Getting Thin

is all right, if you are too fat; and all wrong, if too thin already.

Fat, enough for your habit, is healthy; a little more, or less, is no great harm. Too fat, consult a doctor; too thin, persistently thin, no matter what cause, take Scott's Emulsion of Cod Liver Oil.

There are many causes of getting too thin; they all come under these two heads: over-work and under-digestion.

Stop over-work, if you can; but, whether you can or not, Scott's Emulsion of Cod Oil, to balance yourself.

You can't live by it, you however;
