RIGHT'S INDIAN VEGETABLE PILLS FOR THE LIVER And all Bilious Complaints

SCRIBE TO

INKS of all kinds and make, and every thing from a set of printing type to a complete outfit. W. H. MILBURN & CO, Baltimore, Md

CARTER'S LITTLE LIVER PILLS. CURE SICK HEADACHE

Sick headache and relieve all the troubles incident to a bilious state of the system, such as Dizziness, Nausea, Flatulency, Stomach distress after eating, Pain in the Side, &c. While their most remarkable success has been shown in curing Headache, yet Carter's Little Liver Pills are equally efficacious in curing Constipation, Biliousness, Vertigo, Stomachic complaint, while they also equalize the bowels, and regulate the liver and regulate the bowels. Even if they only cure the Headache.

ACHIEVE their best results in those who suffer from this distressing complaint; but fortunately their good effects extend to all those who once try them will find these little pills valuable in many ways that they will not be willing to do without them. But after all sick headache is the worst of all ailments. It is cured by Carter's Little Liver Pills. In the hands of so many lives that here is where we make our great boast. Our pills cure it while others do not.

Carter's Little Liver Pills are very small and very sweet. They are strictly vegetable and do not grip or irritate the bowels. In vials of 25 cents; five for \$1. Sold by druggists everywhere, or sent by mail.

MISSING LINKS. The average age of the twelve English bishops is seventy-six years.

A Florida paper urges the town authorities to plant pear trees along the streets.

The coal fields of Hokkaido, in Japan, are estimated by an American engineer to be worth \$100,000,000.

A pure white tarantula was caught in Los Vegas, A. T. Its venom is said to be equal to that of a rattlesnake.

The oldest hostelry in England is the Seven Stars, at Manchester. It dates back to the time of Edward III.

A public school at Delmar is partly situated in Delaware and Maryland. Each state furnishes teachers for its pupils.

Upward of twenty-eight large bales of human hair were brought to France in the last steamer that arrived from the Orient.

Out of 246 men passing along Main street in Cincinnati on a recent afternoon 210 had lost one or more of the hind buttons off their coats.

A woman at Reading, Pa., hanged herself in a seashore resort was told. She told a friend the day before she couldn't bear it any longer.

The New Hampshire girl who drank chalk-water to make her look pale fooled the doctors nicely. It took two post-mortems to tell she died of cholera.

There are altogether about 17,000 Arabs in this country, and not 10 per cent of them have a settled home or any other means of support than peddling.

A projected canal across the upper part of Italy, connecting from the Adriatic to the Mediterranean, would take six years to build and cost \$125,000,000.

North Dakota will be the first state, as a state, to make provision for a system of manual training. Forty thousand acres of land are set apart for that purpose.

A young woman from the West who was visiting a seashore resort was told that man-eating sharks could be caught there. "Where do the sharks get the men?" she exclaimed.

Over three thousand French deserters who have been living in Geneva have been benefited by the late amnesty law, and have left with their families to return to their country.

At a wedding in Arizona the other day the bride received, with other gifts, a furnished house, a mule, a heifer, a barrel of beer, a cask of wine, some whisky and a corkscrew.

Micajah Owens, one hundred years old, living near Roehelle, Ga., walked to town the other day a distance of five miles. Only three years ago he walked twenty-eight miles in one day.

The whole of the sewage of Paris will soon be used for the purpose of market gardening. Genesvillier now absorbs and purifies a third of the Paris sewage water. Achires and Mery will soon utilize the rest.

George Buckel, a Louisville inventor, is to the fore with a mysterious vacuum boat, which will cure all pain, and a triple motor to travel with equal celerity, ease and economy on land or water or in the air.

House boats are becoming so common in England that there is a talk about taxing them. There are nearly twelve thousand pleasure boats, including house boats, used on the upper reaches of the Thames.

The Victoria and Albert, the queen's yacht, was built at Portsmouth in 1862. She is constructed of wood, sheathed with copper, and cost \$136,441. At the outset, and about \$310,000 has since been expended on her.

John Cannon Short, an aged farmer of near Georgetown, computes that in going to Georgetown three times per week during the past forty years, the distance each way being seven miles, he has traveled \$7,860 miles.

Judge F. Wellhouse, of Fremont, Kas., is said to be the proprietor of the largest orchard in the world. He has 1,078 acres in fruit trees, and it is claimed that no other grower on the face of the globe can make a similar showing.

The cigarette habit is increasing faster than the cigar habit. Last year taxes on 2,151,515,300 were collected, an increase of 293,789,260 over the year before. For the same period \$367,385,520 cigars were taxed, an increase of 22,638,000.

A child who had just mastered her catechism confessed herself disappointed, because she said, "Though I obey the fifth commandment, and honor my father and mother, yet my many days are not a bit longer in the land, because I am still put to bed at a'clock."

"The 'cold fresh air cure' is a new cure for consumption. Slowly being accustomed to the action of air, the patient is moved a little nearer each day toward an open window. The last stage of the cure consists in sleeping in the open air, regardless of wind, rain or snow."

The Kansas man who made 1,000 barrels of vinegar from twenty acres of watermelons and sold the vinegar for \$10 a barrel has founded a new and valuable industry. He has also shown that the best way to avoid cramps from watermelons is to convert the melons into vinegar.

According to the Portland Oregonian the fact that the western people are not slow in taking advantage of modern improvements, is shown by the statement that one company alone during the last four months has put in nearly 10,000 electric lights in Oregon and Washington.

The Portland Oregonian says that the Pacific coast has suffered greater losses from fire during 1889 than any other section of the United States. It is computed that \$50,000,000 worth of property has been destroyed by fire since the beginning of this year. Of this sum California and Washington contributed a little over half.

Lewis Purdy, postmaster at Shrub Oak, Westchester county, N. Y., was appointed by William Henry Harrison in March, 1841, and has served continuously from that time. Though now in his eighty-fifth year, he is vigorous, his memory and vision are clear, and he still receives and distributes the mail twice a day, as he has for long years.

A. R. Rucker, of Athens, Ga., has a specimen of genuine cork wood, which was cut from a tree growing in Buckersville, in Washington county, Va. It is said that General Lee sent the seed of this tree to Mr. Rucker's father many years ago when the former was a member of Congress. The seed was planted, came up, and has made a large tree.

Since 1870 the aspect of Rome has considerably changed. The old narrow winding streets are a thing of the past, and are replaced by large, wide thoroughfares. Blocks of the old houses have been knocked down and large modern palazzi have sprung up in their stead. The narrow Corso di did not seem to be so narrow, as it is gradually being widened by half again its original width.

The new rifle for the Russian army is not a magazine gun, but is a small caliber breech-loader capable of penetrating at 600 feet three one-inch boards two feet apart.

What is CASTORIA? For Infants and Children's Complaints. Superior to Castor Oil, Paregoric or Narcotic Syrup. Children cry for Castoria. Millions of Mothers bless Castoria.
