Three misunderstandings—F. L. McGhee of St. Paul didn't arrive in time to give the oration on the Fourth. He got here at noon. In the evening Mr. McGhee began his oration, but hardly got started before the rain dispersed the crowd.

Staples World: P. W. Thompson and family went to Little Falls Saturday, where they will hereafter reside. Mr. Thompson has secured steady employment at good wages in a paint shop at that place and his son Clarence has also secured work.

Nashua (Ia.) Reporter; Mrs. M. Schlax, of Little Falls, Minn., arrived in Nashua, Friday, for a short visit with old neighbors and friends. She had been to Dubuque to see her sister, Miss Emma Reichert, who has just been invested as a sister in St. Francis convent in that city.

Gentry Bros.' Famous Shows United.

The consolidating of Gentry Bros. Famous Trained Animal Shows, which have long been the most popular tamed exhibitions in the world, makes an important union of excellent performances by combining what have heretofore traveled separately. The exhibition is fully twice its former size; in addition to the augmented professional displays, the performance this season requires double the space and time that it formerly did.

The famous shows united will exhibit here Thursday, July 17 at 2:30 and 8:00 p. m. East side Broadway near bridge.

City Council.

The council met in regular session Monday evening, all present.

The rock crusher bill was settled at \$1075 05 Jas. Dowdy, representative of the Austin company of Harvey, Ill., which sold the crusher, presented a bill for \$1087.05, but deducted the express and drayage on some of the repairs the city ordered, also did not charge for some additional parts which the city has on hand. The settlement is regarded as a fair one.

Engineer Cappellen presented the third estimate for work done by Meusker & Harrison on the new wagon bridge. The total for pier No. 2 is \$2819, and on pier No. 3, \$3070 52. The amount allowed on the third estimate is \$3608.65.

In accordance with a message of the mayor, an ordinance was passed ordering that shade trees be trimmed at the height of eight feet over sidewalks, with not to exceed a fine of \$10 or ten days imprisonment, as penalty. The message is as follows: TO THE COUNCIL:

I wish to direct the attention of the council to the advisability of passing an ordinance covering the trimming of shade trees.

In several parts of the city, the lower branches of the trees project over the sidewalk at such a height as to interfere greatly with pedestrians. After rain these branches are saturated with moisture, making it very unpleasant for passers by. Chapter 57 of the ordinances of the city covers the matter of planting of trees, with penalties for mutilation. Either that chapter should be amended or a new ordinance passed to cover the matter of trimming, prescribing rules and making it compulsory.

CHAS. E. VASALY, Mayor.

John Stroman, who is building a telephone line from Swanville through Elmdale, Swan River and Pike Creek to this city, asked for \$100 to assist in building the line, the city to receive coupon books to the amount given. The line will later be extended to Alosany. The matter went over to the next meeting. Mr. Straman has been to great expense in putting in the line which will be a great convenience, and it is very likely he will be given aid.

An ordinance was passed authorizing the mayor to appoint six extra police, five to serve without pay, and one to be stationed at Broadway crossing and receive \$10 per month. This last one is in accordance with an agreement between the city and the railroad company. The other special officers are watchmen in the manufacturing plants.

Chief Emders appointment of assistant fire chiefs was confirmed. They are P. J. Vasaly, Wm. Haverty, S. Trebby and N. H. Elvig.

License to sell liquors was granted to C. E. Carlson, N. Richardson and H. A. Rider sureties.

The reorganized city band, under Prof. Folsom, won general praise by its playing on the Fourth. It is to be hoped that the plans to make it a permanent organization will be successful.

J. F. McNally and Otto Robie have put in a cement sidewalk for S. Trebby, in front of Mr. Trebby's Broadway property. The walk was made different than usual, as Mr. Trebby wanted a rough finish, on the theory that it wears better and would be more serviceable.

Resolution.

Headquarters Workman Post No. 81, Department of Minnesota, G. A. R. Whereas the sons and daughters of the old soldiers of Little Falls have presented to Workman Post G. A. R. a beautiful flag—the symbol which guided us in many a battle and the emblem of freedom to all mankind. Therefore, be the thanks of this post extended to the young people for their magnificent gift, for we prize it above any other possible remembrance.

C. A. RAMSDILL, Adj't.

H. C. BURKIKK, Post Com.

The committee which secured the flag for the old soldiers was composed of Misses Cora Housom and Lillie Burrall and John Canfield. As an appreciation of the work of committee the veterans presented Misses Housom and Burrall each with a beautiful neck chain and locket, and gave Mr. Canfield a handsome watch charm.

CARD OF THANKS.

The committee in charge of the flag presentation wish to give public expression of their thanks for the beautiful gift given them by the old soldiers.

CORA HOUSOM,
LILLIE BURRALL,
JOHN CANFIELD.

Died

Mrs. Albert Andrews died at the hospital Sunday afternoon at 1 o'clock, aged 51 years. Mrs. Andrews had been ill for some time, but only recently did the dread nature of the disease—an internal cancer—show itself. She was operated on as a last resort, by Dr. Dunsmoor of Minneapolis, but all that medical skill could do was of no avail.

Mrs. Andrews was a Miss St. Pierre. She was a native of Maskinonge, Quebec, and was married to Mr. Andrews at Three Rivers, Quebec, in 1874. Of five children born to them, two survive, Jeannette and Yvonne. Mr. Andrews is the engineer at the planing mill.

The funeral took place from the church of St. Francis Xavier Tuesday morning, Father Lamothe conducting, and the remains were laid to rest in the Catholic cemetery.

The family have the deep sympathy of all who knew Mrs. Andrews.

Peter Schaedler, one of the old settlers of Two Rivers, died at his home in that town Thursday last week, aged 72 years. He was a blacksmith by trade, and had lived twenty-five years in the town. He leaves a wife and family.

Pillager Post, July 4: Mrs. J. B. Ward of Rail Prairie died last night of pneumonia. Her daughter, Mrs. Elizabeth Hill, is expected over from Moose Lake today. Arrangements for the funeral have not yet been announced.

The infant son of Mr. and Mrs. S. C. Cochran of Randall, died at the home of Mrs. C. Camp Sunday. The funeral was held at Randall Monday.

THREE NEW TOWNS

Commissioners Create Granite, Hillman and Crow Wing.

The board of county commissioners met in special session Monday morning, all present—Chairman Groes, Commissioners Lakin, Sullivan, Jacobson and Tedford.

Hearing on petition for new school district in Cushing, was continued to June 14th.

Petitions granted—Isalah Raymond, to be set off from District 105, to District 54; Hans Nelson, from 47 to 70; petition for alteration of District 57; W. H. Remick and others, for new district in Bellevue; Hokan Olson and others, for new district in Elmdale.

A resolution was passed proving that the treasurer of Pierz town pay to the treasurer of the two new towns of Granite and Hillman, both set off from Pierz, \$50 to each town.

The petition of John E. Nelson, to be set off from District 71, was rejected.

The auditor was authorized to draw \$2500 in favor of the city treasurer of Little Falls, being first installment of the amount of \$6500 appropriated for purchase of old wagon bridge.

Mrs. E. S. Smith was granted an abatement of taxes,

Commissioner Groes and Lakin were appointed to look into the matter of the main road from Little Falls to Royalton, complaint having been made that an attempt has been made to close it.

Bills allowed—F. H. Lakin, \$11.20; R. Tedford, \$5.60; J. J. Jacobson \$12; E. W. Sullivan, \$7.20.

The board granted three petitions for new towns. The town of Crow Wing was formed out of township 133 of range 30 and township 133 of range 29, being the eastern part of the town of Motley. The first town meeting will be held July 22d, from 9 a. m. to 5 p. m. at the house of P. O. Nylander, to elect town officers.

The reasons for the divisions are that the town was too large and that it was inconvenient for many citizens to do town business.

The town of Granite was formed out of township 41 of range 28, part of Pierz town, and the first town meeting will be held July 22d at the house of P. J. Gau. This is a well settled town.

The town of Hillman was formed out of township 40 of range 29, a part of Pierz town, and the first town meeting will be held at the house of Peter Theis July 22d. The petitioners gave as a reason that they were separated by rivers and

marshes from the other part of Pierz. There was a petition against the formation, on the ground that the new town would be too sparsely settled. The board, however, granted the petition for the new town.

The formation of Granite and Hillman reduced the town of Pierz, formerly the largest in the county, to one township.

In the Fourth of July sports S. Greengard won the standing high jump, S. Fortier second. Dell Batters got first in the sack race, and Nell Suttill second. Peter Houde and Vincent Dunn were first and second in the boys' running race, while Alex Johnson and D. Mathews got first and second in the running high jump. B. Brown got the men's foot race, and John Raymond the standing broad jump. E. L. Fortier won the running broad jump and Walter Anderson the pole vault.
