The subscription price of THE TIMES is \$1. per annum if paid in advance or at any time within the current year; if not paid within the year \$1.50 will be invariably charged, as always heretofore, and from this rule no exception will be made.

TO ADVERTISERS.—The Times having a larger circulation than any other paper among the intelligent farmers and business men of Charles County, offers superior inducements to advertisers to insert their advertisements in its columns. Send for card rates, which are as low as any other paper in Southern Maryland, and as nothing about circulation.

RALLY DEMOCRATS!!!

THE Democratic voters and those interested in the success of our ticket will assemble at a public meeting in the several districts as follows:

Bryantown, on Friday, November 1st AT 3 O'CLOCK, P. M.

Patuxent City, on Saturday, Nov. 2nd. AT 3 O'CLOCK, P. M.

The meetings will be addressed by the candidates and other speakers and the issues involved fully and fairly discussed. A full attendance is earnestly desired. By order of the State Central Committee.

Army of Co. E 1st R. Regiment, I. M. N. G. PORT TOWACO, Nov. 1st, 1889. Orders No. 17.

This company will assemble at the Armory on Saturday, Nov. 1st, 1889 at 11 o'clock A. M. for inspection and drill. The members will report in full dress uniform with fatigue caps and blankets packed in blanket bags, overcoats rolled in blanket bags and dress caps suspended from left rear button of dress coat.

All new men who desire to enlist will report what day to the 1st Sergeant.

All uniforms and equipments of members who are absent will be repaired, will be left at the Armory on that day.

By command, H. WEBER, BOWEN, Capt. Comd'g.

Mr. Need Improving. Mr. Sidney E. Mudd is reported by his physician, Dr. George D. Mudd, to be improving with good prospects of being able to leave his bed in the course of a week or ten days.

Next Tuesday is election day. The season for shooting partridges in this county is regulated by the general State law. It commences to day and will end with the 24th of December. Notwithstanding the heavy rains which have prevailed during the summer, some of our sportsmen are of opinion that birds will be plentiful.

Registration Case. Judge Brooke sat in the court house yesterday to hear registration appeals. He will continue to-day. Some comment has been caused by the fact that no notice except Mr. Power, and no published notices of appeal except in last week's Independent. This may, however, have been due to an oversight on the part of somebody.

Why Our Lands are Unavailable. The Westminster Advocate, a leading paper, directs attention to the fact that farm lands find ready sale in the counties of the State, excepting Calvert, St. Mary's and Charles, where Republicanism has more or less prevailed. The Advocate says our politics is the cause of our being avoided by the outside world, and we are inclined to concur in this opinion. This is something for the thoughtful voter to consider from now until election day.

The Kaitie Hines. Tuesday last the Police Sloop Kaitie Hines caused a flutter among the "scrapers" of the Kaitie crew down on the coast of the State, excepting Calvert, St. Mary's and Charles, where Republicanism has more or less prevailed. The Advocate says our politics is the cause of our being avoided by the outside world, and we are inclined to concur in this opinion. This is something for the thoughtful voter to consider from now until election day.

Every Democrat should turn out and go to the polls on Tuesday and vote the straight Democratic ticket.

Political Incendiaries. On Thursday night of last week the colored schoolhouse near Oak Grove, three miles from Marlboro', Prince George's county, was burned to the ground. The teacher, John W. Brindley, colored, is a favorite with the whites, and was among those before they knew anything of her presence. Eight captures were made and one of our friends charged from "Blue Nose" right into the Clerk's office. St. Mary's Beacon.

It will be observed that the gallant Capt. Ching is always on the alert and that the oyster pirates have a right to have a wholesome fear of the "Kaitie."

Every Democrat should turn out and go to the polls on Tuesday and vote the straight Democratic ticket.

IN MEMORIAM

In memory of Hilda, youngest daughter of Mr. and Mrs. M. Martin who died Oct. 2nd, 1889, aged 5 years and 9 months. She was a bright and intelligent child, and loved by all who knew her, sweet and gentle ways, winning her friends wherever she went. She was a patient sufferer, and whose entire thoughts and conversations were upon God, and pure for this world. God in his mercy saw it best to take her from this world of strife. Now she is an Angel singing the praises of God which she loved to do in life. Mother and Sister weep not for her, though you miss her, remember you have an Angel in that sweet Heaven of rest, who is watching and praying for you. Let it console you, Mother and Sister that she is happy in her heavenly home.

Our darling Hilda is here no more. As she stood from Heaven's door, And took her there to stay.

As the sweet flower that scents the morn, But withers in the rising day; Thus lovely was this infant's dawn, Thus swiftly fled her life away.

She died to sin, she died to care, But for a moment left the world to share. O! mourner, such, the Lord declares, Such are the children of our God.

Given Away. Send two cent postage to Domestic Sewing Machine office, corner 7th and H. streets, Washington, and the New Domestic fashion catalogue for fall and winter of 1889, illustrating over 1,500 newest styles, will be mailed to you free. Country dealers supplied from this office with machines at New York wholesale factory prices. C. Auerbach, sole agent, 7th & H. sts.

Local Brevities. The November term of our circuit court will begin two weeks from next Monday.

Mr. and Mrs. Canfield Jenkins spent last week in Baltimore, visiting their relatives there. Owing to the inclemency of last Sunday no services were held in Christ Church on that day.

The next holiday is Thanksgiving day and the turkeys are quaking in anticipation of the event.

Partridge shooting begins in the county to-day, and continues until the 24th of December inclusive.

The next meeting of the County Commissioners will be for the purpose of transferring the office to their successors.

Don't fail to vote the Democratic ticket on Tuesday and take all your neighbors with you to do likewise.

We call attention to the advertisement of W. D. Webster, who has opened a first class tobacco store in Washington.

Mr. Benjamin Tubbman, Jr. advertises a lot of live stock and other personal property, to be sold at auction, in another column.

Our candidates are awakening enthusiasm wherever they go in the county. Their speeches are forcible and full of facts and truth.

We regret to learn of the serious illness, with typhoid fever, of Mr. William Brewster, son of Mr. Edgar Brewster, living near Glymont.

Mr. R. Turner Halling suffered a severe but not serious injury recently by being struck in the hip by a portion of a log he was splitting.

Parents will get rest and the baby will be relieved from pain by using Dr. Bull's Baby Syrup, a harmless but reliable remedy. Price 25 cents.

Miss Nancy Matthews, who had been visiting the family of Hon. Barnes Compton, at Laurel, has returned to her home in Pocomoke.

If the enthusiasm displayed at the mass meeting on Tuesday is an earnest of what the Democrats intend to do, we won't be behind in the procession on next Tuesday.

Landlord Norris has on exhibition the latest portrait we have ever seen, taken from his garden. This is one evidence of the adaptability of our soil to vegetable production.

Wm. J. Digges, who is now employed in a mercantile house in New York, is home for a short vacation and will remain until after the election. Willie is looking as well and hearty as ever.

Many diseases date their origin to functional disturbance of the stomach and liver. Laxador corrects this as abnormal conditions most surely; hence the increasing sale. Price 25 cents.

The literary society failed to meet last Saturday on account of the inclemency of the day. The question appointed for that day will be discussed at a future meeting.

Popular trial shows the worth of every article, and 42 years constant use has proven the great efficacy of Dr. Bull's Cough Syrup; it has no superior.

We observed the other day two barrels of Charles county clay on the wharf at Glymont to be shipped to Washington. This exhibits an increasing demand for our products.

What ailing has been complicity suspended for the past week, owing to the rain. Much of the crop is not yet needed and many farmers are apprehensive that it is now too late to risk it.

Samuel Malcolm, a young son of S. A. and Celestia C. Carrington, aged about 3 years, died on Sunday morning last of Bright's disease after a brief illness.

Don't forget the entertainment to be held at the residence of Wm. Down, near Hill Top, this evening. The object is a worthy one and good time is promised to all who attend.

Miss Maggie Watkins, a niece of Mr. B. G. Stoenestret, and who has many friends in our county, was in Baltimore on Wednesday next, the 6th instant, to Mr. Howard Stockert.

George Mantz, of Baltimore, shot and seriously wounded Edward C. Bloomer, of Washington, in the saloon of the Shoemaker Company, on E street, about four o'clock Monday afternoon. Mr. Bloomer will be taken to some of our clinics.

Miss Nettie Gray, daughter of the late Wm. H. Gray of our county, was married in Washington recently to Mr. English of that city. We have failed to learn the particulars of the ceremony but extend our hearty wishes to the happy couple.

Mrs. C. K. Nelson, daughter of Major Wm. B. Matthews, is visiting her parents in Pocomoke. Mrs. Nelson has just returned from a tour through Europe and will doubtless entertain her many friends here with an account of her trip "over the sea."

W. J. Magruder, has written a letter to Mr. J. M. Oliver, chairman of the Prohibition State Central Committee, stating that he is willing to discuss the question, "Is a third or prohibition party needed?" with any prohibitionist. The invitation will be accepted.

There is a preference on the part of a great many people for buying clothing quickly. We know of no place in the county that gives such remarkable value in ready-to-wear clothing for the money, as the Bell Clothing Co., cor. Pratt and Hanover Sts., Ochsman's stand Baltimore. David G. Murray, superintendent.
