

A GREAT WORK

Went on Here Last Week.

The house was filled from One end to the other, the whole city was awake to the situation.

It was a carnival, but a carnival of high class merchandise, such as Little Falls never saw before. This store never had a bigger jam and never will have. It would be impossible for them to get on the inside, although we expect them to be standing on the outside with the inside full in the next few days, in fact we would like to have this store overrun each and every day of this

GREAT TRUSTEE SALE!

It commenced Saturday March 11, and winds up when everything is sold and nothing brighter under the canopy of heaven will ever visit your city than this great Trustee Sale of the

Decker Bros'. Clothing Stock

Little Falls, Minnesota.

We are the people who are behind the sale. It is coming to all the people's gain and not the very few. The farmer and the workingman have heard of it and they are sending word to their friends and neighbors for miles around. It is at a season of the year when they usually pay their 50 to 100 per cent profit to these mansion dwellers, but the Trustee Sale has come to their relief, while others say it is their loss.

THE PEOPLE GET THE BENEFIT

We cannot help what those war priced vets say, it is time on the other fellow, and it is time on ourselves. The sale has just got started, the crowds are surging to and fro. Not one item will be held in reserve and that kind, courteous treatment that you received last week will be repeated here each and every day, only we are trying to do better. We are bidding you welcome under the roof where this great Trustee Sale is in full blast.

SHOES! SHOES!

We are still talking shoes, we are piling out shoes, we are putting more of them in boxes, bins and convenient places for you to look them over, where you can examine each and every pair. You will see that stamp here on them made by honest hands, and we believe we are telling the truth, when we say to you that there is no other shoe like ours in Little Falls.

MEN'S DRESS SHIRT COUNTER

Did you see the crowds that gathered around our dress shirt counter looking over the latest patterns, the latest designs, and see them buying right and left on all sides. Everybody was picking out patterns, they were wrapping them up like chain lightning, what was the cause of it? It was simply buying dress shirts and work shirts at half what the other fellows sell them at. The \$1 and \$1.50 goods go for less money

than they ever saw them sold for and the 50c and 75c kind went out like lightning, cheaper than dirt. We believe you will be down and look over some of the bargains.

THE WAY THEY TOOK CLOTHING

out of here the last few days was the wonder of the age. The cheap shoddy clothing cuts no ice now as people can buy clothing here that is new and up-to-date at about the price the other fellow would charge you for what he has been carrying for the past 3 to 25 years. We have got thousands of dollars worth of it and it is going out to the people at the most ruinous prices ever placed on fine goods in this city. If you want a single item in the clothing line remember that you must be here at this big sale to get it as such an opportunity was never before offered you in your life. It is a fact in cold print, why not wake up, take your medicine and buy yourself that new suit and overcoat that you have been promising yourself for so long. Remember we carried the finest line of clothing ever brought to Little Falls.

OVERALLS, WORK SHIRTS AND JUMPERS

Everything in that line is nearly cut in two—that is, the prices, not the goods cut in two. Did you see the crowds gather around our **Hat and Cap Department**, looking over the latest designs and styles, where nothing but fashions' latest is shown and see them buying right and left on all sides. Everybody was picking out hats for spring wear. What was the cause of it? It was simply Jones paying the freight and the people getting the benefit. If you want a single item in the clothing line remember you must be here to this great Trustee Sale to get it.

NECKWEAR AND GLOVES

Of all kinds and shapes, the latest you will find on our counters.
