In Dretchko and Kinkie the villagers have a strong battery, as was clearly demonstrated in their last Sunday's game with Brainerd, and with the support the team gave them last Sunday, the down-river boys will make Little Falls play the very best of ball to win.

All the fans should attend this game.

LITTLE FALLS VICTORS

TAKE CROSBY GAME 9 TO 2—BRAINERD LOSES TO ROYALTON ST. CLOUD TO BENTON CO.

Hitting the ball hard and fielding their positions in professional style, Little Falls defeated Crosby on the "iron range" town grounds last Sunday, Newman pitching, by the score of 9 to 2.

The boys from this man's town commenced scoring in the first inning, when Nevers was touched up for three hits in succession. It was all up with him from the start and later Hagen took a hand in the twirling for Crosby but was found and pounded quite generally. A total of fifteen hits were made by Little Falls while but little better than half as many were gardened off Newman's delivery.

Stoll did not accompany the team on this trip as a result of which Berg played second base, Tanner played left field and Dominick played right field.

Little Falls got out of many bad holes by steady and heady playing in this game.

Kingen made another home-run, when the felder lost a hard drive through him, and Thiess and Lauerman are credited with three hits apiece.

Not a single Crosby man stole second,

ave who dared try being caught by Thiess and Berg.

With Dretchko in the box and Kinkie behind the bat, Royalton defeated Brainerd on the Brainerd diamond last Sunday by the score of 6 to 1. Cook and Roderick were the Brainerd battery.

A three-bagger by Murn, together with a dead ball on the relay of the ball to the home plate, won last Sunday's game for Benton County, Jake Thielman pitching, against St. Cloud, "Rabe" Waddell of the American association pitching at St. Cloud in the eleventh inning. The score was 1 to 0, and is said to have been an exceptionally fast game.

Dear Amy:-

When a woman has a handsomely furnished home, she is free and independent from the "criticism" of those who come to her house. She can feel that she is socially free, because she can ask anyone to come to see her. Her husband's business standing, too, is judged by the way he keeps up his home.

I'll tell you, Amy, it pays far more than it costs to have your home looking presentable.

As ever,

Lou,

P.S.—Tell your friend to gain freedom by buying new furniture. Tell them they'll get the best and save money if they buy it from
