and Maryland Independent.

It is our aim to make the WEEKLY SUN the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will print nothing to offend the most scrupulous and delicate taste.

The Agricultural Department is a prominent feature in the WEEKLY SUN, and its articles will always be found fresh and useful to the farmer.

As this paper pays the expenses of paper and printing, we are not able to make any discount or allow any premium to friends who make special efforts to extend its circulation. For the election of the best men, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of prepaid postage added, is the rate of subscription. WHANN'S RAW-BONE SUPER-PHOSPHATE.

IN THE CULTURE OF WHEAT True economy implies the use of such Manures as produce the greatest yield and at the same time leaves the land in the best condition for Grass.

WHANN'S RAW-BONE SUPER-PHOSPHATE

Is extensively used on this important crop for the reason that it fulfills these conditions. The grass often growing for the fertilizer, leaving the increased yield of wheat clean profit. No fertilizer has ever excelled it. Combining the active qualities of the best Peruvian Guano with the most lasting properties of dissolved bone, it is unexcelled as a manure for wheat.

Those farmers who have used WHANN'S RAW-BONE SUPER-PHOSPHATE need no reminder as to its worth. This continued use of it year after year is the strongest argument which can be brought to prove its merits. Farmers who have not yet used this renowned fertilizer are earnestly requested to try it.

Its mechanical condition is excellent, especially fitting it for use with the drill. Pamphlets and Circulars mailed free on application. For Sale by WM. BOSWELL & Co., MANUFACTURERS' AGENTS, Port Tobacco, Md. aug 21-3m

READ! READ! READ! GREAT DISCOVERY! New Jersey Enamel Paint Company, MANUFACTURERS OF LIQUID ENAMEL PAINT, BRADLEY'S PATENT. Made from Pure White Lead, Linseed Oil and Zinc, and Always Ready for Use.

READ THE FOLLOWING TESTIMONIALS. Testimonial from the Vestry of Mount Calvary Church, BALTIMORE, August 13, 1874. Mr. C. P. KNIGHT: Dear Sir—We take pleasure in testifying to the excellent qualities of the Paint obtained from you, and applied to the exterior of Mount Calvary Church, in this city. It has now been nearly two years since it was put on, and for beauty of color, freshness of gloss and durability, it has fulfilled our largest expectations. Respectfully yours, BERNARD CARTER, S. C. CHURCH, M. D., JAMES M. ANDERSON, BENJ. C. BARROLL.

From Hon. John Withers, ASHLEIGH, BAL. CO., Md., May 27, 1872. Mr. C. P. KNIGHT: At the recommendation of a friend, I was induced to apply your patent "Bradley's Patent" to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, and carries better gloss than ordinary paint, and is free from disagreeable odor. Yours respectfully, JOHN WETHERED.

From Murray Addison, Esq., PRINCE GEORGE'S COUNTY, Oct. 24, 1872. Mr. C. P. KNIGHT, Esq., Baltimore: Dear Sir—Having given your paint a test of six months, I take pleasure in saying that it comes fully up to your representation, and I think looks as well now as when first applied. It maintains its gloss and color perfectly, and I think will outlast any other paint I have ever seen. Very respectfully, MURRAY ADDISON.

From Dr. S. McGill, THE PLAINS, Fauquier Co., Va. Mr. C. P. KNIGHT: Feb. 6th, 1873. Sir—The paint came safely to hand as ordered, two kegs, five gallons each, and three buckets one gallon each. As practice is lack, I did the job myself. Two weeks not constant work completed the house two coats, the last coat applied thick, and it is now generally conceded that for "Enamel" like hardness and body and harmony of colors there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with "Southern People." It should be generally adopted in this State; any country lad can apply it. I have never dabbled in such stock as Testimonials, but I feel forcibly the great adaptability of your Enamel Paint to the wants of our people in excellence of material, in beauty of color, and the fact of its being ready mixed, that I give you full permission, if it is desirable, to make what use you think proper of this letter. Very respectfully and truly, S. MCGILL, M. D.

From Mr. Isaac Albertson, BALTIMORE, December 10, 1872. Mr. C. P. KNIGHT: Dear Sir—It affords me much pleasure to LIBERAL INDUCEMENTS TO THE TRADE. C. P. KNIGHT, Sole Agent, 93 West Lombard Street, Baltimore, sep 25-6m
