COMMENDS GOVERNOR DURBIN.

President Roosevelt Strongly Condemns Mob Violence.

Oyster Bay, N. Y., Aug. 10.—In a letter, the publication of which was authorized Sunday, President Roosevelt commends Governor Durbin of Indiana for the attitude he assumed recently respecting lynching. The president also embraces the opportunity to express his own views in reference to lynching and mob violence generally, pointing out that mob violence is merely one form of anarchy, and that anarchy is the forerunner of tyranny. The president vigorously urges that the penalty for crimes that induce a resort to lynching shall be applied swiftly and surely, but by due process of the courts, so that it may be demonstrated "that the law is adequate to deal with crime by freeing it from every vestige of technicality and delay."

After commending Governor Durbin for his course President Roosevelt says: "All honorable men must feel the gravest alarm over the growth of lynching in this country, especially over the peculiarly hideous form so often taken by mob violence when colored men are the victims, on which occasions the mob seems to lay most weight not on the crime, but on the color of the criminal."

SHORT OVER \$75,000.

Allen, sixty-one years of age, treasurer of the Preachers' Aid society of the New England conference of the Methodist Episcopal church for the past twelve years, is a self-confessed embezzler of the funds entrusted to him to the extent of over \$75,000. The funds of the society, which are for the aid of indigent Methodist clergymen and their families, is practically wiped out, but \$2,600 in stocks remaining in the safe deposit box hired by the society. Allen has been missing since last Saturday and it is believed he is in Canada.

The missing man is a brother-in-law of Benjamin Andrews, former president of Brown university. During the past twenty-nine years he has been clerk of the East Boston court and for sixteen years he was a member of the Boston school commission. He has lived in East Boston for more than forty years and no citizen of that section of the city bore a more respected name than did Allen.
