NOTICE.
THE printing of the Treatise on the Cultivation of the Grape Vine, &c., by J. The pamphlet will certainly be ready for sale, by the latter part of next week, in time to make wine by the directions it gives. When I advertised the price at which I expected to be able to sell the pamphlet, I was not advised of its exact cost, and have trebled without the least, it being one third greater than the first estimate; and must therefore, to save me from loss, add it to the price. See Advertisement.
