

**HUNTING SEASON CHANGES FROM SMALL TO BIG GAME.**

The season for hunting prairie chickens, plover, snipe, pinnated, white breasted or sharp tailed, grouse, woodcock, snipe and turtle-dove, ended Monday. Partridges, quail pheasants and ruffed grouse can be shot until the latter part of the month, while wild ducks, geese, etc., can be shot throughout the month. The remainder of the hunting season will be devoted to big game for the most part, however, and a number of Little Falls sportsmen have already left for the north to prepare for the opening of the big game season, each vowing to get the limit this year.

**SEARCH LOCAL BUSINESS HOUSES FOR PELTS.**

Two of the local fur and hide men had their premises subjected to a search last Friday afternoon, when J. M. Quinn and W. H. Onstine of Brainerd, deputy state game wardens, came to this city in an endeavor to locate some 800 mink and muskrat pelts, which they had followed up to this city. They found nothing here to their trouble, except that they were convinced that the pelts had been shipped to Minneapolis.

The season for the taking of fur-bearing animals commences next Tuesday.

**THE HEART OF THE ROCKIES.**

The mountains that form the backbone of the continent are not a single series of ridges, or a closely huddled line of peaks, but there are many half related ranges and groups of rough upheavals that widely separated, or that have among them a frequent great pastoral valley. It has been demonstrated that well brewed beer such as golden grain belt beer is unequalled as a beverage for home use. Serve regularly with your meals and enjoy its health-giving qualities. Order of your nearest dealer or be supplied by E. S. Tanner.

**TO LEAVE DULUTH PASTORATE.**

Rev. M. O. Stockland, pastor of the Grace Methodist-Episcopal church of Duluth during the past couple of years and previous to that pastor of the local Methodist-Episcopal church, has resigned the Duluth pastorate and leaves next Monday for Silver City, New Mexico. The illness of Mrs. Stockland caused Rev. Stockland to seek a change to the southern climate. A farewell is to be given for Rev. Stockland by the Duluth congregation.

Mrs. Geo. E. Platt attended the silver anniversary celebration of the Ladies' Guild of the Royalton church held in that village last Saturday evening.

**INSURANCE BULLETIN.**

About November 15th all exposures charges on dwelling houses in Minnesota, outside of the timber country will be removed. These charges run from five cents to twenty-five cents per hundred. The average reduction on account of the removal of these charges will be from 10 per cent to 15 per cent. This reduction is the result of the investigation of dwelling rates made by the Insurance Department and is a voluntary reduction by the companies on the showing made by the Department.

The companies will, in future, allow greater reduction of rate for use of the co-insurance clause. This reduction runs from 12 1-2 per cent on fire proof buildings to 5 per cent on ordinary brick buildings, and from 10 per cent to 6 per cent on contents. A 15 per cent reduction will also be made on tornado policies where the co-insurance clause is used.

The fire losses in Minnesota for September, 1910 were \$290,000.00, as compared with \$40,000.00 for the same month in 1909. The losses in the United States amounted to \$9,855,000.00 as compared with \$12,700,000.00 September, 1909.

John A. Hartigan, Commissioner of Insurance.

**ARE AFTER GUS BEAULIEU.**

Aitkin Age: "Papers were served on Gus Beaulieu of White Earth, for Mrs. Gus Beaulieu of Minneapolis, who seeks divorce from her husband. She names several prominent society women of White Earth as correspondents. When this news leaked out at White Earth it caused quite a sensation as Mr. and Mrs. Beaulieu have resided here for many years and both have many friends.

It is also reported that a number of full-blooded Indians had sent a petition to Indian Agent John R. Howard, in which they ask the secretary of the interior and Indian department to move Mr. Beaulieu from the reservation. Whether Major Howard has forwarded this petition to Washington or not could not be learned. Both these actions, coming so close together, have caused a great sensation at White Earth and on the Indian reservation."

School report of district No. 11 for month ending Oct. 28:

Those neither absent nor tardy during the month were	Elsie, Martha and Ernest Beseman, Peter and Ole Erickson, Ernest and Gust Kuhn, Irene Kuhn and Pearl, Edward and Leonard Schmidt.
No. of pupils enrolled	34
No. of days taught	19
Average daily attendance	22
	Hyma Anderson, teacher.

**HAWTHORNE SCHOOL GIVES 'AT HOME' TODAY.**

The different rooms of the Hawthorne school are to give an "at home" for the parents of the students of that school this afternoon, from the commencing of the afternoon session to the remainder of the school day. The parents will in this way be given a chance to see the actual work of the school, and see what progress their children are making in their studies.

The Lincoln school gave an "at home" a short time ago which proved highly successful, and in probability the Hawthorne school's reception to the parents will be fully as successful.

**WAS WELL ENJOYED.**

A packed house greeted the four act rural comedy drama, "A Pair of Country Kids" at the Milo theatre Tuesday evening, and were a very appreciative audience. The play was a good one, having a consistent plot and delightful comedy. The specialties put on were exceptionally good, including excellent singing and some exceptionally fine clog dancing.

Hi and Trixie, showed themselves a very lively pair of kids, and kept the audience in roars of laughter. Altogether the play furnished an excellent evening's entertainment, and was liberally applauded.

**THE RED CROSS STAMPS.**

The red cross seal, which were quite popularly used in sealing Christmas packages last year, will soon be on sale again. The receipts from the sale of these stamps go towards a state fund for the prevention and relief of tuberculosis in the state. Last year the Minnesota Association for the Prevention of Tuberculosis disposed of 600,000 of these seals, and this year expects to double this number. It is estimated that not less than 75,000,000 and possibly 100,000,000 of the red cross seals will be sold in the United States this year.

Peter Garney and Jos. LeBlanc left Sunday for Sandy Lake, and were followed Tuesday night by F. D. LeBlanc, George Coons, Wm. Beveridge and John Hughes. This party will hunt deer in that vicinity this season.

B. M. Sheets of Long Prairie, who since his father's death has been editing the Long Prairie Argus, has purchased the Brainerd Arena and will have charge of the printing of Congressman Lindbergh's new magazine.

The barber shops of this city will close at 8 o'clock Wednesday evenings henceforth, the same as all other work-day evenings of the week with the exception of Saturday evening.

**BLACK-BALLED FOR ROWDYISM AND UNPROFESSIONALISM.**

That unfair and unprofessional conduct in the athletics of high schools will not be tolerated is becoming more and more manifest as the season rolls on. This has been made exceptionally plain in the case of the Wadena high, which is being consistently blackballed by the high schools of Central Minnesota for this offense. Brainerd, Little Falls and Detroit have already resolved not to have anything to do in an athletic way with the Wadena high, and on Monday the St. Cloud high school came out strong against the above mentioned high school, citing well known cases to bear it out in its statement. The management of the St. Cloud high school football team states that to play the Wadena high school would be to encourage rowdyism and unprofessionalism in school athletics.

The Wadena school will probably now tumble to the fact that such conduct will bar it from participating in the athletics of Central Minnesota.

**ROLLER RINK TO OPEN IN COUPLE WEEKS.**

On Thursday of last week Martin Engstrom and Reynold Johnson purchased the roller skates, numbering about sixty, which were formerly used at the Reynolds roller rink, and will open up a roller rink in the West side hall. Twenty-five new pairs of the roller skates have been ordered, and it is expected to have eighty pairs in good shape when the rink opens up in about two weeks or so.

The West side hall is in excellent shape, so the people of this city are assured of an excellent roller rink this season.

**COME AND GONE.**

R. D. Musser, who was visiting in the Twin cities, returned Tuesday. W. H. McGee and Dan Blanchard departed for the northern part of the state Tuesday on a deer hunt. A. W. Hatch was called to Fergus Falls to serve as a grand juror. Lester Longley departed for Minneapolis Tuesday. Mrs. A. E. Herrick, who was visiting in Minneapolis, returned Tuesday.
