

## LOCAL HIGH LOSES OUT

### Brainerd High School Wins First Game on Local Gridiron--Score 6-0

The Little Falls high school football team lost to the Brainerd high by the score of 6 to 0 in their first game of the season, which was played on the local gridiron Saturday afternoon. While the locals played quite evenly with the visiting team, they failed to see the importance of giving good interference, and in the matter of knowing the signals it could be seen that some of them were painfully deficient. Then again, poor judgment was shown in calling for the wrong plays. To illustrate this fact, end plays, which inevitably failed, were called for when the plays through the line invariably netted the locals substantial gains. Notwithstanding this the locals would have undoubtedly scored a touch-down, but for the shortening of the first half seven minutes, as they had worked the pigskin to within three yards of their opponent's goal when time was called for the first half. All through the first half the locals had the best of the Brainerd high, but the visitors picked up in the last half and played the regular machine football.

The local high weakened in this half, and when Cullen started to return a punted ball, which had been kicked by the home team, he was allowed to run through them for a touch-down. Brainerd then kicked goal, making the score 6 to 0 in their favor, thereby winning the game, as no more scoring was done.

A decision was made at the start of the first half, which was very much against the Little Falls eleven, it in effect giving away two points which had already been earned, and although the umpire saw his mistake afterward he stated that he could not change his decision. This was when Johnson kicked off and the ball was fumbled and rolled behind the Brainerd goal, Johnson tackling his opponent, who picked up the ball, while the player was still back of his goal. This should have been counted as a safety, counting two points, which, with the touch-down that would undoubtedly have been made had the full time been played in the first half, would have won the game for the locals.

The Little Falls high school team cannot expect to win any close games as long as they are always willing to give in to the opposing team every disputed point, as evidenced in the game with Brainerd.

The second team of the local high school defeated the second team of the Brainerd high on the local gridiron Saturday morning by the score of 11 to 4. The locals made their points on two touch downs and a goal and the visitors got their four points on a drop-kick from the field.

**TYPEWRITING CONTEST.**  
In the typewriting contest which was participated in by all of the students in this department of the Little Falls Business College last Friday morning, Miss Margaret Bowman of Jenkins, Miss Hattie Jorgenson of Brainerd, Miss Lulu Palmer of Motley, Otto Trettel of this city and Miss Bertha Froelich of Long Prairie, operated the typewriters for an hour without making more than three mistakes. All were blindfolded. Otto Trettel received 100 per cent, Lulu Palmer 99 1-2 per cent, and Miss Hattie Jorgenson 99 per cent in the second contest. The contests were very interesting.

## REQUIEM MASS FOR WALTER BERG.

St. John's University, Collegeville, Oct. 8.—It is now three years since death entered the ranks of the student body at this institution. Yesterday afternoon at 2 o'clock the grim reaper snatched away the life of Walter Berg of Pierz, Minn. The newcomer passed away rather suddenly as he had been ill only since last Saturday. Additional medical assistance was called for Tuesday noon when the patient's condition took an unexpected turn and by Wednesday morning pneumonia set in and his life was despaired of. Word was sent his folks Tuesday and his sister was present at the final summons. Unfortunately Mr. Berg had left on an extended trip through Washington state and advice regarding the condition of his only son did not reach him in time to be present at the passing of his promising boy. The sad occurrence has cast deep gloom over the entire college and especially among the Minims to which department deceased belonged. Solemn requiem services were held in the Abbey church this morning at which the professors and whole student body were in attendance. The remains were shipped to Pierz today, where interment will take place.

Walter Berg was a quiet, unassuming and earnest boy just entering his teens. As he was here scarcely a month he was just about getting acquainted with his fellow students, many of whom did not know that he took sick as he was seen on the campus Friday last. The faculty and students offer the bereaved parent and sister their sincere sympathy in their deep sorrow.

**THOMPSON LEAVES GREY EAGLE.**  
Grey Eagle Gazette: The many friends of Mr. and Mrs. S. N. Thompson sprang a surprise on them Saturday evening when about seventy-five from different parts of this community gathered at their home to bid them farewell before their departure, and presented them with a beautiful carving set, a token of their friendship.

S. N. Thompson came to Todd county 47 years ago and took a homestead in Birchdale township; is located in Grey Eagle the past 26 years, coming here the year after the railroad went through. He kept store here at one time and was postmaster for a number of years. Mr. and Mrs. Thompson were both active church workers and will be greatly missed there as in the community. They left for Florida Tuesday and, although we regret to see them leave, we wish them success in their new home.

The Thompsons were well known here. Mrs. Thompson having a millinery establishment here at one time.

**BOWLUS SAID TO BE BOOMING.**  
St. Cloud Journal-Peak: John McElroy returned yesterday from a trip to Royalton, Rice, St. Stephen and Bowlus, where he was in the interests of the St. Cloud Woolen Mills. He stated that the growth of Bowlus is phenomenal. During the past summer 20 buildings have been erected in the new town. The village now has three general stores, a clothing store, hardware store, three saloons two, hotels and a good opera house.

Settlers are coming in constantly, and the indications are that the population will double during the next year.

**A FEMININE MISTAKE.**  
The greatest mistake a woman makes is that she is not jolly enough. She makes too serious a business of life. Men stop in the midst of the gravest perplexities to have a hearty laugh. For some reason women cannot do this and they fade early. The best thing to preserve youth and beauty is the daily use of a good malt tonic, such as golden grain belt beer. Taken at mealtime it will aid digestion, stimulate the nerves and make rich, red blood. Order of your nearest dealer or be supplied by E. S. Tanner, Little Falls.

The St. Cloud Business College secures positions for its graduates.

R. R. Drago of Royalton was granted a hunting license Saturday.

Miss Caroline Heroux was taken ill with the grip the latter part of last week.

Miss Elizabeth Zerwas has taken a position in Fargo, N. D., as stenographer.

Mrs. Lamothe is seriously ill with bronchitis at the home of her son, Rev. A. Lamothe.

The fire loss of the J. W. Berg, the F. A. Nelson buildings and the Dana Brown barn have been adjusted.

Miss Flora Germain has resigned her position as clerk in the dry goods department of the Richard Bros. store.

A. P. Meister has purchased a farm, located about two and a half miles east of here, and will move onto this fall.

Mr. and Mrs. George Gerritz, Jr., were pleasantly surprised by a number of friends, who drove down from Darling Sunday evening. A very enjoyable time was had.

The last drive of the season was started from this city Monday, under the charge of J. S. Murphy. It will be taken below St. Cloud this season, and will take about three weeks' time to take it there.
