THE HOWE MACHINE COMPANY Are now able from their increased facilities for manufacture, to offer their

Improved Sewing Machines on the most advantageous terms. They are now manufacturing

A Machine every Minute in the Day. Since the establishment of their works they have manufactured and sold over

500,000, which attests the great popularity of this unequalled machine. Until the year 1865,

ELIAS HOWE, JR., THE ORIGINAL INVENTOR OF

SEWING MACHINES Did not compete with Companies who were paying him royalty for the use of his patents. At that time he commenced manufacturing and put the genius which invented the Sewing Machine, the experience learned from the failures of other manufacturers, and the experience of a long life as a practical mechanic into the

HOWE MACHINE. It is a noticeable fact, that the

HOWE MACHINE CO. HAS MORE THAN

FIVE HUNDRED THOUSAND of their Machines in use, although having existed but EIGHT YEARS, while the Company which claims to have the most in use, has only about twice that number though having EXISTED FOR MORE THAN TWENTY YEARS.

READ! READ! READ! GREAT DISCOVERY! **New Jersey Enamel Paint Company,** MANUFACTURERS OF

LIQUID ENAMEL PAINT, BRADLEY'S PATENT. Made from Pure White Lead, Linseed Oil and Zinc, and Always Ready for Use.

READ THE FOLLOWING TESTIMONIALS. Testimonial from the Vestry of Mount Calvary Church, Baltimore, August 12, 1874.

Mr. C. P. KNIGHT: Dear Sir—We take pleasure in testifying to the excellent qualities of the Paint obtained from you, and applied to the exterior of Mount Calvary Church, in this city. It has now been nearly two years since it was put on, and for beauty of color, freshness of gloss and durability, it has fulfilled our largest expectations. Respectfully yours, BERNARD CARTER, S. C. CHEW, M. D., JAMES M. ANDERSON, BENJ. C. BARROLL.

From Hon. John Withers, Ashleys, Balt. Co., Md., May 27, 1872. Mr. C. P. KNIGHT: At the recommendation of a friend, I was induced to apply your "Bradley's Paint" to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, and carries better gloss than ordinary paint, and is free from disagreeable odor. Yours respectfully, JOHN WETHERED.

From Murray Addison, Esq., Prince George's County, Oct. 24, 1872. C. P. KNIGHT, Esq., Baltimore: Dear Sir—Having given your paint a test of six months, I take pleasure in saying that it comes fully up to your representation, and I think looks as well now as when first applied. It maintains its gloss and color perfectly, and I think will outlast any other paint I have ever seen. Very respectfully, MURRAY ADDISON.

From Dr. S. Mc Gill, The Plains, Fauquier Co., Va. Mr. C. P. KNIGHT: Feb. 6th, 1873. Sir—The paint came safely to hand as ordered, two kegs, five gallons each, and three buckets one gallon each. As practice is slack, I did the job myself. Two weeks not constant work completed the house two coats, the last coat applied thick, and it is now generally conceded that "Enamel" is like hardness and beauty and harmony of colors there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with "Southern People." It should be generally adopted in this State; any country lad can apply it. I have never divided in such stock Testimonials, but I feel forcibly the great adaptability of your Enamel Paint to the wants of our people in excellence of material, in beauty of color, and the fact of its being ready-mixed, that I give you full permission, if it is desirable, to make what use you think proper of this letter. Very respectfully and truly, S. MCGILL, M. D.

From M. Isaac Albertson, Baltimore, October 19, 1872. Mr. C. P. KNIGHT: Dear Sir—It affords me much pleasure to

FIRE! FIRE! FIRE! Dwellings, Furniture, Bars, Out-Houses, Farm Products, &c., &c., INSURED ON THE MUTUAL PLAN, BY THE

State of Maryland Mutual Fire Insurance Co. of Baltimore. OFFICE—No. 17 South St., Baltimore. PRESIDENT—B. G. HARRIS. BOARD OF DIRECTORS: S. H. CAUGHY, of Noah Walker & Co. PHILIP T. GEORGE, of George & Jenkins. Hon. GEORGE BERRY, of Court of Appeals. GEORGE P. JENKINS, of Charles County. GEORGE COMBS, of St. Mary's County. JOHN S. BARKER, Carpenter and Builder. B. G. HARRIS, President.

This is a Home Company, gotten up expressly in the interest of the citizens of Southern Maryland, to enable them to overcome the difficulties they experienced in procuring insurance in the ordinary Insurance Companies with a majority of its Directors well known in that community. It has been in existence now over six years. All losses accrued (and they have been unusual in large) have been faithfully and promptly paid, which is our best guarantee for the future. The plan adopted is the safest and cheapest known in Insurance, and affords to all insurance in its exact cost, and ought to be encouraged by all who wish to protect themselves from loss or damage by fire. If those interested will give their patronage and interest themselves in the increase of its business, in a few years it will rank among the largest Insurance Corporations in Maryland—a credit and benefit alike to all, and an honor to the State.
