## STREET FAIR COMING

### Big Doings--Don't Forget the Date--Bring in Your Products

The arrangements are being completed for the holding of the big street fair in Little Falls on Thursday, Friday and Saturday, September 26, 27, and 28th, and the event promises to eclipse anything of the kind ever held in this part of the state.

Secretary Hunter is busy soliciting the merchants for the merchandise prizes to be offered for the various products, in addition to the cash prizes which will be offered.

Farmers pick out your finest fruit and vegetables and best quality grain, and sleekest cattle and horses, and fatest hogs, not only to strive for the prize to be offered, but to show your farmer brother from other parts of the county, the fine quality of stuff you raise. It will be of value to you to know what the other fellow is doing and how he does it. These meetings, if only to talk over matters pertaining to your work, is in itself worth your presence at the fair.

But outside of these things Little Falls will entertain you with music, entertainments, balloon ascensions that are guaranteed to ascend, speaking by men of note, sports and pastimes.

Lay aside your business cares for a short time and bring in your wife and family to see the doings, but don't forget to bring in your products for exhibition.

Premium lists with the cash and merchandise prizes will soon be ready for distribution. The merchandise gifts have as yet not been fully made up and divided up into the different prizes, but we publish this week a partial list of the products for which the merchants will give premiums.

## PETER GARNEY ON ROAD TO RECOVERY.

Peter Garney is well on the road to recovery. A letter from Mrs. Garney states that this week he has been able to sit up in bed and that his complete recovery is assured. The paralysis, which had affected his left leg, since the accident, has left it and he is able to move the limb about at will again. He will not be removed to this city for a few weeks yet, however.

## TOMELY STORE BANKRUPT.

Mary E. Tomely has been adjudicated a bankrupt, and the store known as the Tomely Store, which has been running in charge of P. J. Tomely, was closed Tuesday afternoon. It is now in charge of G. Sommers & Co., but will be placed in the hands of a receiver as soon as one is appointed, to dispose of the property to satisfy the claims against it. The creditors will hold a meeting in Duluth Sept. 23, to appoint a receiver and otherwise attend to their claims.

## VASALY IS CHAIRMAN OF THE COMMITTEE ON PUBLIC SERVICE CORPORATIONS.

The announcement of committees of the state board of equalization which is a session at the state capital has been made. C. E. Vasaly, representing this district, is chairman of the committee on public service corporations, and also a member of the committee on eating houses.

## WORK OF SNEAK THIEF.

Early Monday morning a thief sneaked into the bedroom of Mrs. Rose Miller, of the Miller restaurant on Broadway, and made away with a ladies gold chain and a gold brooch set with pearls and opals. Mrs. Miller suspects the guilty party to be a stranger who stopped over night at the place for lodging. The man as yet has not been located, and no doubt by this time is out of harm's way.

## WILL PROBABLY LOSE AN EYE.

Delphie Robelean and uncle, O. Robelean, of Belle Prairie, returned Monday night from Lake Elmo. O. Robelean had his left eye injured about a month ago by being struck with a piece of brush, after which an abscess formed and Mr. Robelean received very little encouragement as to the saving of the eye, and the probability is that the sight of this eye will be lost.

A social dance will be given in the Odd Fellows hall by the Degree of Pashontas next Wednesday evening.

Miss Annie Rothwell has succeeded Miss Addie Stoll as bookkeeper for the St. Paul store, Miss Stoll having resigned to take up a similar one with the Hub Clothing Co.

There is also included in the book a complete list of the names of all those situated on the different rural routes of the county, which also number in the vicinity of 8,000. The price of the directory is \$2, and is so reasonable that one with any use for a book of this kind can not well dispense with it.

The Carnegie library will be open Sunday afternoon as a reading room from 2 to 6 o'clock beginning Sunday, Sept. 15.

## WHO SHOT THE BIRDS?

### The Case For Illegally Shooting Prairie Chickens Is Dismissed

The case of the State of Minnesota vs. Harney Burton and Chas. Young, Wm. Tonrillotte, complaining witnesses, for killing and having in their possession prairie chickens before the season opened was of very short duration the case being dismissed on motion of the county at orney.

A. M. Blarncord and F. W. Lyon, attorneys for the defendants, when the case was called, asked for a change of venue, later, after some discussion withdrawing the application, stating that the defendants were ready for trial. The county attorney then asked for a dismissal of the case, which the justice granted.

The case has created more or less argument as to the outcome, but it was the general opinion that the hunters would not be convicted of the offense with the evidence that was available.

The county attorney will not give out anything concerning the case, but it is surmised that it will come up again along different lines.

### WEST SIDE HARDWARE DEALERS DISSOLVE PARTNERSHIP.

The firm of Denis & Jetka, composed of M. Denis and Julius Jetka, dealers in hardware and groceries, whose establishment has been operated on the West side in the Zeman building for the past four years has been dissolved.

The stock will be divided, Mr. Jetka moving his half to the building opposite the Milwaukee meat market on the West side, formerly occupied by Warren Gibson. We understand that Mr. Jetka will handle only a line of hardware in his new location. The building is being fitted up with fixtures and the proprietor expects to be ready for business next Monday.

Mr. Denis, the remaining member of the old firm, will continue the business at the present location and will handle the same line of goods, that of hardware and groceries.

Messrs. Denis and Jetka, while in business here have made many friends, and no doubt, with the change, will do so well individually as otherwise.

### CLERK-CARRIER EXAMINATION.

A civil service examination will be held at the Central school building on September 28, for the examination of applicants for position as clerk-carriers. Blanks, instructions and information can be obtained from E. F. Brown at the postoffice, Little Falls.

Applicants will be examined in spelling, arithmetic, letter-writing, penmanship, copying from plain copy, U. S. geography and reading addresses. The age limit is between 18 and 45 years, except in cases where persons were honorably discharged from the military or naval service by reason of disability received or incurred while on duty.

Male applicants must not be less than five feet, four inches in height in bare feet, and 125 pounds in weight.

Applications must be filed with J. M. Schemaker, secretary, room 503, postoffice building, St. Paul, Minn., prior to the close of business on Sept. 25, 1907.

### SUPT. OF ROADS BUSY.

Superintendent of Roads and Construction Randall is already busying himself with his new work. Some have had an idea that the superintendent could order in new roads and repairs on his own initiative. This is a mistaken idea. The town or county in which a new road or improvement is to be ordered in new roads or improvements, but the work must be supervised by the town inspector, under the direction of the superintendent of roads. In the matter of state roads, however, the superintendent is granted a wider latitude.

Cong. C. A. Lindbergh spoke at Park Rapids Thursday.

Actual business methods taught from the start. Little Falls Business College.

John Hamlin left for Bemidji, where he will be employed some time at bricklaying.

Miss Stella Crombie was taken to St. Gabriel's hospital Wednesday, suffering from a bad attack of rheumatism.

Phil. S. Randall made a trip to Pillager Wednesday to look after the construction of a bridge across the Crow Wing river.

Miss Minnie Smith of the Water Power company offices left for Staples Wednesday for a visit. She is on a two weeks vacation.

The entire suite of offices in the Kiewel block has been rented to the Northwestern Milling Co. Cong. C. A. Lindbergh's office has been moved to the Buckman block.

The fixtures and hardware stock for the new hardware store which is to be opened up in the Kiewel block, is now being installed, and the store will be ready for business Oct. 1.

About fifty ladies were entertained Tuesday afternoon at the home of Mrs. M. V. Wetzel on Third street southeast. The afternoon was pleasantly spent at the game of Five-hundred. First prize was won by Mrs. A. L. Konchal, and second prize by Mrs. A. E. Herrick. Miss Florence Barnhardt was given a Teddy bear as consolation prize. At the close of the afternoon refreshments were served. Autumn leaves were used in the house decorations.

## ANNIE DIDN'T SHOW UP

### Morrison County Kidnapper Failed to Appear in Hennepin Co. Court

Minneapolis, Sept. 10: Mrs. Annie Jarmusek, the indicted kidnapper of the Gianque baby in Minneapolis last spring, did not appear in the Hennepin county district court Monday morning when the case against her was called. Her bail bond of \$1,500 signed by a St. Paul undertaker, was declared forfeited, and a bench warrant issued for the woman's arrest.

The authorities have known for some time that she was out of the city, but expected her to appear for trial.

### DIED

Herman Utseh received a telephone message from St. Paul Thursday morning announcing the death of Mrs. Utseh's brother, Jos. Michaud. Mr. Michaud was taken ill with a severe case of stomach trouble a week ago, from which he had been a sufferer for some years, while in Montana, and was later transferred to St. Paul and placed in the St. Joseph's hospital for treatment, where he succumbed to the disease Wednesday night. The deceased was about 39 years of age at the time of his death.

Mr. Michaud was engaged in the grocery business in this city with his father, A. Michaud, some years ago, occupying the store now run by Jos. Gerdron on Broadway. In the year 1899 he removed to St. Paul where he resided several years. He was of a jovial disposition and was held in high esteem by his old friends here.

The deceased is survived by a wife, a father, A. Michaud of St. Paul, one brother, Nestor Michaud of St. Paul, and three sisters, Miss Alice Michaud of St. Paul, Mrs. McCullum of Anconada, Montana, and Mrs. Herman Utseh of this city.

The remains were brought to this city Thursday evening on No. 9, and taken to the home of Herman Utseh on Seventh street southeast.

Funeral services will be held at the French Catholic church at 9 o'clock this morning and burial will be in Calvary cemetery.

Mrs. Anna Talberg, wife of Lars Talberg, of Mount Morris, died at her home in Mount Morris last Saturday morning. Mrs. Talberg was born in Ostra Fors, Malmsjo, Sweden, Feb. 2nd, 1827, and was thus at her death a little more than 80 years old. She was married at the age of twenty to the husband who survives her, and was the mother of 9 children, eight of whom are living. Their names are Jennie, Julia, Roy, Rudolph, Ruth, George, William and Baby Anna, who was born a few hours before her mother passed to the great beyond. The interment took place at Morrill cemetery last Sunday afternoon; strangers and friends all vied in paying the last respects to the memory of Mrs. Talberg and more than forty carriages made up the funeral cortege.

Mrs. Talberg was a noble woman. She was a true wife and a loving mother. During more than 20 years of married life, she was her husband's constant help and never did she shirk even the most unpleasant tasks. During adversity and the struggles always incident to pioneer life, she stood nobly by his side, always cheerful and full of hope. To know Mrs. Talberg was to respect her and admire her for her many womanly attributes. Her place cannot be filled. May the memory of her cheer her surviving husband and children and help them to travel the way alone without her who had loved them so well and so faithfully.

The Duluth News-Tribune has the following obituary notice of the death of John O. Milne, father of Rev. M. B. Milne of this city:

John O. Milne, another of the old civil war veterans has answered his last call passing away at his home, 1927 West Second street yesterday morning from the effects of a stroke of paralysis which he suffered Sunday afternoon. He was stricken similarly a year ago and had been an invalid ever since, although far from being helpless. He attended church as usual Sunday morning and did not complain. Suddenly he fell unconscious and remained in this state until death came at 7:30 yesterday morning.

Mr. Milne was 68 years old the first day of July. He was born at Focussed, Mass., and spent the greater part of his childhood in New York state, coming to Minnesota in 1837. When the war broke out he was far in the northern wilds of this state. Hearing of it from the driver of a stage coach one afternoon he put his camp in order, arranged his pack-sack and started on a tramp of nearly 200 miles to St. Paul.

He enlisted at Fort Snelling in the First Minnesota regiment, Company 1, and served until the first battle at Bull Run. In this engagement he was so severely wounded that he was left on the field but he revived. He was taken prisoner but was soon exchanged and sent to relatives in Massachusetts. He was married in 1838 to Miss Minnie Bronson, of Fall River, Mass. In 1870 he again returned to Minnesota settling in the northern part of the state coming to Duluth 17 years ago. He was a member of the senate for one term, representing the northern district and he was formerly a member of the board of education. He was prominent in Culver Post, G. A. R.

He is survived by his wife, one son and three daughters. The son is Rev. M. B. Milne, pastor of a church at Little Falls. The daughters are Miss Minnie Milne, Mrs. W. N. Hanna and

## A GOOD ATTENDANCE

### Normal School Course at High School Proves a Drawing Card

Many seniors, graduates of the schools, and undergraduates have registered for the normal course in the High school work, which has been thoroughly organized. The conditions for the obtaining of teacher's certificates, to those who complete the normal course in the High school, are such as to prove very appealing to the prospective teacher.

Upon the recommendation of the city school superintendent, the normal department teacher and the county superintendent students having completed a three years High school course, one year's work in the normal department and a review of the common school branches, without teaching experience, may receive a limited second grade certificate, valid for one year, upon passing the final examinations in the branches required for second grade certificates with a standing of not less than 80 per cent in each. Those with five months successful teaching experience may without examination receive a complete second grade common school certificate valid for two years, on the condition that it be attested by the superintendent under whose supervision the experience was had; and those having passed the examinations in elementary algebra, plane geometry, physics and physical geography general history, or furnishing state High school board certificates for the same with a standing of not less than 75 per cent, may receive a first grade common school certificate valid for five years, on the condition that they have had an eight months successful teaching experience and providing the superintendent under whom it was had attests the same.

F. E. CAWLEY LEAVES CITY. In the departure of Mr. and Mrs. F. E. Cawley Tuesday morning for Minneapolis the city loses another of its most public spirited citizens. Since they first came to this city, when Mr. Cawley bought the Riverside mill fourteen years ago, the Cawleys have been very prominent in the social and business life of this place, and will be very much missed. Mr. Cawley has shown his ability as a business man from the start. When he purchased the Riverside flour mill the business was a losing proposition, but after he got hold of it the business braced up and by his untiring work in the putting out good brands of flour and under his able management it was not long before the mill began to pay big and his brands found a very good market throughout northern Minnesota and eastern markets.

About a year ago he disposed of his interests in the Minnesota Mill Co., under which name the mill went during his management, to the Northwestern Milling Co., under which name it is now being run.

Mr. Cawley was an active member of the Commercial Club of this city, and his work in the different committees have proved of much benefit to the city. He was ever ready to help a good thing along for the public good.

Mr. Cawley has been offered the management of a mill in Faribault, which he may accept, although he will have his headquarters in Minneapolis.

The Cawley family will make their future home in Minneapolis, where Stanton, Charles and Robert had preceded Mr. and Mrs. F. E. Cawley. They have the good wishes of the community.

### WANT RADFORD PROSECUTED.

The relatives of M. Teonjon, who was shot by Marshal Radford at Freeport some time ago, are not satisfied with the coroner's jury verdict exonerating the marshal. They are anxious to have him tried for manslaughter.

Miss Lida Haverty was given a farewell party at her home Tuesday evening at which she was presented with a gold bracelet by her friends, who hold her in high esteem. Miss Haverty left Wednesday for Fergus Falls to take up the profession of a nurse at the hospital.

Mrs. J. H. Kiffin, who is a missionary in China.

Mrs. Mary Zahawa, a widow, after several months' illness died at the home of her daughter, Mrs. A. Blizetaki, in Berg's Addition, Thursday afternoon, Sep. 5th, of an advanced case of cancer. She had undergone an operation the latter part of June, but her case was too far advanced and she gradually failed to her death. The deceased was 58 years of age at the time of her death.

The funeral was held Saturday morning from the Polish Catholic church.

## CITY COUNCIL MEETING

### Special Session is Held--Much Business Comes Before City Dads

A special meeting of the city council was held Monday evening. Aldermen Lane, Bastien, Germain, Enks and Bolander being present, Alderman Bolander presided.

A petition was received from C. E. Buckman asking for a sidewalk to be built on lots 4, 5, and 6, block 43. Mr. Buckman wishes to build a sidewalk in front of his lots, 5 and 6 and with the additional sidewalks, asked to be put in, by Mr. Buckman, it would make a continuous walk in this block. The matter was referred to the board of public works.

John Vertin asked the council if they would not order the street graded at Second street southeast so as to prevent the standing of water. If the city will fill in the street along the property situated at the corner of Second street and First venue southeast, which Mr. Vertin has recently purchased, he will put in a cement sidewalk on the east side. If the council orders the filling put in Mr. Vertin states that he will not ask for a rebate on the building of the walk. The matter was referred to the street committee.

Geo. Emdor, for the street fair committee, appeared before the council again to see what they would do in the matter of hiring a band for the three days of the fair. Some of the council, thought that a band ought to be hired by the year, which service should be given on such occasions as the one in question. Mr. Emdor explained that the city had had disbanded on account of improper support, but that they could be gotten together for the street fair. It was finally agreed to hire the band for the three days of the fair, the sum of \$150 to be paid them for their services.

The bids of John Livo for interior and exterior work on the city hall, which was presented in two separate bids were accepted.

The matter of putting in a crossing at Seventh avenue northeast over the railroad tracks was again taken up at this meeting. City Attorney Vasily had looked the matter up and found that the title was vested in the railroad company but had written the company, enclosing a copy of the petition which had been presented to the council. In reply they stated that the city could put in the crossing, but would first wish their road inspector to look up the matter, as regard to a switching track.

As the poundmaster had left the city, Jos. Dinner was appointed to act in that capacity for the remainder of the year.

The street commissioner was ordered to put in eighteen street crossings, six in each ward.

Fedders' licenses came up for discussion. It seems that at the present time apples are being sold from a car on the tracks, the seller not being in possession of a license, which license is \$20 per day. The matter was referred to the police.

The matter of allowing the laying of sidewalks on the natural grade on First street southeast between Second and Fourth avenues was referred to the street committee.

T. C. Gordon, for the Water Power company, appeared before the council, in regard to a sidewalk which had been ordered in, and which was being built. He stated that if they would accept the amount that would be assessed, less the rebate, that it would be paid, thus eliminating the necessity of assessing the amount to the property. The offer of Mr. Gordon was accepted.

The street commissioner was instructed to ascertain the amount of rock which the Water Power company had purchased from the city.

A proposition for opening up Third street northwest was brought up by Alderman Bolander, but was put over until the next meeting, the street committee in the meantime to look into the matter.

A liquor license was granted Joe Smuda, with Albert Krons and Simon Wilenski as sureties.

The council will meet again on September 24.

### WON MORE PRIZES.

J. C. Highthouse of this city won first prizes on two varieties of tomatoes and first prizes on cabbage and Swiss chard, and Herman Buse of Two Rivers won first on millet, in the awarding of prizes at the state fair last week, besides the prizes mentioned in our last week's issue won by the above named gentlemen.

A. Michaud of St. Paul was called to Canada last week to attend the funeral of his mother.

President Roosevelt was given the second degree in the Order of Redmen at the Jamestown exposition September 12th.

Saloonkeepers and bartenders will be barred from membership in the Redmen lodge in the future, an amendment having been passed to this effect by the great council of the United States, Improved Order of Red Men at their sixtieth annual session at Norfolk, Va.

Miss Ida May Paulson of Minneapolis will organize a vocal class in this city again this year, and will be here Sept. 16 and 17 for that purpose. Since the dissolution of her class here last year she has been on a singing tour through the west. Miss Paulson was very successful with her classes here last year, and it is thought that a large vocal class will be organized this year, as her abilities in voice culture have become well known here.
