**Our Circulation.**

Printers' Ink (New York): The Little Falls, Minn., Herald is credited with the largest circulation accorded to any paper in Little Falls or in Morrison county.

In the laws of 1897 there is a chapter entitled "an act to prevent persons from requesting or soliciting the placing of the name of anybody on any jury list." The act was passed at the last session of the legislature and in substance says that it shall be unlawful for any person to directly or indirectly solicit any officer charged with the preparing of any jury list to place any name on the jury list and that it shall be unlawful for any officer charged with preparing the jury list to place thereon the name of anybody at any person's solicitation or request. It is provided that any person whose name is placed on the list in violation of the act shall be disqualified for service and further there is a penalty of not more than \$100 fine nor less than \$10 fine or not more than 90 days nor less than 10 days in the county jail or both.

Hon. John Lind says in the New Ulm Review:

"Senator Ringdal is right when he says the coming state campaign should be fought out solely on state issues. He scores the present railway commission and declares that 'the record of this body is such that the railroad companies could well afford to pay all the expenses together with all the salaries of its members. It stands as a block to all remedial legislation, a fraud upon the people and a travesty upon the sovereign power of the state. Beyond the all important function of drawing a salary its members will not, or dare not, venture an opinion as to their own powers. To the people it turns a face of Pecksniffian hypocrisy, while to the corporations it winks the other eye. It has drawn pay for protecting medieval extortion and irresponsible and tyrannical discrimination long enough. It is time to consign this useless luxury to the limbo of exploded frauds and insist upon railroad legislation by legislative enactment. I believe it is high time that the anti-republican forces of the state take up this issue and that if they don't do it the people will soon rise in their sovereign capacity and act independent of all recognized parties."

A rate of one and one-third fare has been secured on all railroads leading into Minneapolis from all points in Minnesota, Iowa, Wisconsin and in North and South Dakota, for the great People's Party mass meeting and banquet, to be held on Feb. 16, 1898. A full fare ticket to Minneapolis must be bought at place of starting and a certificate secured from the ticket agent. All certificates must be delivered to Secretary L. M. Ayer at the Windsor Hotel on the 16th and will be signed and distributed on same day provided 100 certificates are presented on that day. The certificates must then be presented within three days to ticket agents in Minneapolis when return tickets will be sold for one-third fare.

Tickets for the banquet at Harmonia hall will be sold for \$1.00 and can be secured by writing to L. M. Ayer, secretary, 424 Boston block, Minneapolis, Minn. Tickets to be sent by mail must be ordered on or before the 12th instant.

**JAILED AT LAST.**

**Geo. Hanson Convicted of Bigamy.**

A telegram to the St. Paul Dispatch from Rolla, N. D., gives the result of the trial of Geo. Hanson, formerly of Little Falls, for bigamy, as follows:

Rolla, N. D., Feb. 2.—Judge Morgan came up from Devil's Lake last night and sentenced George H. May to the penitentiary for three years and three months for bigamy. May pleaded guilty. He is known to have been married four times and there is a record of only one divorce. He has assumed various names. He was married in Minnesota first as George Hanson; later married at Grand Forks as George Bondurant; then at Wahpeton as George Fisher, and finally at Rolla last October as George H. May. His last victim was Clara Lee, of Leeds. May was arrested by the sheriff of Rolette county in Montana, and brought back three weeks ago. He has lived in Rolla only a short time.

Hanson was an adopted son of Andrew Hanson, of Gravelville. He was first married in Little Falls in 1887 to a daughter of M. Christianson of Gravelville, and made other matrimonial ventures afterward, as the telegram relates.

**Cured at Last.**

The story of his complete and wonderful cure as described in his own words. "For the past ten years I have been troubled with severe pains in the stomach. At first the attacks occurred every two or three weeks, but the became more severe and I would often suffer two or three nights in succession, especially if overworked or become excited. I have been treated by several physicians for neuralgia, indigestion and dyspepsia, none of whom however succeeded in giving me any permanent relief. I had given up all hope of recovery. About this time Mr. Hollenbeck called on me and induced me to try Dr. Booth's German Herb Remedy. I have taken one bottle and am free to say that I believe I am cured. I have recommended it to many of my friends. I am glad of an opportunity to say a good word in behalf of this celebrated health-giving medicine.—WILLIAM MEYER, Rich Prairie, Minn.

**Motley.**

S. Sears has been on the sick list for the past week, but he is now able to be about again.

In our hurried writing-up of the fire last week, we omitted to mention the considerable loss of C. H. Hodge. Mr. Hodge is druggist and bookkeeper for I. A. Morrison, and is also justice of the peace and treasurer of the school board; for convenience he kept all these official records in the store office, and these as well as the books of school clerk Johnson were all destroyed. The safe, some office fixtures, a stock of school books and legal blanks, the property of Mr. Hodge, besides his personal books, in which were accounts amounting to \$600 or \$700 make Mr. Hodge's loss a severe one.

The band boys mourn the loss of a good horn and three uniforms since the fire.

F. A. Ballard, of Staples, was a Sunday visitor. Frank has a slight attack of western fever, but his friends assert that it will not last more than a few weeks.

San Francisco hatched up one of his epaulet roadsters and made a trip to Staples in "less than no time" last Saturday.

Mrs. I. A. Morrison came up from Minneapolis Thursday.

C. W. Johnson has moved into Owen Davis' house, next to the barber shop. John Jacobs has moved into the building south of Mrs. McGrath's.

L. J. Cale, of Brainerd, was in the city Thursday to look over the ground on which his store building used to be. He stated that he was ready to put up a brick 80x40 feet with glass front and modern improvements, if Mrs. Morrison wanted it. The building to be ready for occupancy early in June. Present indications are that the building will be erected.

Mrs. Edith Tower visited friends in Philbrook last week.

Dan. Fisher's house, a few miles south from town caught fire Wednesday morning, and in putting the fire out John Robinson, Mr. Fisher's father-in-law, who is living in the house this winter, froze his hands and face quite severely. Quite a portion of the kitchen roof was burned before the flames could be subdued.

Roy Baker, the 15-year-old son of J. H. Baker, while getting in wood Sunday night, inflicted upon himself a very painful wound. He stepped upon a board through which there was a nail. The nail entered his foot and nearly passed through it.

The residence of H. B. Van Sickle a few miles north of town, burned to the ground Tuesday noon. Mr. Van Sickle and her three children were alone at the time. The fire was discovered in the roof by one of the children, and Mrs. V. tried hard to extinguish the flames, but when she found she could not do so, she removed nearly all the clothing and furniture. She then started with her children for one of the neighbors. In the meanwhile a man had noticed the flames and came to the rescue. When he reached the place he found the household effects on fire. He saved a sewing machine, a trunk and one or two other pieces. The loss is a severe one for Mr. Van Sickle. No insurance.

B. F. Cale came down from Ellis Sunday. He returned Tuesday.

Mrs. Morrison will open up a new stock of goods right away. Druggist Hodge was busy Monday selecting the drugs and fixtures, and we understand a stock of groceries has been ordered.

Dr. Paquin has been quite sick for a week or more. Dr. McDowell, of Staples, was down Friday to see him.

Geo. Wolf came down from his camp for a day or two last week.

The quarterly meeting is in progress at the M. E. Church.

The captain of the Staples Salvation Army will preach at the M. E. church here tomorrow evening.

W. H. Benson made a business visit to Brainerd Friday.

A little seven-months-old child of Mr. Hooser is quite sick with erysipelas.

Little Walter, son of Ole Torgerson, has been quite sick for a few days, but he is better at present.

J. S. Campbell ran down from Aitkin Wednesday to see how the town looked after the fire.

Irma Weston, a Cass county school-ma'am, is quite ill, and for the past few days has been unable to teach.

Lonis Thorsett, who lives near Ellis, also lost his residence and its contents last Thursday. The building was a new one. It is reported that nearly a hundred dollars in currency was also burned with the furniture. No insurance.
