

# ROYALTON AGAIN WINS

DEFEAT LITTLE FALLS IN INTERESTING GAME LAST SUNDAY  
—SCORE 5 TO 4

In a very interesting contest at Athletic park last Sunday afternoon Little Falls went down to the hands of the Royalton baseball team by the score of 5 to 4.

Royalton scored in the first inning, when Hughes was given first on Lauer's error, advanced to second on a wild pitch; Kinkle retired Dominick to Lauer; and Hughes scored on Ahles' single. Dretchko was retired Berg to Lauer and R. McGonagle, Dominick to Lauer.

Little Falls came back with one run in half of the inning. Berg singled to right field and continued to second base on a wild throw; Howard was passed; Berg scored on Lauer's single to left field. Things flew out to Dretchko. Dominick advanced Howard to third base with a single, but a moment later Dretchko caught Howard attempting to come in on an attempted squeeze play. Newman was retired by L. McGonagle.

In the fifth Little Falls added three runs on three singles, a base on balls, an error and a stolen base, and the home fans were confident that the game was won. Royalton, however, came back with three runs in the following inning on four hits and an error, tying the score again.

With two down in the ninth inning, Kinkle hit for three bases and was brought in on Ahles' single. The latter was forced out on second. Little Falls failed to tally in this inning and the game was Royalton's.

The attendance was large, a good delegation coming up from Royalton with the village band.

**"UNCLE JOSH PERKINS"**  
"Uncle Josh Perkins," the famous New England rural comedy, brought up to date and equipped with new scenery and effects, is to be presented at the Milo on Monday evening. Few plays have lived as long as this amusing reproduction of farm life, and it is because of its naturalness, its wholesome humor, and its innocent pleasantness that "Uncle Josh Perkins" continues to delight thousands of playgoers year in and year out. It is several seasons since this rural comedy has visited this vicinity, and its welcome should be all the greater for that reason. "Uncle Josh Perkins" will be presented by a carefully selected cast, and the world famous "Rube Band" will, as usual, be very much in evidence. The customary street parade, without which no rural comedy is complete, will be given on noon on the day of the performance.

**LEMANCZIK BOUND OVER TO GRAND JURY**  
Paul Lemanczik was bound over to the grand jury again Thursday evening of last week for violating the liquor laws. The present charge was that of keeping his saloon open after hours, the charge being preferred against him by Wm. Hang, the West side night policeman. Defendant made no defense. Bail was fixed at \$200.

# CITY AUTO LAW VOID

State Law Declares City Ordinance In Matter Absolutely Void

St. Cloud Journal-Press: The claim of the attorney for C. A. Johnson of Minneapolis for the refund of the fine paid in this city for speeding has brought to light a number of interesting points regarding the automobile law.

The session of 1911 passed a law regulating the speed of automobiles in the state and declared all city ordinances relative to that phase of regulation absolutely void. St. Cloud, in common with many other cities, has had during the months since Jan. 1, 1912, several cases in justice court for speeding, all brought in the name of the city and in which the defendants were fined. Can anything be done in those cases is a matter which local attorneys are discussing. It is generally conceded, however, that the cases are closed and the defendants will have no recourse, except those in which the ten days given for appeal have not elapsed.

The proper mode of procedure in the future will be to bring the suits in the name of the state as the fine will still revert to the city as under the charter in all cases brought for violations of the state laws in the city the fines go to the city, even though the county attorney acts as prosecutor.

**COUNTY TO OWN ALL CITIES**  
Madison, Wis., Aug 8.—Under the proposed plan for the co-operative development of Northern Wisconsin lands under the state's supervision, for which Governor McGovern has named an investigating committee, the expense of administration is expected to be small. It is believed that 33 per cent profit will accrue to the benefit of the communal fund, which is to finance common improvements.

Besides the land, there will be revenue from the store and other co-operative activities, so it is believed that within ten years the communal fund in a colony of 25,000 acres will amount to \$250,000. Under the scheme proposed, \$250,000 will be invested in cooperatively-owned property and state aids to agriculture, in the space of about a government township.

Another feature of this plan is that the country is to own the town. A village is to be laid out, but it is to be the property of the rural colonists. Whether they sell or lease, or develop it with their communal funds, will be for the people to decide.

**CHANGES AT THE HIGH SCHOOL**  
Edward Skibness, the new manual training instructor, is busily engaged in rearranging his department at the high school building and installing manual training departments in the Columbia and Hawthorne schools. An arch-way is to be cut between the room at present comprising the manual training department at the high school and the adjoining south room, and both will be used by this department, while the old ones will be taken to one of the other ward schools. Some new machinery will also be ordered for the high school manual training department.

Rooms above the Little Falls Hardware company store in the Kiewel building have been leased and will be used for three of the grades.

**BOUND OVER TO GRAND JURY**  
Tom Murphy, alias Thomas Kelly, was bound over to the grand jury in Justice Gaudet's court last Friday afternoon on circumstantial evidence for the attempted robbery of the Pioneer Drug store. The man had been about the premises at different times during the day and the morning following the robbery and into a store in that vicinity and asked whether that was the place he had seen into the previous night. He stated that the reason for his doing so was that he had secured a sandwich at that place.

Bail was fixed at \$200, and being unable to furnish it he was placed in the county jail to await the action of the grand jury.

**GARDENS WILL BE EXAMINED.**  
A picnic was given at Maple Island for the children of the local public school. Prizes were offered for different events which were pulled off, the winners being Eugene Rasicot, Walter Larson, Natie Dinner and Harland Smitzer in the boys' running race; Elmer Larson in high jumping and Ernest Anderson in the jug writing contest.

The children, who have entered the garden contest, were asked at this time to hand in their names so that their gardens could be visited as they should be at their best by this time.

**URBANSKI IS ACQUITTED**  
Lee Urbanski was acquitted of the charge of selling liquor to an habitual drunkard in Justice Lud Gaudet's court last Friday evening, the case, which had been preferred against him by Christ Grest, being dismissed. Defense introduced evidence to show that the man had been refused liquor and that the beer, which Mr. Grest had seen the man drink had been ordered by Abe Robbins but snatched up by the man in question.

Randall defeated the Pirates of this city at Randall last Sunday by the score of 5 to 3. Lattimer pitched for Randall while John Newman officiated in like capacity for the local boys.

W. H. Workman, editor and publisher of the Bowman (N. D.) Pioneer, a former resident of this city, has been appointed postmaster at that place for a term of four years. He has been acting postmaster since last March.

Frank Dufort returned from Bruno, Saskatchewan, Canada, Sunday evening, after a month's visit with his brothers, Arthur and Napoleon. He says that crops are excellent in that vicinity this year. The John Young and Thomas Young families are also located at Bruno and doing very well. Thomas Aubin, a former resident of this city, is now a paralytic and is staying at the home of Thomas Young. Mrs. Napoleon Dufort and three children accompanied Mr. Dufort home and will make an extended visit with relatives.

# AFTER WOULD-BE CAR WRECKERS

A reward of \$10 has been offered by the Morrison County Automobile club for evidence leading to the arrest and conviction of the party or parties responsible for the placing of a huge boulder in the road in Rail Prairie near the Biddle and Webster farms. Some parties who evidently maliciously inclined towards automobilists have been placing the big rock back in the road as fast as the automobile club had it removed from the road. While no cars have been wrecked as a result, they might easily have been injured by coming in contact with the boulder.

# INJURED IN AUTO ACCIDENT

Albert Guy and H. J. Lindsey of St. Cloud were seriously injured and Mrs. Ambrose Wahl and daughter, Miss Mae, escaped with slight bruises, the latter part of last week near Avon when the automobile in which they were driving went over a twelve foot embankment and turning turtle pinned them under it. The machine was righted by parties who hears their cries and the unfortunate people freed, but the first two named were so badly injured that it was necessary to take them to a hospital.

Hunters are not allowed to try their dogs in the field except between August 15 and Sept. 1 and then only when the hunter does not carry a gun, according to the game laws, and anyone can kill the dog when it is used in violation of the law.

A fine of \$5 and costs, totaling \$8.95, was imposed on G. Hanson, erstwhile tailor at the M. J. Bracke tailor shop, Tuesday morning for using obscene language. The complaint was made by Mr. Bracke.
