#### RIPLEY

March 22.—Those who were county seat visitors last week were George Puse, Sr., Jos. Labrie, Adolph

Boisjolie, Mr. and Mrs. Jos. Guilmette, Mrs. Fish and Mr. and Mrs. David Gaboury, Jr. Mr. and Mrs. Jerome Martineau moved their household goods and stock

#### BRICKYARD

March 24.—The young folks had another party at the home of Mr. Chambers. The evening was spent in

dancing and playing games. Refreshments were served. Those who attended from town were David Larsen, Arthur Boyce, Charlie Valentine, Elmer Ward, Gust Lungren, Elmer Nelson and Arthur Milke. Mr. and Mrs. C. Larsen visited relatives at Swan River Saturday and Sunday. Mrs. Lillie Reid spent Tuesday at Mrs. A. N. Longfellow's. The Clover Leaf society will be entertained at the home of Mrs. Manbeck Wednesday, March 31st. Lunch will be served. Everybody welcome. The choir will practice at the church every other Sunday after Sunday school. Mrs. A. N. Longfellow and children visited Mrs. S. W. Clark of Little Falls Saturday. Mr. and Mrs. M. M. Williams returned home Thursday on the Winnipeg flyer from Minneapolis. Tom Birch and family have moved onto the place formerly occupied by Mr. Setterstrom. A number of our ladies attended the Ladies' Aid at Mrs. A. Rowe Wednesday at Little Falls. Mr. and Mrs. Jesse Buelow are visiting at the home of Mrs. Buelow's father, John Beatty.

#### AUSLAND

March 23.—Mrs. Danison is reported no better. You must now speak to 'John' as Mr. Ausland. Ralph Bowder and Miss Carpenter

attended the dance at Pillager St. Patrick's night and reported a splendid time. Mrs. Thomas is still with her sister, Mrs. Wilson, at Motley. Ft. Kipley visitors Monday were Cecil Porten, L. P. Snow, Fred and Charlie Stroming. Grandma Prosser fell on the ice last week, hurting her side quite badly. We hope the next time anyone 'flies to pieces,' they won't leave the 'remains' on Mud Lake! Fred Stroming visited the county seat Monday. L. P. Snow told Charlie Stroming that John Ausland was heard to say, that Chas. Lightner said, that he could prove Adolph Olson told Billy Tolls, that Cecil Posten positively said he heard Gilbert Hanson say that Frank Prosser heard Mae Thomas tell Dan Trask that Bill Jones swore he heard Ralph Bowder tell Dan Williams that 'pine trees were getting scarce.' The rail boys are expected home this week. Mr. and Mrs. Tom Caranough left for Hibbing last Saturday. Jerry Deroyer and August Stroming attended the auction at St. Mathias Tuesday. Miss Carpenter reports better attendance at school this month. Mr. Page had a cat killed one day last week, fearing it suffered from rabies. Boys if you want to get a chance with your 'bells,' keep your eyes open.

#### HILLMAN

March 18.—The roads are in very bad condition in this locality now as they are all ice and 'lop-sided.' Ben A. Mohler left for Dawson, Minn., Thursday, where he will do painting the coming summer. Wolves are plentiful in this locality, as they can be heard almost every night, but are very hard to trap as their smelling power is very keen. Mary Thies left for Fargo, N. D., where she is employed. There has been considerable wood-stealing done around here this winter. This should be looked after a little more, as there will soon be no timber left. Henry Zemple was a caller at P. J. Jutten's last Thursday.

#### RUCKER

March 18.—The dance given by Archie Robinson was well attended. A five-piece orchestra furnished music. F. J. Heywood was a Sullivan Lake visitor Monday. There is a rumor of a dance to be given for the benefit of the baseball club in the near future. Miss Katie Rucker is visiting friends at Onamia this week. The newly elected town officers go to Sullivan Lake Friday, where they will qualify for their respective offices. Ge. W. Waller has everything running smoothly at his sawmill. A few of the young people attended the masquerade at Onamia St. Patrick's day.
