TO ADVERTISERS.—The Times having a larger circulation than any other paper among the intelligent farmers and business men of Charles County, offers superior inducements to advertisers to insert their announcements in its columns.

See the notice of the Democratic Political Meetings in another column. Rally Democrats and show your standard-bearers that you mean victory!

Democratic Economy. The Democratic tax record is one which the party can afford to inscribe on its banners. The tax basis is lower than it was when the Democrats came into power.

Look at this great reduction of the public debt; this large amount expended for internal improvements, and, withal, while bearing the heavy burden of the onerous Republican legacy, the "defense loan," and with a diminished assessment basis, reducing the taxes nearly one-half.

Wasted Sweetness. It is really enough to tickle the ribs of death to hear the Hon. Sidney E. firing off one of his high-blown speeches to his colored audiences in which he undertakes to explain the sinking fund "Democratic extravagance" &c.

Local Brevities. Mass-meeting to-day. Election on Tuesday. The weather is rather blue. Dump, drizzly sort of a damp day.

Wise Legislation. We understand that the chief hobby of the Hon. Wm. D. Mitchell in his elaborate speeches before his colored auditors, has been that he is going to work a great benefit to them this winter by passing a law to prevent white people from distraining cattle, etc.

Thanksgiving Day celebration. The young ladies of Christ Church assuming that Thanksgiving day will be Thursday the 24th inst., have arranged to give our good people a grand treat in the way of a fair and oyster supper.

Arrested. We called attention last week to the card of the Southern Maryland Railroad Company, offering a reward for the arrest of the party who attempted to wreck a train on that road recently by obstructing the track.

Four valiant ex-Confederates presented their names to the late so-called Republican Convention, while but one veteran of the Union cause and a solitary colored man sought office at their hands.

Go to the polls on Tuesday next, carry all of your friends, neighbors and employees, see that they all vote the straight Democratic ticket.

What We Know About It. "What do you know about St. Jacobs Oil?" said one of our oldest subscribers. This was a fair question, and we answer, that we are reliably informed, that a gentleman of this city who has suffered untold agony, and spent a mint of money to get relief from Rheumatism in a desperate, bought some and tried it, and declares that it is the best remedy for Rheumatism he ever heard of.

There will be a grand MASS MEETING of the Democratic and Conservative voters of Charles county at Port Tobacco on FRIDAY, November 4th.

On FRIDAY, November 4th, which will be addressed by the following distinguished speakers: Hon. Thos. J. Keating, "Jas. A. McClure," "Borj. G. Harris," "Banjes Compton," "Geo. C. Merrick," "A. G. Chapman," and other distinguished speakers.

Carrying Coals to New Castle.

The idea of cabbages being imported from Germany to the Baltimore market looks like "carrying coals to New Castle." Yet this has been done. On Sunday, 23d, the Steamer Leipzig arrived at a Canton wharf, with a cargo of 20,000 heads of cabbage, which sold at 10 cents a head.

The Judicial Election. Among the officers to be elected on Tuesday next, are a Chief and Associate Justice for this judicial circuit, to serve for fifteen years.

New Advertisements. See the advertisement of Messrs. N. T. Metzger & Bro., the enterprising grocers, at 417 Seventh Street, N. W., Washington D. C.

Mr. Julian E. Norris, of Wisconsin, advertises in another column a complete stock of Fall and Winter goods, which he sells for cash.

Mr. John R. Edelen with Summers & Bro., coach makers of Alexandria, is now on a visit to our county in the interest of the firm.

Mr. John W. Duvall, of Prince George's county, has been selected to fill the position on the Republican ticket for the House of Delegates, made vacant by the withdrawal of Mr. Fielder C. Duvall.

Our Republican friends find it very hard to get their standard-bearer to "sick" up in Prince George. So it will be here, when we have once demonstrated to the colored voters how much more happily they will live under Democratic rule.

Benjamin McKenny, of Calvert county, was hunting one night last week.—In order to secure a raccoon a tree was cut down, a limb from which struck Mr. McKenny, causing almost immediate death. He leaves a widow and several children.

We have been favored during the past week with copious and general rains, which were hailed with delight. Although too late to benefit any crop except the newly seeded wheat, it will start the streams and fill up the dry springs.

Mr. Roberts has been engaged for the past week in removing all the fixtures of the mill that were not carried away by Mr. Hayden the purchaser of the machinery, and now the steam mill of Port Tobacco is a thing of the past.

The Misses Benham, two charming young ladies of West Baltimore, returned to their home in that city on Wednesday of last week. Whilst sojourning in the county, these accomplished ladies have gained many admirers, and their fine voices will be sadly missed from that already excellent choir of old St. Thomas by the entire congregation of that church.

Our publisher has returned from his trip to Maryland's ancient capital where he has been to recruit his strength after a severe attack of malaria. He reports himself as being very much improved though he seems much dejected, but whether this is caused by his recent sickness or by the lingering remembrance of some fair one behind we cannot say but we incline to the latter opinion.

Four valiant ex-Confederates presented their names to the late so-called Republican Convention, while but one veteran of the Union cause and a solitary colored man sought office at their hands.

Many of our most prudent customers and citizens are now buying their clothing for themselves and boys for the fall and winter.
