OFFICE, 89 EXCHANGE PLACE, Factory, East Point. BALTIMORE.

I deem it my duty to say anything of the quality of our Fertilizers as they have stood successfully a test of nearly 27 years and no FERTILIZER CAN SHOW BETTER FIELD RESULTS.

Since it is the company uses the most improved labor saving machinery and the best crude material paying cash for same. With these advantages I am prepared to offer to the Farmers of Southern Maryland, our High Standard Fertilizer at prices that defy competition for the same class of goods. I feel truly grateful to my friends and customers for their very liberal patronage in the past and hope by keeping our goods up to their known high standard I may merit a continuance of the same. I am now making my usual trip through Southern Maryland and should I fail to see all of my customers, please remember that all responsible orders sent direct to the firm will receive prompt attention. Yours very truly,

#### JUDGE BLACK AS A PATRIOT.

HIS GREAT ARGUMENTS AGAINST THE CRIME OF THE CENTURY.

Fraud Wrought in the Form of Law is Fraud. Voters and Not Forgets Must be Cautioned. The Nation's Trust is Being Gradually but Surely, and Then Look Out for the Flood.

The Record's Report of Judge Black's Speech on Feb. 27, 1883, under the Pseudonym of 'A. B. C. D. E. F. G. H. I. J. K. L. M. N. O. P. Q. R. S. T. U. V. W. X. Y. Z.'

Mr. PRESIDENT AND GENTLEMEN: I had not, and have not now, any intention to argue this case. I never heard the objections nor knew what they were until they were read in your presence this morning. It would be preposterous for me to attempt an argument before a tribunal like this on such a case as this, having had no previous opportunity to consider it, which might put me in a condition better than the Judges themselves. You have heard as much of this case and know as much about it as I do. My idea of the duty which a constitutional officer owes to any other tribunal, judicial or quasi-judicial, is that he should never open his mouth except for the purpose of assisting the Judges in coming to a correct conclusion; and if he is not in a situation to do that he ought to keep silence.

Besides that, I am, I suppose, the very last man in this whole nation who should be called upon to speak here and now. Everybody has suffered more or less by events and proceedings of the recent past, some by wear and tear of conscience and some by a deep sense of oppression and wrong. But perhaps I, more than most others, have felt the consciousness that I have lost the dignity of an American citizen. I, in common with the rest, am degraded and humiliated. This nation has got her great foe in a trap. It is vain to struggle for her extrication.

I am so fallen from the proud estate of a free citizen, you have so abjected me, that I am fit for nothing on earth but to represent the poor, defrauded, broken-hearted Democracy. And because I suffer more, they think me more good for nothing than the rest, I am degraded and humiliated. This nation has got her great foe in a trap. It is vain to struggle for her extrication.
