**STABLER'S ANODYNE CHERRY EXPECTORANT**  
 Is confidently recommended to invalids as unsurpassed by any known preparation, for the cure of Coughs, Hoarseness, and other forms of Common Colds; Bronchitis, Asthma, Croup, Consumption in an early Stage, and for the Relief of the Patient even in advanced Stages of that Fatal Disease.  
 It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its soothing and tonic qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.  
 A number of the most respectable Physicians to whom we communicated a knowledge of the constituents of these Medicines has pleased to favor us with their opinions (in some instances in writing,) that they are remedies they have ever been acquainted with for the cure of the diseases for which recommended.  
**OPINION OF DR. SAMUEL B. GENTLEMEN.**—I have frequently used the component parts of your Diarrhoea Cherry, as well as your Anodyne Cherry, and find them both valuable compounds, and I do not hesitate to recommend them to my friends.  
 Baltimore, June, 1852.

**STABLER'S DIARRHOEA CHERRY**  
 Is a pleasant Mixture, compounded of the most valuable ingredients of Pharmacy, and is a peculiarly efficacious medicine in curing Diarrhoea, and all the affections of the system. In its use, it always produces a healthy action of the Liver, thus removing the cause at the seat of the disease.  
 Opinion of Dr. J. H. Johnson, Physician to the Baltimore South Western Dispensary.  
 Having made trial of your "Diarrhoea Cherry," and being also acquainted with the ingredients of which it is composed, it gives me much pleasure in adding my testimony to that of the many other Physicians, who have testified in favor of its EXTRAORDINARY EFFICACY in the cure of Diarrhoea, and Summer Complaint in children and adults.  
 With much respect, &c.  
**JOHN ADDISON, M. D.**  
 PRICE, 50 cts. a Bottle.

**STABLER'S DR. CHAPMAN'S WORM MIXTURE**  
 Prepared from a Receipt invented by **DR. JOHN CHAPMAN,** a member of the ROYAL COLLEGE OF SURGEONS OF LONDON.  
 A Remedy more efficient than this is not known. Many (perhaps half) of the diseases from which children suffer are occasioned by the presence of Worms in the system; and if neglected, give rise to the most uncomfortable and irritating feelings, violent pains, sickness at the stomach, emaciation and frequently to vomiting.  
 This medicine is an efficient, safe and pleasant remedy for their extermination; it contains all the virtues of the most approved vermifuges, and although it has been used by many thousands, and has been before the public for several years, it has never been known to fail in effecting a complete cure.  
 Extract from a letter received from S. S. FORTÉ, M. D., member of the Royal College of Surgeons, London.  
 To E. H. STABLER & Co. October 20th, 1851.  
 Gentlemen,—I some time last year, by accident, got hold of a few bottles of your Stabler's Dr. Chapman's Worm Mixture and used it in my practice with such unequalled success as induced me to send for 50 dozen.  
 I last month ordered, through the same gentleman, 100 dozen.  
 " " You can ship me 20 dozen in 20 months from date of receipt of my order, draw for the amount, &c. &c.  
 Numerous certificates of cure of aggravated cases of disease, are appended hereto, but we will not attempt to add but little to the statement already here given by you, to judge of the merits of this medicine.

**Another Scientific Wonder!**  
**GREAT CURE FOR DYSPEPSIA!**  
**Dr. J. S. HOUGHTON'S**  
**PEPSIN**  
 THE TRUE DIGESTIVE FLUID, GASTRIC JUICE.  
 PREPARED FROM RENNET, or the STOMACH OF THE OX, after the method of **BARON LIEBIG,** the great Chemist, by **J. S. HOUGHTON,** Philadelphia, Pa.  
 A wonderful remedy for Dyspepsia, Jaundice, Liver Consumption, and Debility.  
 Half a teaspoonful of Pepsin in water, will digest or dissolve, in about two hours, a pound of roast beef in about two hours, out of the stomach.  
 Pepsin is the chief element, or great principle of the gastric juice, and is the solvent of the food, the purifying, and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the ox, thus forming an artificial digestive fluid, precisely like the natural gastric juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for Dyspeptics, curing cases of debility, emaciation, nervous decline, and dyspeptic consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable.  
**SCIENTIFIC EVIDENCE!**—Baron Liebig in his celebrated work on Animal Chemistry, says: "An artificial digestive fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."  
 Call on the agent, and get a Descriptive Circular gratis, giving a large amount of scientific evidence, similar to the above, together with reports of remarkable cures, from all parts of the United States.  
 As a Dyspepsia curer, **Dr. HOUGHTON'S Pepsin** has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than two hundred remarkable cures, in Philadelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.  
 It is a great nervous antidote, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and others drugs upon the digestive organs, after a long sickness. Also for excess in eating, and the too free use of ardent spirits. It almost reconciles health with intemperance.  
**OLD STOMACH COMPLAINTS.**—There is no form of the old Stomach Complaint which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of blood, and vigor of body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the stomach, distress after eating, low, cold state of the blood, heaviness, low spirits, despondency, emaciation, nervousness, tendency to insanity, &c.  
**HOUGHTON'S Pepsin** is sold by all dealers in fine drugs and medicines, throughout the United States, and in prescription vials for the use of Physicians.  
 Private circulars for the use of Physicians, may be obtained of Dr. Houghton or his agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a secret remedy, no objections can be raised against its use by Physicians in respectable standing and regular practice. Price, ONE DOLLAR per bottle.  
 Observe this!—Every Bottle of the genuine Pepsin bears the written signature of **J. S. HOUGHTON, M. D.,** sole proprietor, Philadelphia, Pa. Copy-right and Trade Mark secured.  
 Sold by all druggists and dealers in medicines.

**Hampton's Vegetable Tincture.**  
**THE GREAT DISCOVERY OF THE AGE—READ!—READ!—READ!**  
 The world never before saw such a mass of home testimony given to any other medicine.  
 BALTIMORE, Sept. 11, 1851.  
 Messrs. Mortimer & Mowbray:—I feel it a duty to make known the benefits I have derived from Dr. Hampton's Tincture. For a length of time I have been subject to great prostration of muscular power, and great debility of the nervous system, accompanied with palpitation and fluttering of the heart. I had such sudden attacks that on one occasion I could scarcely get home. I making mention of my case to a friend, he referred me to Joseph R. Stapleton, esq., an old and highly respectable citizen of Baltimore, who had used the Tincture under similar circumstances. I called on Mr. Stapleton, and after an interview of some minutes, I was fully satisfied of the medicinal virtues of the Tincture, from the evidence before me, of his own person, who, for some time previous, indicated a falling state of health, but now a hearty hale appearance, and the activity of youth. I immediately commenced using the Tincture, and before I took the contents of one bottle, my strength was renewed, and I can walk as brisk and am as active as I twenty years ago. This Tincture is the grand restorative of the digestive organs, which when destroyed, the whole system is in a state of suffering.  
 I do assert it is no humbug, but is, in reality what it is represented to be by Dr. Hampton the inventor.  
**WM. A. SCHAEFFER,**  
 Corner of Lombard and Sharp streets.

**A CLOUD OF WITNESSES.**  
 We have certificates from Captain Canot, brother to the eminent physician to Louis Napoleon, President of the French Republic, who was cured of Rheumatism of seven years' standing; one from Robt. Gault, do., of seven years; one from Mr. Oldham, Baltimore Custom-house, of a dreadful case of dyspepsia; one from Mr. Luke, of a case of dyspepsia and general debility; and one from J. K. Stapleton, esq., of Baltimore, with hundreds of others.  
**REV. VERNON ESKRIDGE, U. S. N.**  
 PORTSMOUTH, (Va.) Aug. 18, 1851.  
 Mr. J. E. Boush—Dear Sir: While I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in Dyspepsia, loss of appetite, nervousness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.  
 I am, respectfully, yours,  
**VERNON ESKRIDGE,**  
 Chaplain in the U. S. Navy.

**CURE OF CONSUMPTION, NEURALGIA, PAIN IN THE SIDE, &c.**  
 Baltimore, May 1, 1852.  
 Messrs. Mortimer & Mowbray:—Gentlemen,—It is with pleasure I can testify to the great healing powers of Hampton's Vegetable Tincture. My wife had been afflicted for three years, labouring under a constant hacking Cough, with a most violent Pain in the right side, Neuralgia of the Head, and Dimness of Sight; very little rest day or night, and much emaciation, and to all appearances a rapid Consumption inevitable. We had the most eminent physician in Annapolis, but his medicine did not give her any relief at all; but growing worse if any change in the least;—and after having read one of your Pamphlets, in July last, she purchased and used Hampton's Vegetable Tincture, and after taking but two bottles of the same (under a kind Providence) we perceived a great change for the better: her appetite improved, her skin became quite clear, coughs, pains, neuralgia, &c., entirely left her, and by the time she had taken a few bottles more she was completely cured, and is now in the enjoyment of most excellent health.  
 I have seen also its beneficial effects on several other ladies of Annapolis, and I think I can say from what I have seen of the medicine, I do not believe its Curative Powers can be equalled. A sense of duty to the afflicted has induced me to drop these few lines for their benefit.  
 Respectfully,  
**EDWARD SANDS,**  
 Master of the schr. Geo. Barber, Annapolis Neck No. 3, Tobacco Warehouse, Light Street Wharf.

**TRUTH Stranger Than Fiction!**—None need despair—A Lady's testimony after thirty-eight years of suffering—Were there not real virtue in this wonderful medicine could it perform the astonishing cures made by it?  
 Northampton County, April 13, 1852.  
 Messrs. Tyler & Adair: I have been afflicted with Rheumatism, at times, from my 12th year; I will be fifty years of age the 13th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could not rest day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to try Hampton's Vegetable Tincture; before I had taken one bottle of which I felt much better, and as I continued taking it, I felt strength coming into my back and limbs, and my stomach strengthened and revived every way. I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequalled.  
 Yours,  
**ELIZABETH BAGWELL.**

**Wonderful Cure of Hereditary Scrofula by Hampton's Vegetable Tincture!**  
 This certificate is from the pen of a gentleman, whose name appears in the proceedings of Congress, one who is extensively and favorably known:  
 "It affords me pleasure to state that Dr. Hampton's Tincture has effected a most extraordinary cure of my slave boy, Albert. The patient was three years of age, and had the Scrofula—his father was scrofulous; one day he was moving mass of sores from head to foot; the upper eye-lids were much swollen, and turned inside out, exhibiting horrible matted ulcers that protruded over the eyeballs so as to produce blindness. It is strange, yet true, this child, that I felt resigned to see die as a relief from suffering, has been restored to health under the treatment of Dr. Hampton's Tincture."  
 W. P. THOMASSON,  
 Louisville, March 20, 1851.

**HOEBSACK'S WORM SYRUP.**  
 An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where **Bowel Complaints** and **Diarrhoea** have made them weak and debilitated; the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines in giving tone and strength to the stomach, which makes it an infallible remedy for those afflicted with **Dyspepsia**; the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.  
**THE TAPE WORM.**  
 This is the most difficult Worm to destroy of all that infest the human system; it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause **St. Vitus Dance, Fits, &c.**, that those afflicted seldom if ever suspect that it is **THE WORM** hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued; it would be proper to take 6 to 8 of my **Liver Pills** as to remove all obstructions; that the Worm Syrup may act directly upon the Worm, which must be taken in doses of 2 tablespoonfuls 3 times a day; these directions followed have never been known to fail in curing the most obstinate case of **Tape Worm**.  
**HOEBSACK'S LIVER PILLS.**  
 No part of the system is more liable to disease than the **LIVER**, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of **ROOTS & PLANTS** furnished by nature to heal the sick; namely, 1st; An **EXPECTORANT**, which augments the secretion from the Pulmonary mucous membrane, or promotes the discharge of secreted matter. 2nd. An **ALTERATIVE**, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd. A **TONIC**, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body! A **CATHARTIC**, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.  
**TO FEMALES.**  
 You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side, back, &c.

 Messrs. Mortimer & Mowbray:—Gentlemen,—It is with pleasure I can testify to the great healing powers of Hampton's Vegetable Tincture. My wife had been afflicted for three years, labouring under a constant hacking Cough, with a most violent Pain in the right side, Neuralgia of the Head, and Dimness of Sight; very little rest day or night, and much emaciation, and to all appearances a rapid Consumption inevitable. We had the most eminent physician in Annapolis, but his medicine did not give her any relief at all; but growing worse if any change in the least;—and after having read one of your Pamphlets, in July last, she purchased and used Hampton's Vegetable Tincture, and after taking but two bottles of the same (under a kind Providence) we perceived a great change for the better: her appetite improved, her skin became quite clear, coughs, pains, neuralgia, &c., entirely left her, and by the time she had taken a few bottles more she was completely cured, and is now in the enjoyment of most excellent health.  
 I have seen also its beneficial effects on several other ladies of Annapolis, and I think I can say from what I have seen of the medicine, I do not believe its Curative Powers can be equalled. A sense of duty to the afflicted has induced me to drop these few lines for their benefit.  
 Respectfully,  
**EDWARD SANDS,**  
 Master of the schr. Geo. Barber, Annapolis Neck No. 3, Tobacco Warehouse, Light Street Wharf.

**TRUTH Stranger Than Fiction!**—None need despair—A Lady's testimony after thirty-eight years of suffering—Were there not real virtue in this wonderful medicine could it perform the astonishing cures made by it?  
 Northampton County, April 13, 1852.  
 Messrs. Tyler & Adair: I have been afflicted with Rheumatism, at times, from my 12th year; I will be fifty years of age the 13th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could not rest day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to try Hampton's Vegetable Tincture; before I had taken one bottle of which I felt much better, and as I continued taking it, I felt strength coming into my back and limbs, and my stomach strengthened and revived every way. I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequalled.  
 Yours,  
**ELIZABETH BAGWELL.**

**Wonderful Cure of Hereditary Scrofula by Hampton's Vegetable Tincture!**  
 This certificate is from the pen of a gentleman, whose name appears in the proceedings of Congress, one who is extensively and favorably known:  
 "It affords me pleasure to state that Dr. Hampton's Tincture has effected a most extraordinary cure of my slave boy, Albert. The patient was three years of age, and had the Scrofula—his father was scrofulous; one day he was moving mass of sores from head to foot; the upper eye-lids were much swollen, and turned inside out, exhibiting horrible matted ulcers that protruded over the eyeballs so as to produce blindness. It is strange, yet true, this child, that I felt resigned to see die as a relief from suffering, has been restored to health under the treatment of Dr. Hampton's Tincture."

**HOEBSACK'S WORM SYRUP.**  
 An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where **Bowel Complaints** and **Diarrhoea** have made them weak and debilitated; the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines in giving tone and strength to the stomach, which makes it an infallible remedy for those afflicted with **Dyspepsia**; the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.  
**THE TAPE WORM.**  
 This is the most difficult Worm to destroy of all that infest the human system; it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause **St. Vitus Dance, Fits, &c.**, that those afflicted seldom if ever suspect that it is **THE WORM** hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued; it would be proper to take 6 to 8 of my **Liver Pills** as to remove all obstructions; that the Worm Syrup may act directly upon the Worm, which must be taken in doses of 2 tablespoonfuls 3 times a day; these directions followed have never been known to fail in curing the most obstinate case of **Tape Worm**.  
**HOEBSACK'S LIVER PILLS.**  
 No part of the system is more liable to disease than the **LIVER**, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of **ROOTS & PLANTS** furnished by nature to heal the sick; namely, 1st; An **EXPECTORANT**, which augments the secretion from the Pulmonary mucous membrane, or promotes the discharge of secreted matter. 2nd. An **ALTERATIVE**, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd. A **TONIC**, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body! A **CATHARTIC**, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.  
**TO FEMALES.**  
 You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side, back, &c.
