Joseph Ries, who conducted a clothing store in Pierz for about two years and then moved to Gully, is visiting with friends. George Seifert, an old settler of Pierz, died Sunday night at his home about one and one half miles north of the village of Pierz after an illness of three days. Mr. Seifert was alone for the last few weeks, his nephew who resided with him since fall having left for a visit with friends in Brainerd. When the cold spell arrived Mr. Seifert from one leg, leaving him unable to move about. When the neighbors noticed no one around the premises they went over to look for him and found him on the floor unable to move. A physician was called but his injuries were fatal. He died Sunday night. His remains were taken to A. E. Macho's undertaking room, where they will be held until some close of his relatives can be found. Jan. 25.—The annual ice harvest began this week and a number of men are engaged at Fish Lake cutting the ice while several teams are kept busy transporting the same to the various ice houses around town. Their friends wish them much happiness. Rev. M. Martinson spoke in the Swedish Lutheran church last Sunday under the auspices of the Anti-Saloon league. There was a good attendance and the address was well received. One bachelor from Happy Corner on arriving home fell into the cellar, the door having been left open, and was quite badly hurt. The young lady will have to call on him for a change now. Herman Hanson is hauling wood now. There will be a leap year dance in Happy Corner tomorrow night. The street hotel is open night and day. Someone arriving continually and they are doing a rushing business. The young folks had a dance at Ash Grove one night last week. One of our Darling girls will soon leave for the East to be married. It seems that John Regnell is visiting Randall quite often for leap year. We understand that Charley Johnson will settle in Darling for good. When speaking into the telephone, speak plain and short and not for an hour. There are others who may wish to use the phone. GAME IS DISPUTED.

While the high school basket ball quintet really won from the Stillwater high on their own floor last Friday by one point, through an error of the referee calling time on the say-so of the assistant time-keeper, who called from Stillwater, the Prison City boys were given the verdict by a score of 25 to 24. Legally, the score should stand 25 to 25 in favor of the locals, with 30 seconds to play. The assistant time-keeper came to the rescue of his team, when he saw that Hall was about to shoot a basket, by blowing his whistle, and declaring time was up. Hall made the basket, but it was not allowed, although the official time-keeper claimed there was still the half minute to play. The game, however, was a fine one. The Stillwater five started out with a rush, scoring two field baskets before the locals could get to going. The Little Falls boys secured their first point on a foul which Brannen converted into a point, after which the boys fought a steady up-hill game the first half ending 14 to 10 in Little Falls' favor. In the second half the Prison City quintet again started the scoring by securing a field basket, which was soon followed by the locals finding the basket for two points. The half was nip and tuck until the last minute, when the Stillwater boys found the net for three field baskets, putting the score in their favor 25 to 24, the dispute over time following. Longley who starred for the locals by making four field baskets, was injured in the second half and was tripped by Munson. Dunphy replaced him and soon found the basket for two points. Brannen at center played his usual steady game, holding Fitzgerald to two baskets and himself finding the net for two, besides getting 8 out of 10 free throws. Munson at guard starred for Stillwater. There is one thing certain, and that is, that if those in charge of the team, do not better good and loud at the proper time, the boys will have it handed to them again in some other close game. The Prison City team is scheduled to play here Friday, February 16. The line-up: Big Six Stillwater Longly-Dunphy If Karst Hall rt Withrow Brannen c Fitzgerald Gillen Grieach lg Welshons Diedrich rg Munson Fred baskets—Longley 4, Karst 4, Munson 3, Brannen 2, Fitzgerald 2, Withrow 2, Hall, Dunphy, Grieach. Goals from fouls—Brannen 6 out of 10, Munson 8 out of 5. Referee—Hanson, U. of M. Umpire—McDonald, St. Paul. Time of halves—20 minutes.

SULLIVAN LAKE

Jan. 20.—A disastrous fire occurred at Wm. Lynn's early Sunday evening in which he lost his house and part of the contents. It seems the eldest daughter was upstairs, had lighted and was using a lamp without a chimney. Mr. Lynn says this is the only way he can account for the fire. The lamp must have been left burning and exploded as the room was all ablaze when he got upstairs, too late to save the house, so turned his attention to saving all he could on the lower floor and succeeded in getting most of them out. It is a bad time to lose a home and they will be glad of any help.
