AN EXCELLENT PROGRAM

Good Exercises-Sports Galore--at Little Falls the 4th--Come!

The meeting of the Fourth of July committees Tuesday evening showed everything running along smoothly for a rattling good time on Independence day.

The speaker of the day will be John Jensen, Jr., of Duluth, a brilliant orator, whose talk will be found to contain an abundance of good things. The program for the exercises will soon be completed, and will likely be held at either the Milo or the large room of the Realty company on First street.

The fireworks have been carefully selected, and will, without a doubt, be the best display we have had for years.

The committee on sports have gotten up a very good program. The sports will start on the West side, where the automobile and motorcycle races will take place, after which the program will be taken up on the East side, the exercises taking place immediately. Then there will be sports until noon, and beginning at 1 o'clock, there being an intermission of one hour for dinner.

At 3:30 the ball game between the Little Falls team and St. Cloud will take place. These two teams are two of the fastest in Minnesota, outside of the leagues. Each have won a game this season, 2 to 1 and 3 to 2, and will promise excellent sport. An evening game will also likely be played.

Returns will be received from the ringside of the Jeffries-Johnson fight for the championship of the world over a leased wire, commencing about six o'clock. The returns will either be written on large blackboards or given through megaphones. Little Falls will be one of the very few towns of its size having this service, and the lover of the manly art will be delighted.

The program on sports, starting at 9:00 a. m., follows:

Motorcycle race--1-2 mile, on West side--First prize, \$50; second prize, \$25. Automobile race--1 mile, on West side--First, \$10; second, \$5. Buckman Hotel on East side.

GIBSON GOES TO WINNIPEG.

A change will be made at the First National bank on July 5th, when Warren Gibson, for the past three years assistant cashier, resigns and goes to Canada to take charge of some Canadian land contract work with the Davidson-McRea company, which has its headquarters at Winnipeg, and is succeeded by Andrew Johnson, who has been managing the Northland Shoe company during the past eight months. Mr. Johnson will have charge of the insurance department.

Mr. Gibson has been a valued servant of the bank during the past five years, the first year and a half of which time he was in charge of the Bank of Randall, which afterwards was incorporated as the Randall State bank. As a citizen of Little Falls and resident of Morrison county, he has been of invaluable service, taking an active part in preparing the annual street fair, and in other matters, and will accordingly be quite generally missed.

The family will remain in this city for the present at least.

MUST WAIT UNTIL THE FOURTH

Chief of Police Gannon has let it be known that he will not tolerate the celebrating of July 4th prior to that date in any way, and those youths who persist in firing off fireworks, torpedoes, sending up toy balloons, etc., will be taken in hand by the police. It is not only dangerous to the parties shooting off fireworks, but is also liable to set fire to buildings in this dry weather, hence the restriction.

Mr. Henry Cable of Gray has undergone an operation for appendicitis at the hospital Tuesday, and is doing fine.

ANOTHER NEW MACHINE

Herald Job Rooms Equipped With Up-to-Date Devices and Machinery

Always to the forefront in skilled workmen and up-to-date machinery and material, The Herald has had installed in its job rooms a Colton Army job press, the best machine of its kind made. The press was purchased through the C. I. Johnson Manufacturing company, of St. Paul, and was received direct from the John Thomson factory at Long Island, New York.

With the addition of this machine to its other platen jobbers, job cylinder, power cutting machine, new 28-inch perforator, stitching and punching machine and other labor-saving devices, the Herald is the best equipped in every way to turn out work of quality of any shop in this territory, and in fact far better than most offices in cities much larger than Little Falls.

We will bid on no job so low that we cannot turn out work that is satisfactory in every way, but our prices are right. That is why the Herald job department has earned its large and increasing patronage, the business in each month since the first of the year having more than doubled.

We print calling cards, business cards, envelopes, note, packets and letter heads, statements, bill heads, wedding invitations, circulars, auction bills, briefs, books, and in fact most anything in the printing line.

If perchance you are not already a customer of this department, we would be pleased to figure with you.

WAS A BIG EVENT

FIRST MASS SAID BY VINCENT WOTZKA VERY LARGELY ATTENDED.

Fully a thousand people were present at the celebration of the event of Rev. Vincent Wotzka, son of Bart Wotzka of Flensburg, saying his first mass in his home church Tuesday morning, having been ordained a priest at St. Cloud on Wednesday of last week.

The day was an ideal one, though possibly a little warm, and the Little Falls brass band, consisting of nine pieces, was secured for the day. A procession started from the parish house, all forming in line, and marching to the church, which was beautifully decorated for the occasion, where, assisted by Rev. Kromolocki, assisting deacon; Rev. Janaki, sub deacon; Rev. Brenny, presbyter; Rev. Plachta, master of ceremonies; and Messrs. Kroll and Wessendorf, acolytes; Rev. Wotzka said his first mass. Besides these the priests present were Rev. Lemmer of Holdingford, Rev. Gospodar of Swan River, Rev. Gudek of Brownville, and Rev. Bujalski, the pastor of the church. The band played to and from the church and during the afternoon.

After mass, the priests were banqueted at the parish house, and the parishioners partook of hearty refreshments in an adjoining house and on the lawn. The treatment accorded all is said to have been splendid, and the band boys were not forgotten.

DRAINING THE GAS TANK.

Workmen are at work cleaning out the gas tank on the lot, corner of Fifth street and Second avenue southeast, of the polluted water and other germ breeding matter which has collected there during the past several years, it having been condemned by the board of health. After it has been thoroughly cleaned it will be furnished with a drainage system, and enclosed in a highboard fence.

A representative of the Dods Fiske books was in the city Wednesday, booking his company for this place for July 18, and making arrangements for advertising same.

State Deputy G. L. Riley of the Modern Woodmen of America is here assisting in the work of canvassing this city for candidates for a large class to be initiated into this lodge in the near future.

Rev. J. W. Hagerty of the Baptist church speaks on "The Place of the Revival Meeting," at today's session of the Northern Baptist association convention at St. Cloud, the association having been holding its fifteenth anniversary at that place since Tuesday.

The business houses of this city will be closed all day July 4th, in order that their proprietors and employees may celebrate the day with the rest of the population, practically all the merchants having signed an agreement for such closing. The farmers and all other patrons should accordingly remember to do all their marketing and purchasing on Saturday for Sunday and Monday, the 3rd and 4th.

The members of the city council went out in a body to the Broadway bridge and thoroughly examined it. Tuesday evening, and as a result it is most likely that the repairing of the bridge needed quite badly will be made. A brigadier, who was with the party, suggested the use of concrete blocks on a bed of reinforced concrete instead of planking, but this was found to be too costly, and a fully ninety per cent of the planking is in good condition if only turned over. It was the consensus of opinion that this should be done with the plank and securely fasten them to some extra beams.

ALDERMAN WILL RESIGN

Austin Koslosky Will Move Into Second Ward in July

Conditions will arise when Alderman Austin Koslosky of the first ward moves his family to the flats above his store on Broadway the first part of next month, which will necessitate his resigning as a member of the city council. The city charter states that in case an alderman of one ward moves into a different ward, he will be required to resign as alderman from the ward he leaves.

In accordance with this provision, Alderman Koslosky has stated that he will hand in his resignation at the next meeting which is to be held on the last day of June, the 30th.

During Mr. Koslosky's short incumbency he has taken up the duties of alderman with a vim, and hands in his resignation with reluctance. The vacancy will be filled by the council.

MARRIED.

Miss Clara Belanger, the youngest daughter of Mr. and Mrs. Benjamin Belanger of this city, and Harry McMillan of Aberdeen, S. D., formerly of this city, were united in the holy bonds of matrimony at the French Catholic church, paragon Wednesday morning at 11 o'clock. Rev. Arthur Lamotte pronouncing the words which made them husband and wife.

The bride was exquisitely gowned in white lace and carried a shower bouquet of bridal roses. Miss Letitia Raymond, who acted as bridesmaid, wore a gown of pale French lawn and carried a shower bouquet of pink roses. John Belanger attended the bridegroom.

A reception was given at the home of the bride's parents, 1015 First avenue northwest, after the ceremony to the relatives and the most intimate friends of the contracting parties, who extended the young couple their warmest felicitations. The reception was followed by a wedding dinner, the dining room being artistically decorated in the bride and bridesmaid's colors of pink and white. Just above the center of the banquet table was suspended a large floral hoop of smilax and pink carnations, from which pink streamers radiated to the four corners of the table, these being entwined with strands of smilax. Pink and white carnations formed the centerpiece. The color scheme was carried out in all the refreshments, which were delicious.

Miss Lilly Raymond presided at the table, assisted by the Misses Stella Pilon and Aurora Gendron.

Ovid Belanger, a brother of the bride, followed the wedding march.

The bride, who is a native of St. Paul, has resided here during the past seventeen years, attending the local public graded and high schools from which she graduated with the class of 1902. In 1905 she graduated from the St. Cloud Normal, and for the first year and a half thereafter taught in the Grand Forks, N. D., schools. She has taught in the local public schools during the past five years with more than ordinary success, during the past three years of which she has had the principalship of the Hawthorne. She is an accomplished young lady, and has taken a prominent part in the social functions of this city.

During his residence here about three years ago he was employed in his father's grocery store, going to Aberdeen, S. D., from here, where he holds a lucrative position with the Chicago, Milwaukee & St. Paul railway company. Both have a host of friends, who remembered them with many beautiful presents and best wishes.

The newly-weds departed for Ward Springs, amid a shower of rice, on the afternoon train, at which place they will spend the first two weeks of their honeymoon, and then leave for Aberdeen, S. D., where Mr. McMasters has prepared a fine home for his bride.

Rev. Father Richter officiating. The bride was gowned in white lace, carried white roses, and was attended by her sister, who wore a gown of white embroidery. Mike Fremmers was best man.

After the ceremony the bridal party repaired to the home of the bride's parents, where a wedding dinner was served.

SMALL BARNS BURN

Boys and Matches Given as Cause of Sunday Afternoon Fire

Two good-sized barns and a smaller one, and contents, and two out-houses, besides considerable fencing, were burned Sunday afternoon as a result of flames which originated from the northwest corner of the James Renne barn on the lot corner of Fourth street and Sixth avenue southeast at about 4:30 o'clock.

It is thought that carelessness on the part of some boys who had been about the premises a little earlier, in throwing away lighted matches, was responsible for the conflagration.

Beside the barn and out-houses, the property destroyed on the Renne premises included a good pair of harness, a bob-sled, a little grain and some hay. Insurance to the amount of \$100 was carried on the barn. The shed adjoining the Renne residence was damaged slightly from the heat. From Renne's the flames caught to the neighbor's, J. E. Hitchie, barn, which burned to the ground with contents. Two horses were taken from each of the above barns. Mr. Hitchie carried \$100 insurance on the barn.

The other small barn and out-house across the alley which was burned was the property of John Smart, and no insurance was carried on them.

It being about the time when the ball game finished, a large number of people went to the scene of the fire.

In case these two do not play, Greisch will be put in to play the second sack and Wimmer will be tried on first base.

The locals expect to win despite the impairment to the team.
