

MORRILL

Sept. 27—Potatoes are rotting. The corn crop is a little better than last year. Mrs. Kindred is dangerously ill. Dr. Seguin of Buckman is in attendance. The Dunkard people are at work on their new church building and expect to have it completed this fall. Elmer Cheeley was called to Illinois on account of the death of a sister. He has not yet returned. Earl Barton and Geo. Weigle came back from North Dakota. Curtis Mowan, who has been working in Foley for a while, was taken dangerously ill and was taken to the St. Cloud hospital. His parents visited him the past week. Lars Talberg, who lives in Mont Morris, was over in our town and took back a load of goods from Weigle's store. Rev. Geer who has been preaching in the Methodist church for a year, bid farewell to us today and will go elsewhere, and a Mr. Carter will take his place here. Mr. Carter comes from Anoka and is an Englishman. There is talk of building a parsonage for Mr. Carter, as he has a family. Thomas Carroll has been in our town for a week or more trying to get the farmers in a creamery. It is a pretty hard job to select a site which will please all, and Mr. Carroll will call a meeting of the farmers here in the month of October and see if those who want to patronize agree on the spot where it can be put. W. H. Chase has moved into his new house and is glad to leave the old log shanty which he has occupied so long. Mr. C. has a nice family of young folks and he and his wife are looking a little old and every body is glad to see them in a comfortable building. The Royalton Banner has at last got in a correspondent in Morrill, one who doubtless cannot cherish the belief that there is a "bum element in the town, but who will stand by our citizens who are trying to get how honest out of our midst. An effort will be made in Morrill, Lakin, and Mt. Morris to organize a political order in the near future. The object will be to try and get people to think a little along the lines which determine their welfare. Only those who disbelieve in imperialism and special privilege will be asked to donate for its support, but all are invited to attend the meetings and change ideas. Speaker of all beliefs will occasionally be asked to come out to Morrill and enlighten us, and point out the rocks towards which we are without a rudder drifting.

Ole Wahl was in the Falls on business Saturday. Somebody had the misfortune to puncture his foot with a rusty nail last week. We are making a great noise about stealing land from the Indians, just now. Perhaps it is because we do it by retail nowadays. While it is a great convenience to have the butcher kill and dress the meats needed on the farm, it is still poor economy for the farmers to sell to the butcher at wholesale prices and buy his meat back at retail prices. The almost lost art of corning and drying beef, of preparing sausage, all pork, smoked hams and bacon, should be revived at every farmhouse. No packing house product compares in quality with the old fashion home cured meats. We would not wish to bring back the old "hog killing time" because that is far better done by others, but the care of meat and its preservation for future use should be one of the farm economies. How good is it for us to know that Minnesota has the largest horticulture society in the country. We ought to raise good apples. Christening was celebrated at the home of Mr and Mrs John Cieminski Sunday. Pike Creek liveryman was out Saturday. Joe Borosch is one of the petit jurors this week. J. Pilaraki went to town with a big load of cabbage Friday.

8 Cents Eight cents a pound is what a young woman paid for twelve pounds of flesh. She was thin and weak and paid one dollar for a bottle of Scott's Emulsion, and by taking regular doses had gained twelve pounds in weight before the bottle was finished. Eight cents a pound is cheap for such valuable material. Some pay more, some less, some get nothing for their money. You get your money's worth when you buy Scott's Emulsion. We will send you a little free.

Turk & Hohn's saloon was broken into last Saturday night by amateurs. Entrance was effected by breaking in one of the back windows. The handles were broken off the safe by tools obtained from the hand car house, and an attempt made to blow up the safe by a charge of powder. The first attempt was a failure, and the persons were evidently frightened away before the second charge was lighted. They broke open the slot machine and obtained a few nickels.

PIERZ

Oct. 1.—C. F. Taylor and A. Wright have rented the Anton Williams farm in the southern part of the town. Mrs. Peter Faust, well known here, died at her home at Parkston, S. D. Thursday afternoon, after an operation which was performed on her the same day. A. E. Macho, Jos. He brought three four-horse loads here Saturday and on Monday he brought the two fly wheels from the engine with six horses. The Pierz Union and also the Little German band of Agram furnished the music at the dedication of the Buckman church Tuesday. A great feast was reported there. Miss Winkle of Swanville commenced teaching a five-months term of school in Dist. No. 98, Nick Lochner's, Monday. St. Rev. James Trobec, bishop of St. Cloud, confirmed a large class of about one hundred here Wednesday. The new engine and pump for the village waterworks arrived here and the firm Fairbanks, Morse & Co. of St. Paul, from whom it was purchased, have five men at work here placing the machinery in the engine house, which has been considerably enlarged. They expect to have it in running order by Saturday, when it will be given a test. The new engine is sixty horse, while the old engine which has been used heretofore is only twenty horse. Three farmers lost part of their grain by fire while threshing during the storm last Thursday and in each case the fire originated from the threshing engine. Hoffman & Wuelner had just begun to thresh a setting of four stacks of wheat for Arnold Vandenhuevel when one of the stacks caught fire and all four burned. Peter Tretter was threshing for Mr. Lueking that day and he had the misfortune to lose one stack of wheat in the same manner. Jos. Grittner of the southern part of our town lost two stacks of wheat. BUCKMAN

Sept. 304—Tuesday was the greatest day in Buckman's history. In spite of a very disagreeable and heavy wind, which stirred up the dust all day, several thousand people attended the dedicatory services of the new St. Michael's church. Bishop Trobec, assisted by about twenty-five priests, officiated. Father Richter of Melrose preached the sermon, which was a scholarly and interesting address. Visitors were present from all the neighboring parishes and many from Stearns and Benton counties. The bands of Buckman, Pierz and Agram rendered music throughout the day. In the old church the ladies of the parish served dinner, and for hours the hungry throngs filled the tables. The good things were plenty, however, and all were satisfied. Bishop Trobec and several of the clergy made short addresses, in all of which the good work of the people and their good pastor was highly commended. The visitors expressed great admiration at the sight of the immense edifice the people of Buckman have erected, a temple of God which will stand long after the builders have passed to their reward, and which will be a lasting monument to the faith and good will of the parish of Buckman, and the energy and persistence of their pastor. The day was a great one for Father Lange and his people. The earlier history of the settlement of the village and town of Buckman, is told by Frank Mischke, one of the leading merchants of the village. Mr. Mischke's father, Joseph Mischke, was the first person to settle in the town, going there in 1871. Mr. Mischke Sr. was born in Shidlow, Falkenberg, Prussia. He was married to Miss Mary Otrebma on September 15, 1861, and of that union there were born six children, Frank, John and Mary of whom are still living. The Mischkes came to United States soon after the Franco-Prussian war and settled on the present homestead in the town of Buckman. At that time there were no settlers between St. Cloud and the Mischke homestead, except the Rices of the present village of Rice. The family endured great hardships during the first few years they were in Buckman and for an entire year were unable to procure salt for any purpose. About three years after C. B. Buckman, now member of congress, settled on the present Brookdale farm. The church building, which is replaced by the handsome edifice dedicated Tuesday, was built in 1880. The earlier history of the Buckman parish is not clear, as in the earlier years of life of the church the parish was organized as a mission and the records are vague. Rev. Ignatius O. S. B., who was in charge of the Pierz parish, first ministered to the Buckman organization and was succeeded by Rev. Pankratz O. S. B. who was followed by Rev. Mayrhofer, who remained eight years. Rev. Father Lager, since deceased, followed, remaining one year, Rev. John Beck was at the head of the parish two years and was succeeded by Rev. Father Lange, the present priest and builder of the new church. There are at present about one hundred and fifty families connected with the church, where only thirty-two members existed at the time the old church was built and the parish organized. Matthew Zemper, one of the directors of the church, was born on April 25th, in Luxemburg, and came to America with his parents in 1880, who settled in St. Wendell in Stearns county. Mr. Zemper worked on a farm and saved his money until he was able to purchase a farm of 200 acres in the town of Buckman where he now resides. He was married on November 28, 1882, to Miss Mary Maus of Luxemburg, Stearns county. John Kapsner, who is a member of

LEDOUX.

Oct. 1.—Miss Anna Kienow called on friends here last week. Miss Bena Vichorek returned to her home from Medora, N. D., Saturday. Miss Vichorek had been away a year and during that time visited many points of the extreme west. Ernest Hanson left for Casselton, N. D., Monday. Miss Della Wright spent Sunday and Saturday at her home at the Brickyard. John Janietz was a welcome guest at M. Vichorek's Monday. Kris Wagner, and Fred Sheedy, were callers at Ledoux Sunday. Mrs. Bonus of Aitkin is visiting her sister, Mrs. Richard Kay. What might have been a bad accident was only averted by chance at the home of M. Vichorek last week. While handling a Winchester shot gun, John Leschinski accidentally discharged it in the house. He had just turned it away from Mrs. Vichorek who was near him, towards the open door when it was discharged. This is "the third time such a thing," happened in that house. Mr. and Mrs. J. R. O'Donnell called on relatives in Elm Dale Sunday. A short time ago Wochowski's threshing machine fell through a bridge on the town line near Geo. Foltynski's. The town board met at that place Tuesday to see what can be done towards putting in a new bridge. They thought instead of putting in one near Bill Kay's, as they had half decided to do, it would be more necessary to put one in place of the broken one. They think "of getting a good steel bridge there. Jas. Jaros and J. N. Klinger of Little Falls called at the Old Maid's Home Sunday.

Nick Adams is putting in several cement crossings for the city. Dr. Mead and F. H. Hollister returned to Freeport, Ill., after a visit with C. H. Hollister of Randall.
