### WORKMEN AND WOODMEN.

#### CHANGES IN BENEFICIARY ASSESSMENTS.

At the meeting of the supreme lodge of the Ancient Order of United Workmen at St. Paul last week a new plan was adopted to take effect on Oct. 1. The law provides for a guaranty fund assessment (or a sum equal thereto in any other manner) upon each member as follows for the full rate for \$2,000. Between the ages 18 to 24, \$1.25 to 29, \$1.10; 30 to 34, \$1.30; 35 to 39, \$1.50; 40 to 44, \$1.80; 45 to 49, \$2.20; 50 to 54, \$3.55 and over, \$8.40.

At the meeting of the head camp of the Modern Woodmen of America at Indianapolis last week, what is known as the "Iowa plan" which is practically a compromise plan of assessments, was adopted. It is as follows: From 18 to 25 years, the rate will be 25 cents for \$500; 50 cents for \$1,000, \$1 for \$2,000; \$1.50 for \$3,000. Ages of 26 and 27 years, 30 cents, 55 cents, \$1.10 and \$1.65.

28 and 29 years, 30 cents, 60 cents, \$1.30 and \$1.90.

30 and 31 years, 35 cents, 65 cents, \$1.30 and \$1.95.

32 and 33 years, 35 cents, 70 cents, 1.40 and 2.10.

34 and 35 years, 40 cents, 75 cents, \$1.50 and \$2.25.

36 and 37 years, 40 cents, 80 cents, \$1.60 and \$2.40.

38 and 39 years, 45 cents, 85 cents, \$1.70 and \$2.55.

40 and 41 years, 45 cents, 90 cents, \$1.80 and \$2.70.

42 and 43 years, 50 cents, 95 cents, 1.90.

44 and 45 years, 50 cents, \$1 and \$2. No rates for \$3,000 after the age of 41 years.

There is yet considerable indefiniteness as to what these Workmen and Woodmen figures really mean, and until the official statements are received by local lodge officers, it will be wise not to rely on the new tables. It is impossible to say whether these figures apply to all members now in the orders, or to those who will enter in the future.

### BIDS WANTED.

The building committee of the Church of Our Saviour will receive up to July 1st 1903 bids for the construction of the stonework on the new church building. Plans and specifications can be seen at the office of the undersigned.

### NOT FAVORED BY MEN.

BLOCK SYSTEM TO BE INTRODUCED ON N. P. NOT LIKED.

Wadena Tribune: The operators and trainmen on this division of the Northern Pacific do not take kindly to the block system which is to be put in this summer and the operators are complaining because the system will put a great deal more work upon them. It is the prediction of the men that the system will not prove satisfactory here, and that with the long trains and heavy grades the immense traffic in the fall of the year cannot be handled nearly so expeditiously as under the present arrangements. Several operators have announced their desire to be transferred to some other division as soon as the block system is put into use here. Last week Supt. Sovereign and Chief Dispatcher Hackenberg of Staples returned from a tour of inspection on the Milwaukee and Omaha roads, where they went to get pointers on the block system. The Northern Pacific has definitely decided to inaugurate the plan between Staples and Fargo just as soon as the material can be secured.

### Married.

Miss Jenny Skoog and Carl Bolander were married at 8 o'clock Wednesday evening, June 24th, at the home of the bride's parents, Mr. and Mrs. Otto A. Skoog, six miles west of the city, by Rev. M. O. Stockland of the M. E. church. Only the immediate relatives were present.

The bride was attired in white organdie and carried white roses. She was attended by her sister, Miss Beesie Skoog, who was gowned in pale organdie and carried pink roses. Herman Flygare was best man. After the wedding a fine wedding supper was served, and the happy couple then drove to town and took possession of the beautiful new home on Second street west on the West side, just built under Mr. Bolander's supervision.

Mr. Bolander is one of the best known men in Little Falls, and is a genial, energetic, industrious and reliable man. He is engaged in the real estate and contracting business, in which he has been successful. Carl's friends are legion. Mrs. Bolander is a charming and accomplished lady who has been engaged in teaching school, and all who are acquainted with her are sure Mr. Bolander is a very fortunate man. Mr. and Mrs. Bolander have the hearty good will and sincerest anguries of many friends for a wedded life plentiful in happiness and prosperity.

Martin J. John and Miss Hedwig Artinowski were married at the Church of the Sacred Heart Tuesday morning, by Father Altendorf. After the ceremony a breakfast was served at the home of the bride's parents on the West side. The young people have begun housekeeping in the house corner Seventh and Broadway. ### PLEASED WITH THE CITY

Federation's Official Paper Speaks Highly of Little Falls.

Minnesota Union Advocate, St. Paul: Never in the history of the Minnesota State Federation of Labor have the delegates been received by a convention city with so hearty a welcome and in so grand a manner as at the twenty-first session at Little Falls.

The citizens of Little Falls certainly did themselves proud, and the delegates will have cause to long remember the beautiful little city and the royal welcome they received here.

Every delegate and every visitor in Little Falls during the convention will unite in saying that no community could have done more to show its appreciation of the convention. The city was decorated in a manner reflecting credit upon the artistic taste of its people and furnished to the delegates a pleasurable sight. With electric lights, ornamental arches and flags in numbers throughout the city, there was no doubt left of the liberality and of the enterprise of the business people of Little Falls.

Mankato Journal: Mankato delegates are back from Little Falls greatly pleased with the convention, the work done and the city of Little Falls.
