A Broom FOR THE BLOOD

is as necessary as a broom for the house. For in the blood accumulate the germs of disease which, if not swept away, become manifest in boils, blotches, sores, ulcers, eruptions, eczema, tetter, and like diseases, that flay the flesh and scar the skin.

AYER'S Sarsaparilla

MAKES A CLEAN SWEEP

of all diseases that begin in the blood. What other medicines drive in, Ayer's Sarsaparilla drives out. Where other medicines make a surface show of health by cleansing the skin, Ayer's Sarsaparilla lays the foundation of health by cleansing the blood. It is conceded that

OF ALL DISEASES

the larger portion have their origin in impure blood. Cleanse the blood and you cleanse the skin. Foul blood cannot make a fair body. The shortest way to a sound body, a clear complexion, and a vigorous life, is to purify the blood with Ayer's Sarsaparilla.

"I can truly say that Ayer's Sarsaparilla saved my life after doctoring for years for blood poisoning. Not one bit of help in any way, shape, or manner did I receive before, by advice of a friend, I took Ayer's Sarsaparilla. It made me a new man, and completely cured me."
HARRY L. BROWN, 21 Hanover St., Manchester, N. H.

"Last year I was badly troubled with boils which I could not get rid of, until I procured Ayer's Sarsaparilla. Two bottles relieved me of my tormentors, and they have never made their appearance since."
B. B. BRADLEY, Danburgh, Ga.

"Five years ago my little boy became blind from the effects of scrofula. Our doctor failed to help him. We began the use of Ayer's Sarsaparilla and two bottles cured him."
C. C. GOFETT, Cades, Ky.

"After six years' suffering from blood poisoning, I began taking Ayer's Sarsaparilla, and although I have used only three bottles of this great medicine, the sores have nearly all disappeared."
A. A. MANNING, Houston, Tex.

"I was afflicted with catarrh for a number of years, none of the doctors being able to help me. When almost hopeless of cure, a friend advised me to try Ayer's Sarsaparilla, and after using only three bottles, the cure was effected, and to-day I am perfectly healthy."
JOSEPH MURPHY, 173 Mulberry St., Newark, N. J.
