What a Beautiful Change!

is always the exclamation over an old house newly painted with **FORMAN, FORD & COMPANY'S 100 PER CENT PURE** ready mixed paint. But the beauty of it is not its only good quality—being made of pure paint pigments—white lead, oxide of zinc, and pure linseed oil, its durability and fastness of color commends it to every thoughtful user of paint. Forman, Ford & Company's 100 Per Cent Pure Paint don't fade, peel or chalk off; therefore the most economical paint to use. Come into our store and let us show you an analysis of it and we'll prove to you that it is superior to every other mixed paint. This is not a boast. Forman, Ford & Company's 100 Per Cent Pure paint "makes good." Let us show you.

SHIP WITH PERFORATED SAILS.

Some time ago the idea was advanced that if a number of small holes were made in a ship's square-sails, allowing the wind to rush through, the usual accumulation of dead air would be prevented and the sail would draw better. For refreshments after "a sail" nothing is better than golden grain belt beer, and it is a universal favorite. Its clear, sparkling purity and wholesome tonic properties make it an ideal drink. Order of your nearest dealer or be supplied by E. S. Tanner, Little Falls.

E. A. Hall, who has just completed a course in a Chicago veterinary school, returned home last Friday. Mrs. Hall and children visited in St. Cloud enroute home.
