MINNESOTA HISTORICAL SOCIETY

VOL. 22. NO. 35.

LITTLE FALLS, MORRISON COUNTY, MINNESOTA.

FRIDAY, NOVEMBER 4, 1910

## STATE AID TO SCHOOLS

### What Some of the District Schools Will Receive in Apportionment

County Treasurer Frank Henick received the \$17,877 state aid apportioned to Morrison county this year the latter part of last week, and it will be sent out to the clerks of the school boards of the district schools of the county on or before the twentieth of the month.

Of the 188 district schools, there are four or five that are not entitled to apportionment, and a number to but \$50 or under. Below is a list of what some of the important school districts will receive and a few of the minor schools:

District 8, Little Falls	\$3,813
District 14, Pierz	756
District 40, Royalton	699
District 37, Motley	429
District 27, Swanville	423
District 75, Swan River	270
District 41, Buckman	258
District 6	258
District 81	252
District 25	240
District 29	225
District 27	222
District 72	192
District 26, Lastrup	189
District 63	171
District 74	168
District 78, Kandall	162
District 10, Bowls	158
District 24, Pike Creek	147
District 9, Upsala	138
District 11, Caledonia	133
District 76, Lincoln	90
District 1, Belle Prairie	90
District 12, Green Prairie	87
District 111, Cushing	85
District 7, Belle Prairie	68
District 16, Belle Prairie	68
District 125, Leigh	51

The special state aid to high schools, training departments, etc., is not contained in the above figures.

## TEACHERS ATTEND STATE MEETING

The members of the high school faculty and half of the teachers of the graded rooms of the public schools, numbering about twenty in all, departed Wednesday evening and Thursday morning for St. Paul, where they are attending the annual state educational meeting. Last year nearly 4,000 attended this meeting, and it is expected that the attendance will be even larger this year. The meeting which convened yesterday holds session today and tomorrow also.

Supt. H. E. White conducts the round table on mathematics at today's meeting and Supt. A. C. Hoffman of the Royalton schools and Miss. Mable J. Olson principal of the local high school will read papers at the round table.

The public schools of the city did not hold sessions yesterday nor will they today as a result, excepting at such rooms in which the teachers did not go to the state meeting.

As is usually the case, the students are joyous over this extra two days' respite from their school work.

## PLAY TO LARGE AUDIENCE

The four act historical play, "Daniel Boone on the Trail" played to a packed house at the Milo theatre Tuesday evening. It carries with it a good band and an excellent orchestra. While the play was of an interesting nature, Daniel Boone being well played by S. A. Mitchell, what took with the audience the most was doubtless the comedy parts, a good repertoire of which was presented by Ollie H. Faxon as Rastus Snowball, the colored gentleman, Edward Coleman as Patrick Finnegan, the Irish soldier, and Edna May Mitchell the Irishman's lass.

## FOUNDRY FIRE

The foundry of the Little Falls iron works took fire last evening at about six o'clock, being caused from sparks from the caster. It was put out by Hose No. 3, being little damaged. This is the third fire on the West side this week.

## SENATOR CLAPP HERE MONDAY

The republicans of this city will hold their final rally next Monday evening at the court house, when Senator Moses E. Clapp will address the people of this vicinity.

The senator will speak at Royalton Monday afternoon.

Have you registered your county order?

The story of the Daniel Boone will be told by Rev. W. H. North at the Children's Story Hour at the Congregational church tomorrow afternoon at 2:30 o'clock.

Boommaster J. L. Webb and General Manager R. H. Chute of the Mississippi & Rum River Boom company were here yesterday on their way to Brainerd. They will inspect the river between Brainerd and Olmstead bar in a launch, and between that point and this city in a bateau.

Mr. and Mrs. Mike Keenan, who a couple years ago moved out West, arrived yesterday noon from Lewiston, Idaho, and are at present guests of Mr. and Mrs. Ed. Hansen. Their many friends here will be glad to know that they have decided to again make Little Falls their home.

William Olson and Miss Susan Nilson, both of this county, were united in marriage by Justice Geo. Gerritz at the city hall Wednesday afternoon at about 4 o'clock. The newly wedded couple will make their home a few miles east of town, where a big time was given them Wednesday evening.

## COMMISSIONERS MEET

### Allow Petitions—Lay Misc. Bills Over Until After Election

The county Commissioners met Tuesday morning in regular monthly session.

The petition of C. J. Nelson to be set off from school district 87 to 35 was laid over to the December meeting.

The petition of J. E. Peterson to be set off from school district 13 to 49, the petition of B. A. Pierson to be set off from district 49 to 74, were granted.

The application of F. Otramba for liquor licence in town of New Pierz accompanied by a list of signers, was laid over to the December meeting.

The application of Jake Gertz and others, asking for the formation of a new district was granted. No. 62 to pay \$50 and No. 36 \$100. The new district will be known as No. 134. A meeting will be held at Geo. Leeb's in the town of Granite at 2 o'clock in the afternoon to organize.

The petition of Eugene Ledoux to be set off from No. 24 to independent school of Little Falls was granted.

The following road and bridge appropriations were made:

Town of Bub	\$ 75.00
Pierz	100.00
Leigh	75.00
Ripley	100.00
Platte	75.00

The bond of F. X. Bastien in sum of \$100 as registrar of titles under Torrens system was accepted, subject to the approval of the county attorney.

Bids were received from as many as ten different bonding houses for \$25,000 bonds, to take up the refunding railroad bonds of the county which becomes due Jan. 1, 1911, which were sold by the board of county commissioners Tuesday. N. W. Halsey & Company of Chicago were the successful bidders for the bonds, paying a premium of \$4 for same. They are twenty-year bonds with 4 1/2 per cent interest per annum.

The railroad bonds were originally \$35,000, but \$10,000 has been paid from the sinking fund which had been set aside for that purpose.

A number of road and bridge bills were allowed, but all others were laid over to the next meeting.

## "A PAIR OF COUNTRY KIDS"

### TUESDAY

"A Pair of Country Kids" a rural comedy drama in four acts on much the same order of "Way Down East" will be presented at the Milo theatre next Tuesday evening and will doubtless be largely attended as it is a very wholesome play with a consistent plot. Some of the thrilling scenes are the home of the kids, the great Brooklyn wharf scene, the rescue from the waves, the realistic fire and explosion, and the destruction of the old box factory.

Hi and Trixie are a lively pair of kids and will make you laugh as they are constantly getting in and out of mischief. The play is supported by an excellent company of actors and carries special scenery, while the plot is true to nature. A number of vaudeville acts including singing, dancing and plenty of comedy is interwoven in the play making an excellent evening's entertainment.

"A Pair of Country Kids" comes highly recommended as everywhere it has played it has scored signal success. Admission will be 25, 35, 50 and 75 cents.

## RECEIVES BAD GUN WOUND

Ole Christanson of Pulaski, aged about 28 years, sustained a wound in the right thigh and side about four inches wide and six inches long and an inch deep from the accidental discharge of his shot-gun at about noon Tuesday. He had just seated himself in front of the Platt town store, on his return from a hunt in that part of the county, and had his gun resting on him, when the trigger snapped in some unaccountable manner. The charge went right through the member causing little pain, however, and the wound from the shell struck a lady back of him in the neck.

A physician dressed the wound, and on Wednesday the man was taken to St. Gabriels' hospital, where he is now receiving attention. He is expected to pull out of this accident in "pretty fair shape."

## HOSPITAL NOTES

Miss Rosie Korash of Royalton underwent an operation for an injured foot at the hospital yesterday afternoon.

George Robinson of this city was operated on for appendicitis Tuesday morning.

Mrs. Frank Kooper of Flensburg had an operation performed on her neck Wednesday for the removal of a tumor.

Mrs. Adelia Salesbury of this city was operated on Saturday for the removal of a tumor.

The schools are dear to womanhood. No mistake will be made in voting for Randall.

The high school girls gave a dance at the high school laboratory last evening in honor of the members of the high football squad.

Frank Hennenlotter of Spokane, Washington is expected tomorrow, coming here for a visit with his sister, Miss Anna Hennenlotter.

A Halloween barn dance was given at the new Muske Implement building, corner Kidder and Hay streets, by Mrs. S. Johnson and Miss Emma Muske Monday evening. The place was lighted up with jack-o-lanterns.

## JACOBSON'S FACTS

### ARE MIS-STATEMENTS

### County Is Over \$5,000 Deeper In Debt Than When Republicans Got Control

### PROMISES NO BETTER THAN TWO YEARS AGO

### Statements Made To Get Votes Bob

### Up To Haunt The Republican Candidates

J. J. Jacobson, republican candidate for county auditor, in an attempt to answer an article on the county finances in the issue of the Herald of October 21, writes the Swanville News, and the article is copied by the Transcript, which takes the trouble to state that Jake never says anything that cannot be proven. Well, dear Transcript, we have got Jake right where the hair is short, and he will have to back away up on his statements, and sit down. While Mr. Jacobson does not admit some things he does admit that M. M. Williams, who was republican county chairman in 1908, did say that "if a majority of the republican county commissioners are republican, the county expense will be kept within the income, otherwise we can vote in the democratic next election." Mr. Williams did not only say that we can, but that we should, (referring to the whole ticket) and that he would be one to help do it.

Mr. Jacobson refers to the records in the county auditor's office, and says at the time Mr. Williams made the statement that there was outstanding nearly \$5,000 in unpaid registered warrants. This statement was made on the 20th of October, 1908, and the amount really registered on Oct. 30, 1908, ten days after (which would be at least \$1000 more than on the 20th) is the exact sum of \$1,920.18.

Quite a difference from \$5,000 eh? Now then we will take October 30, this year. There is up to this date, (October 30) in outstanding and issued warrants on the revenue fund the sum of \$5,719.13. There is included in this

\$700 allowed on court house roof, but not paid. There is not, however, included in this \$1,450 which is still due on the roof, so the holder of the roof expense don't go.

The fact remains that the REPUBLICANS IN CHARGE OF COUNTY AFFAIRS, HAVE RUN THE COUNTY \$5000 DEEPER INTO DEBT THAN WHEN THEY CAME INTO POWER TWO YEARS AGO, and this with a levy of five mills for the revenue fund, the highest levy ever made.

Figure it out for yourself.

The above REAL FACTS can be proven and are of record in the county auditor's office. Whether Mr. Jacobson willfully made the mis-statements in his article, or whether it was through ignorance of the affairs of the county, of which he claims to know so much, we leave it to the view of the reader.

We were perfectly right in stating that the county has not been run within its income in the past two years, and we were perfectly right when we stated that this being the case—M. M. Williams, who was in 1908 republican county chairman, and the others who acquiesced in his remarks, should have given their influence and support to the election of a democratic county ticket this year. That is, if their promises count for anything.

Their promises are no better—this year than last.

In the words of the Transcript: "It will be interesting to note that the county board is of republican complexion."

## HOLDS SHORT SESSION

### District Court Passes on Court Cases--Special Session Nov. 29

Judge M. D. Taylor held a two days' session of the district court here this week, at which time a number of court cases were taken up. Several cases were continued to a special term of court to be held on the last Tuesday of the month, November 29.

The court opened Tuesday morning and the case of H. Dochow vs. T. F. McCreedy was the first to come up. Judgment was ordered granted for plaintiff for the full amount of the note and interest.

In the case of Antoni Kanieski vs. Simon Kanieski, an insane person, and Ignatz Kanieski, the court ordered the name of Antoni Kanieski be substituted for that of Simon Kanieski, deceased, by cancellation of deed and mortgage.

The divorce action of Maryanna Kosol against her husband, Andrew Kosol, took up the remainder of the Tuesday session and part of the Wednesday morning session, and was finally dismissed by the court.

The case of George Hrboosky vs. John Jenco, alias John Jeniso, was ordered continued.

After hearing the evidence of the plaintiff in the case of M. A. Churchill vs. Morrison county it was submitted to the court.

Judgment was granted to W. C. Foster in his case against Hart et al. The case of Morrison County Lumber company vs. S. Trebbly and W. H. Ryan, Abraham K. Miller vs. Hannah M. Miller and Chas. Gaking vs. Lydia Gaking were continued to a special term of court, while the ditch cases of Martha A. Hall vs. Morrison county, F. R. Gourd vs. Morrison county, Edith E. Bates vs. Morrison county and C. A. Lindbergh, Thos. N. Lindblom, executors of H. P. Bell, deceased, vs. Morrison County were submitted to the court.

The case of Marie Jaroszewski vs. Walesty Jaroszewski was dismissed.

The court continued to a special term the case: In re proceedings to enforce real estate tax remaining delinquent the first Monday in January 1910, H. Landahl objector, and the two cases of August Schwanke vs. Morrison county.

In the case of August Schwanke vs. the National Union Fire Insurance company, which was an action brought on for the recovery of the amount of an insurance policy on some buildings, the Consolidated and Niagara insurance companies being co-defendants in the case but later the cases against the Consolidated and the Niagara companies were dismissed, the National Union Fire Insurance company paying to plaintiff the amount sued for, \$400, and the costs of the case. Actions will most likely

be taken against the other two companies at a later term of court.

S. K. Hets was given judgment against Morrison county for the amount of some county warrants which he had purchased.

Adjournment was then taken to the special term to be held the later part of this month.

## CRUSHED ROCK IS BEING PUT

### On Pierz Road, Near This City

Six of the twenty car-loads of crushed rock furnished by the state from the reformatory quarries, arrived the first of the week, and the work of laying it on the Pierz road was commenced Tuesday. The rock is being laid starting from the Pedley place in Little Falls town and working into town. The Commercial club has appropriated \$100 for this purpose, the town of Little Falls \$50 and the farmers along the road have contributed their share towards the improving of the road by doing the grading.

The two blocks of road on Broadway west, between Second and Fourth streets, which have been paved with brick bats, furnished gratis by the local brickyard, is receiving considerable favorable comment, and at an informal meeting of the city fathers and other business men it was thought advisable that more road be put in with it, as the cost was approximately but \$100 per block.

In Brainerd and other neighboring cities the cost of improving roads is assessed to the abutting property, and as the city charter contains a similar provision and, the cost of fixing road up with the brick bats is very moderate, it is advocated that this method should be adopted. The property owners who would want a piece of road paved in the above method would be required to draw up petitions the same as when walks are to be ordered in or business streets paved.

## CEMENT BLOCK REFRIGERATOR

A refrigerator and butter storage 16x26x12 feet is being constructed of cement blocks by the Little Falls Creamery in the rear of their creamery. The refrigerator part of the structure will have a capacity of about ninety tons of ice while the storage room will have a capacity of about 400 tubs of butter. The roof will be of a thickness of eight inches.

Born—To Mr. and Mrs. C. L. Notton Saturday, October 29, a daughter.

Marriage licenses were issued to the following during the past week: John Golombieski and Mary Yendrow, Frank Piekarski and Genievieve Varozik, Paul Kroll and Helen Haeg, Robert Hanson and Alice Howe, Wm. Olson and Susan Nilson.

The high school eleven has no game on tomorrow, but a week from tomorrow will play at Brainerd.

Mrs. C. O. Heyerdahl and children of Lanesboro came up Wednesday to make their home in this city. Mr. Heyerdahl being manager of the Nelson & Hammerbeck drug store.

## FIRE DESTROYS HOMES

### Two Totally Burned and Three Others Partially On West Side

The G. W. Massey residence, occupied by Frank Rutz, and the Mrs. John Ecklund home were totally destroyed, and the Alex. Domisch home and the building occupied by Peter Norman, on either side of the first two named residences, were slightly damaged as was also the roof of the residence across the street belonging to Frank Johnson of Sullivan Lake, in a fire which started shortly before 11 o'clock Tuesday morning in the building occupied by the Rutz family about a block west of the Lincoln school.

Owing to the difficulty in getting the hose to the scene of the fire, over 2,000 feet of hose being needed to bring a stream to bear on it, the flames had gained considerable headway, and it was with difficulty that the fire was confined to the two residences and the roof of the other three.

There is \$700 insurance on the Massey building, with \$400 insurance on Mr. Rutz' furniture, etc. Mrs. John Ecklund carried \$400 insurance on the house and \$75 on the furniture.

## DIED

Mrs. Mary Ann Heroux, 28, wife of Eugene Heroux, died yesterday morning at 8 o'clock after an illness of but three days, death being due to uremia. Deceased had been in excellent health up to Sunday night, when she was taken suddenly ill. Medical aid was secured at once but to no avail and she rapidly failed until death ensued.

Mrs. Mary Ann Heroux, nee Richard, was born April 5, 1882 at St. Angel de Laval Canada, and was the eldest daughter of Mr. and Mrs. Julian B. Richard of this city. She moved to this city with her parents nineteen years ago, and had resided here ever since. For five years previous to her marriage she was a valued employee in the dry goods department of the Richard Bros. store, being head clerk. Three years ago last April she became the bride of Eugene Heroux, whom with two daughters, Elaine aged 2 1/2 years and Lucile aged 11 months, she leaves to mourn her untimely demise. She is also survived by her parents, two sisters and two brothers. They are the Misses Prima and Amanda of this city, Ovid of Seattle, Washington, and Henry and Wilfred who reside at home.

As a girl and as wife and mother, Mrs. Heroux was of a most loving disposition, good-natured and devoted. She has a host of friends, who will sympathize with the heart-stricken relatives.

Funeral services will be held at the St. Francis Xavier Catholic church tomorrow morning at 9:30 o'clock, Rev. Father A. Lamothe officiating, and interment will be in the Calvary cemetery.

August Briese, aged 61 years, died Monday afternoon at his home in Westport, after an illness of some standing. He was father of Ed. Briese of the firm of Larson & Briese of this city and is survived by several children.

Funeral services were held at Westport Wednesday morning, and interment was at Lake Amelia.

Among those who attended the obsequies were Mr. and Mrs. Ed. Briese of this city, Mr. and Mrs. E. Briese of Darling and Mr. and Mrs. Ben Bates and Mrs. E. Kleinschmidt of Randall.

Magdalena Mrozek, aged 85 years, died Sunday at her home at Caledonia, death being due to old age.

## MARRIED

Miss Alexandria Rowe, youngest daughter of Mr. and Mrs. Alex. Rowe, and Robert Hanson of this city, threw a big surprise at their friends Tuesday evening when they were married at the Methodist-Episcopal church parsonage at 8:30 o'clock, Rev. R. B. Walker officiating. Besides Mr. and Mrs. Rowe but two other witnesses were present at the ceremony.

Miss Alexandria Rowe is a popular young lady of this city. The groom is a fireman on the Northern Pacific, having a run between this city and Staples.

The newly wedded couple will make their home in this city.

Wednesday evening Mrs. William Beatty, a sister of the bride, entertained at dinner for Mr. and Mrs. Hanson at her home at 215 First street northwest.

Miss Frances D. Gillson of Rail Prairie on Saturday evening, October 22, became the bride of Albert D. Johnson of Brainerd, the ceremony being performed by Rev. C. F. Davis of the Methodist-Episcopal church at the home of the groom. She was gowned in white and carried bridal roses. Miss Ruth Johnson and Victor Johnson, cousin and brother respectively of the groom, attended the contracting parties.

Miss Gillson taught in the local county schools for several years. The groom is bookkeeper for the Northern Pacific at Brainerd.

The newly wedded couple have gone to housekeeping at 413 1/2 St. S. E. Brainerd.

Albert Enke has taken a position as night bus-driver at the Buckman hotel, vice John Morton, resigned.

The high school eleven has no game on tomorrow, but a week from tomorrow will play at Brainerd.

Mrs. C. O. Heyerdahl and children of Lanesboro came up Wednesday to make their home in this city. Mr. Heyerdahl being manager of the Nelson & Hammerbeck drug store.

## LINCOLN HAS BIG FIRE

### Store, Postoffice, Barn and Ice House Burn to Ground

A very damaging fire visited Lincoln early Tuesday morning according to County Commissioner Andrew Herum, a number of buildings being burned to the ground. It originated in the Pickett barn, destroying it and contents, including a horse, and spreading to the general merchandise store of Mr. Pickett and the ice house, which also were totally burned. The postoffice was located in the store, and went with the rest of the building. The Pickett family, which was residing in the rooms above the store, lost most all their belongings.

Little insurance is carried on the building, stock and household goods.

## MADE A DECIDED HIT.

Alton Packard, cartoonist and humorist, appeared before a large audience at the Congregational church Wednesday evening under the auspices of the Star Lecture Course, and was thoroughly appreciated. His sketching was exceptionally good. From start to finish he kept the intense interest of the audience, first in a humorous vein then in the more instructive vein.

He sketched every class of people from Uncle Sam's vast domains, including the typical American girl and the dukes from across the waters that are after them.

Mr. Packard's piano playing and singing was fully as well enjoyed as his cartoon work, and he was accorded several times, for his original songs. Clearly no mistake was made in the booking of Packard.

## ASKS FOR AID.

A St. Paul paper states that an appeal has been made to the governor from this city by Mrs. F. E. Harkcom, who has a 6-month-old babe and is without money, for aid, the lady writing that her husband probably perished in the recent big forest fires in the northern part of the state as she has not heard from him and he having stated that he would probably ship out to the iron range if he could not find work at Deerwood. No one here seems to have known the above named parties.

Carl E. Peterson of Green Prairie has chosen "Rochford Farm" as the name for his farm.

A Halloween dance party was given at Eiks hall by the Giding club Monday evening.

Chas. Doucette of Belle Prairie, who had been threatened with an attack of pneumonia is recovering.

The deer hunting season begins next Thursday, and a large number of hunters leave this week for the hunting fields.

Tuesday was registration day but the number registering at this time was very light, 36 registering in the Third ward, 17 in the Second, 8 in the Fourth and 5 in the First.

Dr. C. F. Holst has secured a bright red coat preparatory to deer hunting this season. He plans to hunt in the Sullivan Lake country, where he was quite successful last year.

Owing to the failure of the Market Day committee to appear to make its report and the lack of a quorum, there was no meeting of the commercial club Monday evening.

The ladies of the German Lutheran church were entertained yesterday afternoon by Mrs. R. Muske at her home at 68 East Broadway, a delicious lunch being served at the close of the afternoon.

Phil S. Randall is smiling. He has every reason for his confidence. The county school teachers are not going to be stampeded. They are friendly to Randall by a large majority. There's a reason.

Peter Newman and son arrived Monday from Miles City, Montana, having sold his ranch near that place, and will remain here for a time. Mrs. Newman and the remainder of the children are expected here the latter part of the week.

By order of the postoffice department at Washington, D. C. the Freedmen postoffice, which has been serving about seventeen families, will after November 15 be discontinued, and its patrons served by Rural Route No. 7 out of this city.

We presume those who think a \$1400 salary for the sheriff, including livery, is high, think that \$1800 for the treasurer outside of clerk hire, and a raise for the county superintendent with an allowance for clerk and livery hire is about right. Such consistency.

Do you remember how J. J. Jacobson had the telephones removed from the court house—under the pretext of economy—in an attempt to make the Northwestern Telephone company come to terms with a telephone line in which he was interested? And then they were put in again. A fine proposition to have a county auditor who uses the county as a catspaw to further his own spite. You also remember the large tax rebate that Jacobson voted for when the Thayers got their taxes rebated, and this after the court said it should be paid. Plenty more, but enough said.

GERMAN EVANGELICAL LUTHERAN CHURCH.

Rev. F. J. Oehlert, pastor, 409 Third avenue northeast, Sunday services—Buckman 10 a. m. No services in the city.
