'LEMONADE BILL'

Again Languishes in the Morrison County Bastille

The general store of P. H. Hartman of Piers was broken into about 2 o'clock Thursday morning and \$4,000 in notes, several other valuable papers and about \$13 in money as extracted from the safe, which was left unlocked. The burglars made entrance to the store by forcing the door with a chisel. "Lemonade Bill" and another fellow who had been around that neighborhood working with a threshing crew, are the ones suspected of doing the job. "Lemonade Bill" was taken in custody this morning although he had none of the goods on him, and is now in the county jail and the deputy sheriff started out this afternoon to apprehend the other fellow thought to be mixed up in the affair.

The notes and papers are of no value to the thieves but are very much so to Mr. Hartman, as he has no record of the notes whatever. They have not discovered anything else missing as yet.

From all reports it looks bad for the two men as they were in a neighboring blacksmith shop, which was working all night on a threshing machine, about one o'clock, a short time previous to the time the store was entered.

COUNTY SUPERINTENDENT'S REPORT.

The county superintendent's annual statistical report for the year ending July 31, 1905, shows 1868 pupils entitled to apportionment in independent and special districts, and 3985 pupils entitled to apportionment in common school districts, making a total for the county \$890. On the basis of this number of pupils the October and March apportionments will be made.

The county commissioners will meet in regular session Monday.

At the meeting of the council last Friday night a committee of four, consisting of Mayor Vassaly, President of the council Kiewel, City Clerk Cary and City Attorney Trettel were appointed a committee to look into the Salden building proposition, which is below grade, and see if the city is responsible for the position the building is now in. If it is found the city is responsible a compromise will likely be affected.

Harry McMasters, with McMasters & Son, grocers, met with a painful accident Tuesday afternoon which will probably cost him the end of the thumb of his right hand. While about to cut a piece of cheese, he raised the lever of the cheese cutter with his left hand, and while drawing the cheese under the knife with the other hand, slipped and cut off the end of his thumb above the finger nail and also cutting the flesh from the left side of his index finger to the bone. The part of the thumb cut off was sewed back on, but there is small hopes of having it, which will no doubt necessitate the thumb being amputated at the first joint. Dr. Roberts dressed the wound. The young man will be laid up for some time.

VAN BUSKIRK'S TESTIMONY

FORMER LITTLE FALLS MAN TESTIFIES IN BENNINGTON INQUIRY.

Mare Island, Cal., Sept. 21.—The court martial for the trial of Commander Lucien Young of the gunboat Bennington resumed yesterday, developed nothing important up to recess, and much of the testimony was ruled out.

Charles Van Buskirk, a fireman of the first class, in charge of the Bennington's steam launch was asked as to having prepared the safety valves. If the boiler C blew off on the way from Honolulu to San Diego. At the time of the disastrous explosion he was on the starboard and did not hear the safety valve blow off. He had never heard boiler B's safety valve blow off.

He said the safety valves failed to lift. He never saw hand gear used on this deck, it not being connected for use, and an attempt to raise it below was useless. There was no routine ordering the valves to be moved each week. He never saw any inspection by Commander Young.

The fire had made good headway by the time the department arrived and the building is badly damaged. The household goods are pretty much a total loss. Part of the house was occupied by Mrs. Lou Bobbers, a daughter of Mr. Lilje's. The cause of the fire is hard to locate as it seemed to be in two parts of the house, although it may have crept through the partition or attic. There was \$1,000 insurance on the building and \$500 on the household goods.

The Transcript Publishing Company will soon move its office and printing plant to the building now occupied by Panteke & John, this firm moving into the store to be vacated by the Golden Rule, who will move into the opera house building now being remodelled for them. DIED.

Marvin Searle, for many years a teamster for the Pine Tree company, fell dead about 6 o'clock Monday morning while harnessing a team at the company's barn, of heart disease.

Other teamsters in the barn hearing him fall, investigated and found Mr. Searle beyond relief. The deputy coroner was called, but it was plainly seen that the death was natural and an autopsy deemed unnecessary.

Mr. Searle was a very quiet old gentleman, not ever having much to say, and the men he worked with knew nothing of his ailment.

Ambrose Searle, of Augusta, Wis., a brother of the deceased, arrived Tuesday and accompanied the remains to that place for interment Tuesday night.

The little child of Mr. and Mrs. Chas. R. Notton, aged 3 years old, died Monday morning of typhoid fever. The funeral was held from the Methodist Episcopal church Tuesday afternoon at 9 o'clock and the remains were laid to rest in Oakland cemetery.

MARRIED.

At the church of St. Mary's of the Lake, White Bear, at 9:30 Tuesday morning, Sept. 26th, was solemnized the nuptials of Mayor Chas. E. Vassaly of this city and Miss Laura Frances Costner of White Bear, the Rev. Father Genis officiating. Miss Bertha Costner, sister of the bride, was bridesmaid and Stephen C. Vassaly, attended the groom.

The bride was attired in a dark blue traveling gown of taffeta and carried gray tulle. The bridesmaid wore gray tulle and carried white roses. Miss Clara McCauley of St. Paul in a rich soprano rendered "Because," "Beloved, It is Morn," and "Matiata" during the ceremony which was most exquisite.

Miss Roxana Hardy presided at the organ. After the ceremony the wedding party repaired to the home of the bride's brother, M. W. Costner, where a bounteous wedding breakfast was served.

Only immediate friends and relatives of the contracting parties were present. Those attending from this city were Mrs. G. M. A. Fortier, Miss Beatrice Vassaly, Mr. and Mrs. P. J. Vassaly, Stephen C. Spirit and Louis Vassaly and Val. E. Kasparek.

In speaking of the good qualities of the groom, who is the editor of The Herald, we must say, as we personally know, that they are many, and that his many friends share with us in the same opinion.

Mrs. Vassaly formerly taught in the Columbia school in this city. She is an accomplished young lady of charming personality, and the mayor has truly won a prize. The best wishes of their multitude of friends are theirs.

Journal-Press: Mayor Chas. E. Vassaly of Little Falls became a Benedict today when at White Bear Miss Laura Costner became his bride. Mayor Vassaly had long been regarded as a confirmed bachelor, and the report of his marriage was somewhat of a surprise to his St. Cloud friends until it was learned that the bride is a former resident of this city. Then the mayor's fall from established ideas was explained. Mrs. Vassaly is a charming young woman, a graduate of the St. Cloud normal school and later a teacher in the Little Falls schools. She is a sister of M. W. Costner, veteran traveling salesman who made St. Cloud his home for a number of years but now a resident of White Bear. The Journal-Press extends its fraternal congratulations and best wishes to Mayor and Mrs. Vassaly.

St. Cloud Journal-Press 22: One of the prettiest weddings that was ever solemnized at Albany was that of Sylvester W. Macho and Sophia Irene Christen at the Seven Dolors' church Tuesday morning at 9 o'clock. Rev. Father Andrew officiated. Mendelsohn's wedding march was played by the Albany orchestra. The bride wore an elaborate gown of white silk net over white tulle with veil and carried a shower bouquet of bridal roses. She was attended by her sisters, Misses Katherine and Clarice. The former wore a dainty silk crepe organza and carried white carnations. The latter wore white muslin de sole and carried pink carnations. Little Miss Ether Christen, cousin of the bride, acted as flower girl and carried a basket of sweet peas.

Master Walter Wimmer served as page. He carried the wedding ring on a heart-shaped cushion. The groom was attended by Henry Richard of Little Falls and Thomas Schaefer of Albany, intimate friends of the groom.

A sumptuous wedding breakfast was served at the home of the bride's parents. The prettiest feature was the wedding procession, which was led by Miss Kathryn Christen, followed by the bridesmaid and groomsmen, Miss Clarice Christen and Mrs. Schaefer. Then followed the bride with the flower girl and page at her side, while the groom walked with Mr. Richard, his best man. The happy couple left on the afternoon train. They will take a trip over the Great Lakes to spend their honeymoon. They will make their home at Spooner, Wis., where the groom is proprietor of the leading drug store. They will be at home after Oct. 1st.

Mr. Macho is well known in Little Falls, where he was employed for several years at the Pioneer drug store. He is a young man of good habits, steady and faithful, and respected by all. Mrs. Macho has visited here. She is in all respects an exemplary young lady. The young couple have the best wishes of many friends here.

Mr. Lemieux was formerly of this city but is now located in Superior where he is in the coffee and tea business. The bride is well known and very popular among her many friends. After a wedding trip to Seattle and other western points, they will be at home at 2908, Tower avenue, Superior.

MORRISON CO. LANDS ADVANCE

NEWSPAPER REPORTS OF IRON ORE EXCITE FARMERS AND THEY ASK FANCY PRICES.

Journal-Press: St. Cloud men who have been purchasing lands in Morrison county, declare that recent newspaper articles have so excited the owners of lands in that county that prices have gone skyward. D. H. Freeman of this city picked up a number of tracts at fairly reasonable price; and other St. Cloud men risked their money on faith that Morrison county was good for something which they do not detail to the public. Now it is said that newspaper reports that the lands were bought in the belief that iron exists in the northwestern part of the county have served to boost the price; nothing less than \$100 an acre will be considered by their farmer owners. One St. Cloud man who has invested quite heavily in Morrison county lands said today that he had concluded his purchases, prices now asked being prohibitive of further purchase.
