MARRIED.

Another very pretty June wedding took place Tuesday morning, when at 8:30 o'clock the nuptials of Miss Catherine Kingen and James John, two prominent young people of this city, was celebrated at the Catholic church of the Sacred Heart, Rev. Father Altendorf officiating.

The church was filled to the doors with members of the congregation, friends and relatives, who witnessed the wedding ceremony.

The bride was beautifully gowned in White Persian lawn elaborately trimmed with valenciennes lace, wore wedding veil with bridal roses, and carried a bouquet of bridal roses and maiden hair ferns. Miss Catherine Billstein, a cousin of the bride, was bridesmaid. She wore blue lawn trimmed with valenciennes lace, and carried pink and white carnations. John Kingen, a brother of the bride, was best man.

After the wedding ceremony a bounteous wedding breakfast was served at the home of the bride's parents on First avenue northeast. The dining room was artistically decorated in pale blue and white streamers and cut flowers, and pink and white peonies decorated the tables.

The Misses Josephine Artonouski, Frances Grzeza and Mathilda Moegelein presided at the table.

The bride, who is the daughter of Mr. and Mrs. Peter Kingen, is a most amiable young lady, and has lived here practically all her life. The bridegroom is a popular young man, who is employed in the A. L. Konchal harness shop. Both have a large circle of friends who will wish them a happy and prosperous wedded life.

Those from out-of-town, who attended the wedding are, Miss Frances Wasten of Minneapolis, and Mrs. Herman Pantzke of Fergus Falls.

The young couple will start house-keeping in a suite of rooms in the Randall residence, corner of Fourth street and First avenue northeast.

The wedding of Miss Pearl Harrington to Hubert Deaver took place Wednesday evening at the home of the bride's parents, Mr. and Mrs. R. E. Harrington, six miles east of Royalton, Rev. Blackhurst officiating.

Miss Kate Deaver, a sister of the groom, was bridesmaid, and John Harrington, a brother of bride, was best man.

The newly wedded couple will make their home in Onamia, where Mr. Deaver is in the blacksmith business. They have the best wishes of their many friends.

DIED

Barney Wilczek, aged 26 years, son of Mike Wilczek of Pike Creek, died Tuesday evening at 7 o'clock at the City hospital at Minneapolis. The deceased had been ill for about two weeks with pneumonia. Monday he became afflicted with obstruction of the bowels, and it was found necessary for him to undergo an operation. The operation was performed at 3 o'clock Tuesday morning, and he passed away at 7 p. m. the same day.

Mr. Wilczek conducted a business here at one time in partnership with Joe Smuda. He left here about a year ago, locating in Minneapolis, where he had since been employed in a flour mill.

The deceased is survived by a wife—formerly Miss Mary Borash, a daughter of Stephen Borash of Bellevue—a ten-month-old son, two brothers, John and Vincent of Pike Creek, and three sisters, the Misses Mary and Stella of Pike Creek, and Mrs. Anna Knopick of Minneapolis.

Mrs. Wilczek, Mrs. Knopick and Miss Stella Wilczek accompanied the body to this city Thursday noon. From here the remains were taken to the family home in Pike Creek.

The funeral will be held this morning at 10 o'clock from the Swan River Catholic church, and burial will be in the Swan River cemetery.

ECLIPSE OF THE SUN.

There is to be an eclipse of the sun on June 23, visible throughout the United States as a partial eclipse, in the line of central eclipse, where the moon appears exactly in front of the sun, the annular phase may be seen. At this time the sun, whose apparent diameter is greater than the moon's, sticks out as a narrow ring all around the latter. This phase is visible from the city of Mexico, Tampa, Fla., and Bermuda.

In the northern United States a large partial eclipse will be observed, the fraction of the sun's diameter covered by the moon ranging from about one-third for observers in Washington and Oregon to almost the whole in the Gulf States. At Washington, D. C., the eclipse begins at 9:27 a. m. and ends at 12:41, and about three-fourths of the sun's disk is hidden, at the maximum phase. This eclipse while of little importance to the professional astronomer, since the sun will not be completely hidden and the corona cannot be seen, will be of much interest to the amateur observer. A piece of smoked glass is all that is required to observe it.

The office of J. C. Hessel, formerly of this city, but now in the implement business at Brainerd, was entered Monday night and an attempt made to work the safe combination. Failing in this, they took fifty cents in stamps from the office, at least this is all that has been found missing.

A block and a half of cement sidewalks was completed Wednesday, on the east side of Third street northeast between First and Second avenues, and on the south side of Second avenue, between Third street and the school house walk. The construction of the large stretch of cement walk in front of the A. Tanner place on Third street southeast is practically completed.

I will take back whatever I said about Clara Wanager.—Mrs. J. Beckman.

The Free Methodist conference for northern Minnesota is being held at Motley this week. Bishop Walter A. Sellen of Jamestown, N. Y., was present, also Rev. W. B. Olmstead of Chicago, a famous evangelist.

Those "merry widow" hats would make fine circular saws. In Charles City, Iowa, one of 'em blew off the head of a careless young thing, and rolling madly down the street cut off a dog's tail, pared a slice from the handle of the town pump, and making a dash along the hitching pole south of the public square, cut the tie strap of 47 teams, liberating them for one of the maddest runaway mix-ups the place has ever experienced. The hat then fell over on the crown part and set to spinning until it wore a large hole in the pavement and completely disappeared. The next morning an oil well spouted where the hat went down and the mayor sent to Chicago by telegraph for four dozen merry widow hats to be used in oil well prospecting.—Western Publisher.
