

# LITTLE FALLS HERALD

MINNESOTA HISTORICAL SOCIETY

VOL. 24. NO 29

LITTLE FALLS, MORRISON COUNTY, MINNESOTA.

FRIDAY, SEPTEMBER 27, 1912.

## THE COUNTY FAIR IS ON

EXHIBITS ARE MANY AND OF EXCELLENT QUALITY—LARGE ATTENDANCE EXPECTED

The Morrison County Agricultural Co-operative society fair being held in Little Falls, opened up Thursday morning with the entry of exhibits, and although the weather was cold and disagreeable, a large number of exhibits are being placed and are excellent in all departments.

The attendance the first day was rather small, but with warmer weather today and tomorrow a large attendance is promised.

At the Rider building the products of the farm are shown in profusion, vegetables, grains and grasses of all varieties. The fruit exhibit, on account of the lateness of the fair, is not as large as last year, but is excellent.

Mr. and Mrs. Herman Busse of Two Rivers, who are always on hand at the fairs, have the largest collection in the building, and everything is first class. The Busses always have something new and this year they are showing an imported German squash and a Chinese squash, excellent for pies. In the collection is also three prizewinner onions weighing seven pounds.

J. C. Highhouse, grower of the famous golden self blanching celery, is showing a pink celery, which he says is the equal of the celery he has been growing successfully.

Mike Deering of Twin Lakes also has a very nice collection of vegetables and melons.

The high school also has an exhibit in the Rider building that is fine. Their showing is in agriculture, there being a number of products from the farm school, exhibits in manual training and domestic science.

The free attractions were very good and the band is doing its part of the entertaining.

In the entries for horses and colts those of exceptional merit are a 1050 pound, 2-year-old Hambletonian colt, a 195 pound Clydesdale yearling and a team of Percheron Norman black marcs, weighing 3265 pounds.

Among the poultry exhibits are two freak spring chickens with crooked beaks, one buffed white leghorn, a 35 pound bronze turkey and several fine looking white young turkeys. There are some fine rabbits on exhibit at the Germania hall.

Some fine Durham cows and a yearling bull were entered in the beef strain class. Heifers, yearling bulls and cows of the Guernsey strain have been entered, but the cattle exhibits are not as numerous as was expected.

The hog exhibits consist of the Berkshire and the large improved Yorkshire, while the sheep exhibits are mainly Shropshire strain.

**Friday Morning**  
9:00, judging of all exhibits will commence and continue until finished.

**Afternoon**  
1:00 to 3:00, band concert.  
3:00 to 4:00, free attraction.  
7:00 to 8:00, band concert.  
8:00 to 9:00, free attraction.  
9:00 to 10:00, fireworks at east end of Broadway bridge.

**Saturday Morning**  
A. M. judging to be finished and livestock and horse parade at 11.

**Afternoon**  
1:00 to 3:00, band concert.  
3:00 to 4:00, free attraction.  
7:00 to 8:00, band concert.  
8:00 to 9:00, free attraction.

**Fair Judges**  
Farm products—L. B. Bassett, Griffith Richards.  
Live stock—R. M. Washburn, Griffith Richards.  
Women's work—Mrs. C. B. Buckman, Mrs. W. H. K. Moyer, Mrs. C. Bolander.  
Plants and flowers—Miss Bertha Rhodes, Mrs. H. Landahl.  
Cooking—Mrs. C. H. Brown, Miss Albia Richard.

**Location of Exhibits**  
Farm products, fruits and vegetables, Rider building.  
Cattle—Bettors barn.  
Horses, Columbia hotel barn.  
Sheep and swine, Chas. LaFond barn.  
Poultry, Germania hall.  
Plants, flowers, cooking and dairy, new Kiewel store, Broadway.  
Women's work, St. Paul Store.  
Rest room, new Kiewel store, Broadway.  
Exhibit buildings will be open until 9:00 each evening.  
Fair officers may be seen at Rider building.

**LINDBERGH TONIGHT**

WILL ADDRESS CITIZENS AT COURT HOUSE ON PROBLEMS OF CONGRESS

The first political speech after the primaries will be delivered this evening at the court house by Congressman Charles A. Lindbergh, who announces that the discussion will be non-partisan but will be on the problems that relate to all the people and ones that are vitally important.

A large audience will no doubt hear the congressman in his opening address of the campaign.

It is understood that a Progressive club will be organized after the meeting.

**ST. CLOUD BANK SOLD**

The Merchants National Bank of St. Cloud has been sold to Geo. Hanscom, a banker of Foley, A. H. Turrittin of Sauk Rapids and others being also interested in the deal. John Benson will remain as president of the bank.

## JOHN MILLER INJURED

EMPLOYEE AT HENNEPIN IS CAUGHT IN REELS—PROBABLY FATALY INJURED

A terrible accident and one which in most cases of like nature proves to be fatal, occurred to John Miller, 23 years of age, an employee of the Hennepin Paper company at 1:30 a. m. Thursday morning, when he was drawn between the reels for rolling paper.

Mr. Miller was throwing the paper, which had broken, to a companion and in making the motion his right hand was caught in the reels and before the machinery could be stopped, his head and chest were drawn into the reels. The tendency of the paperrolls to yield prevented the disfiguration of his body and the breaking of any bones. Hemorrhage of the nose and ears resulted from the accident and fatal internal injuries are feared.

Mr. Miller was taken to the local hospital and later reports were that he was conscious and in much better condition than could have been expected.

The Brainerd Dispatch thinks that on account of the activities of the officers of the Northwest Paper company, that they will soon build a paper mill at that point.

## FOOTBALL PROSPECTS

LOCAL HIGH WILL HAVE GOOD REPRESENTATIVE FOOTBALL TEAM

The football team of the local high school have been working hard during the past week in order to get into condition for the opening game against a team of all stars of this city which C. B. Kuhlman is trying to arrange for. Dr. E. L. Fortier has been secured as coach and will have the team in the best possible condition for next Saturday's game.

C. B. Kuhlman, president of the athletic association, has been corresponding with several teams in the neighboring cities and has received answers from Sauk Centre, where a game will be played October 11; Royalton, where the locals will play about October 19, and Brainerd where the teams will meet on Oct. 26. Royalton will play at Little Falls on November 2, and Brainerd will meet the locals here on November 9. An attempt will be made to schedule games with Monticello and St. Cloud later on.

The board of education has decided to give the high school athletics no support this year and it will be up to the students to raise the funds with which to finance their athletics.

**RETAIN E. P. ADAMS AS LEGAL ADVISOR**

A special meeting of the board of education was held at the First National Bank Wednesday afternoon at 4 o'clock at which all members were present. E. P. Adams was named as attorney for the board of education in the matter of the building of a new high school building, S. C. Vasily qualifying his vote as bearing on the bond issue only.

C. J. Nelson, a moulder of Minneapolis, has accepted a position in the Denis & Brick foundry and his family will move here the first of next month and will occupy the Kerr house. A son will be employed as machinist.

## GREENPRAIRIE MANHURT

PAUL SEIGEL GETS FOOT CAUGHT IN GEARING OF THRESHING MACHINE

Paul Seigel of Green Prairie was the victim of a very painful accident which occurred last Friday afternoon when he got his foot very badly crushed in the gearing of a threshing engine. The accident occurred on the Freeman farm while Mr. Seigel was working on his brother's threshing rig. The machinery had stopped for some reason and just as Mr. Seigel climbed up to locate the cause of the trouble the machinery started and crushed his foot at the instep before he could free his leg. The leg was strained in his efforts to free it and the shoe was torn to pieces.

Surgical aid from this city was immediately summoned and Mr. Seigel was taken to this city for treatment. Although a very painful wound, it is not of such a nature as will require amputation unless blood poisoning sets in.

**MARRIAGE LICENSES**

Marriage licenses were issued to George Alfred King and Miss Mary Lena Duclos, Ben Groblowski and Mary Gallus, Andrew Drellock and Mary Makowski on September 23 and to Otto Nelson and Amy Olsson, Agnes Dzorran and Vincent Wilinski, Earl C. Manweil and Bertha V. Smith, Harold Wood of Grey Eagle and Myrtle May Johnson, Jacob Pflipsen and Clara Spanfeller and Milton Lonnee of Minneapolis and Miss Phoebe Cota on September 21.

Frank Kerich moved Wednesday into the house on Third street which he had built recently. Al. Dominick has moved from the P. H. Hayes house on Third street to the house on Second street which he bought from Mr. Kerich.

## HAPPENINGS IN COURT

GRAND JURY RETURNS NINE INDICTMENTS—NUMBER OF CASES DISPOSED OF

In the action of C. Rosenmeier, receiver, First State Bank of Bowlus vs. Paul Popilek, et al, a verdict was directed in favor of the plaintiff. The action was to secure judgment on a note of \$1,500 which was held by the defunct bank of Bowlus.

A verdict of no damage was brought in the case of Donley vs. Anna Zelenki. The suit was for the recovery of damages alleged to have been caused by the scattering of skunk weed seeds on the plaintiff's land.

The case of the Freeman-Patterson Shoe company vs. The Little Falls Co-operative company, E. A. Kling garnishee, was settled according to stipulations.

The case of A. M. Davis vs. Carl Gerspach, A. M. Watson vs. Town of Merrill and Simon Kassel, vs. Nick Maier were continued.

The case of J. M. Brown vs. John P. Langer and Elizabeth Langer and Hubert Langer and Margaret Langer was dismissed without cost to the defendant or plaintiff.

The case of the Merchants National Bank of St. Cloud vs. Jos. Waltman will probably be settled out of court.

In the case of the Merchants National Bank of St. Cloud vs. Stanislaus Loza and I. W. Bouck, a trial was waived.

The case of Mike Janson vs. T. J. Mathieson which was an action for the settlement of an account and that of J. A. Doshke, Peter Doshke and Katherine Doshke vs. Reeves and company, which is an action to recover money paid to Reeves and company on a mortgage which was given in part payment on a threshing rig which proved to be unsatisfactory and was returned; were both settled before coming up for trial.

The case of Geo. Benz and Sons vs. Frank Armstrong as sheriff has been settled.

The Searstock Land company vs. C. A. Carlson and Carl Anderson was tried on September 19 and 20 and a verdict in favor of the defendant was rendered.

The case of John F. Egan vs. John Wilczek, a libel case, was dismissed by the plaintiff.

The grand jury returned several indictments and failed to indict in several cases. Four indictments against Paul Lemanczek and two against John Wludarske were returned. The first is charged with selling liquor to minors and with selling on Sunday. The latter is charged with assault in the second degree. H. E. Mann, charged with assault with a dangerous weapon was indicted as was John Wludarske indicted on the same charge.

In the case of T. Kelly, charged with entering the Pioneer Drug store, and of J. J. Kunza and Leo Urbanski both charged with violating the liquor laws, the grand jury failed to indict.

In the case of E. A. Loucks vs. Mathias Thommes, which was tried Wednesday, a verdict of \$74 was given plaintiff. This action was for the recovery of hay stampage which was cut during the year 1910 and which is the property of Mr. Loucks.

The case of the State vs. Alex. Trzebiatowski was on trial Thursday. This is a case in which the complaining witness, Pauline Smuda, charges the defendant with being the father of her child. Defendant was found guilty.

**WAS ACCIDENTALLY SHOT BY COMPANION**

Arthur Larson, who was killed last week, did not meet death as thought. The mother of the boy noticing that there was a bullet hole through the back of the undershirt and a blood stain also on it, started an investigation which ended by Levi Peterson, who was with the Larson boy at the time of the accident, confessing that he had been the cause of his friend's death.

The boy said that they had been snapping the gun at each other when it was unloaded, and that after that Larson boy intended to shoot at some birds which flew away, he took the gun, and not knowing or thinking of it having been loaded, he snapped the gun at Larson, with the unfortunate result.

**CLOTHES DRAW H. D. WARREN INTO MACHINERY**

H. D. Warren, millwright at the local saw mill, was injured by being caught in the gearing and having his leg drawn into the machinery. Skin and flesh were torn from his leg just above the knee.

He was taken to the hospital and is doing well. Because of the nature of the wound, which will require that skin be grafted, considerable time will be taken in which to heal.

Born—to Mr. and Mrs. Jake Kingen, Tuesday, September 24, a daughter.

Born—to Mr. and Mrs. John Krause, on Saturday, September 21, a daughter.

Born—to Mr. and Mrs. John Blahoksy on Friday, September 20, daughter.

Born—to Mr. and Mrs. Otto Engel on Thursday, September 27, a daughter.

Born—to Mr. and Mrs. A. B. Norden of Pike Creek, September 20, a daughter.

Mayor S. P. Brick has granted the request made of him to prohibit the erection of stands from which confectionery, lunches or other goods are sold, by the directors of the Morrison County Agricultural society.

## MINSTREL BY ELKS

REHEARSALS WILL START AT ONCE AND SHOW PUT ON SOON

The officers of the local B. P. O. E. lodge held a meeting Tuesday evening and decided to stage a minstrel production with the assistance of James Gay and Herman A. Smith. Messrs. Gay and Smith are accompanied by musical directors, and have the paraphernalia necessary for the production of the minstrel. They have promised to put on a recent and novel production.

Rehearsals will be commenced immediately.

Mr. Gay was formerly manager of the Bijou theatre which showed in the Kiewel building. The firm's productions have been very successful.

The play will be given in either the Harrison & Peterson hall or the Rider building in about four weeks, as it will be necessary to have a stage considerably larger than that at the Milo.

**HOSPITAL NOTES**

Michael Foley, a stranger, is being treated for blood poisoning.

Miss Elsie Anderson of Darling, who has been receiving surgical treatment, was discharged Saturday.

Bernard Zwilling of Swanville underwent an operation on a diseased bone last week.

Alvina Doucette of Belle Prairie has been operated on for appendicitis.

Max Ackman of Pike Creek was operated on for appendicitis last Thursday.

Thomas Pusy of Bowlus underwent an operation for appendicitis last week and is recovering rapidly.

**MARRIED**

George King of St. Paul and Miss Lena Duclos, daughter of Mr. and Mrs. O. Duclos of this city, were united in marriage by Rev. Father Lamothe at the St. Francis Xavier church Tuesday morning at 8 o'clock.

The bride was dressed in a brown traveling suit with hat to match and carried a prayer book festooned with lilies of the valley and white ribbons. She was accompanied by her sister, Miss Noella Duclos, who acted as bridesmaid and who was also dressed in brown and carried a shower bouquet of sweet peas and lilies of the valley. T. P. O'Leary of St. Paul was best man.

The church decorations were white chrysanthemums, pink and white asters, woadbine and autumn leaves. Miss Ramona Randall played Mendelssohn's wedding march and the Misses Phillis Randall and Elaine Ruth sang at the church.

A wedding breakfast was served at the home of the bride's parents, Mr. and Mrs. P. O. Duclos. The dining room was artistically decorated with pink and white asters. The parlor decorations were pink and green.

Mr. and Mrs. King left Tuesday for a four weeks' trip. They will be at home after November 1, at 306 South Exchange street, St. Paul.

Mrs. G. C. King of Elk River, mother of the groom, attended the wedding.

The marriage of Miss Marie Pettit of Verdale and Robert Hinkle of Little Falls, was solemnized at 9 o'clock Sunday morning at the bride's home in Verdale. The wedding was strictly private and with the exception of Mrs. T. Eastman of this city, no one outside the immediate families of the contracting parties was present. Rev. Waters of Verdale was the officiating clergyman. The couple left on the noon train Sunday for Duluth, and after a few days spent in the Zenith City, they will go to Crosby and begin house-keeping. Miss Pettit is the daughter of Mr. and Mrs. B. H. Pettit of Verdale. She was born in that village and has lived there all of her life. She is a charming young woman possessing many admirable traits and is justly popular and much beloved by all. Mr. Hinkle, who is a son of B. J. Hinkle of this city, and has been associated with the Weyerhaeuser corporation for some time and at present he is in charge of the Weyerhaeuser mining interests at Crosby.

Milton E. Lonoe, an employee of the Northern Pacific railroad company, who has a run from Minneapolis to Staples, and Miss Phoebe Cota were married at the parsonage of Rev. Father A. Lamothe Saturday morning.

Wedding breakfast was served at the home of the bride's mother, Mrs. N. Cota.

Mr. and Mrs. Lonoe left Saturday for Minneapolis where they will make their home.

St. Cloud Journal-Press: Announcement has been received of the marriage of Miss Beatrice Whitten of Anoka to Dr. Harvey George Hieber of Thief River Falls, at the home of the bride's mother, Mrs. Ida Frost Whitten of Anoka, on September 18. The bride is well known in St. Cloud, where she graduated from the advance course of the normal, and has been a successful teacher in the schools of Little Falls, Duluth and Anoka, and is a most charming young lady. The groom is a successful physician of his home city, and has an excellent reputation in his profession and as a citizen. The best wishes of a host of St. Cloud friends will be showered on the happy couple. They will be at home at Thief River Falls after October 15.

Frank C. Johnson, who has been an employee of the Herald for over a year, will soon open a job printing establishment in the rooms under the Merchants State bank.

## COCHRANE FARM FIRE

SPARK FROM ENGINE CAUSES DESTRUCTION OF GRAIN AND SEPARATOR

The fire department was called out Tuesday morning for the second time this week, to extinguish a blaze on the R. L. Cochrane farm south of the ball park, which destroyed a separator belonging to Albert Schwanke of this city, about 1,000 bushels of rye and 400 bushels of oats belonging to R. L. Cochrane, about 100 bushels of buckwheat of Math Krause's and about 75 bushels of oats belonging to Bartomeo Cabey.

Mr. Schwanke figures his loss on the separator at about \$400 and carried no insurance. No insurance was carried on any of the grain.

Because of the arrangement of the stacks the separator was only about 15 feet away. It would have been possible to have saved the separator when the fire started, but the men were under the impression that they could extinguish the blaze with little trouble.

One stack of oats belonging to Mr. Cochrane was saved, a small stack of oats owned by Bartomeo Cabey, and one of buckwheat belonging to Math Krause were saved.

**MINING OPERATIONS**

**ETIAW COMPANY OF DULUTH SECURES ANOTHER LEASE IN MORRISON COUNTY**

The Etiaw Company of Duluth has secured a lease from Daniel R. Freeman of St. Cloud for the mineral rights on land in Clough and Darling townships.

The lease covers a period of fifty years and may be terminated by the Etiaw Company on a written notice of 90 days.

The lessees are given rights to make any improvements required in operating a mine. All taxes must be paid by the Etiaw company and at the termination of the lease all ore not merchantable must be stock piled and left on the premises so that it will not tend to inconvenience future mining operators.

Twenty-five cents per ton will be paid on non bessemer iron and forty cents on bessemer iron. One of the stipulations makes it imperative that 20,000 tons be mined yearly for the first five years and 40,000 tons for each year after, this amount to be paid for each year whether mined or not.

One thousand dollars has been paid in advance royalty.

All ore below forty per cent is to be stock piled on the premises in a place where it can be shipped with convenience when marketable and shall belong to the lessee as long as the lease is in effect with the stipulation that a royalty of fifteen cents per ton shall be paid to the lessor.

If any mine or mines are started the first one must be called "Freeman Mine."

The lease was recorded with the register of deeds, September 21, and has been in effect since August 13.

Following are the descriptions of the land:

E 1/2 of ne 1/4 of se 1/4 of section 31, nw 1/4 of sw 1/4, s 1/2 of sw 1/4 of nw 1/4 of section 32, township 131, range 30. Ne 1/4 of ne 1/4, e 1/2 of e 1/2 of nw 1/4 of ne 1/4, ne 1/4 of sw 1/4 of ne 1/4, sw 1/4 of sw 1/4 of ne 1/4, n 1/2 of se 1/4 of ne 1/4, w 1/2 of nw 1/4 of se 1/4, se 1/4 of nw 1/4 of se 1/4 of section 6, undivided 1/4 of nw 1/4 of section 5, township 130, range 30.

Such are some of the many defects which our half century's experience has shown to be inherent in our local assessorship system. So flagrant and serious are they that it is self-evident that some other method of making the initial assessment must be devised before such assessment will cease to be a howling farce.

**FIRE MONDAY MORNING**

**F. P. FARROW LOSES FUR ROBES AND CUTTERS IN BLAZE MONDAY**

A fire of unknown origin destroyed the sheds back of the F. P. Farrow and the J. H. Newman barns. The fire was discovered at about 2 o'clock Monday morning in the shed back of the Farrow barn and had gained too much headway before the fire department arrived to enable them to extinguish it and it spread to the shed back of the Newman barn before the fire apparatus could be successfully brought to play.

The livery of F. P. Farrow took fire from the burning sheds, but the blaze was put out with small damage.

The shed back of Farrow's was used as a store room for his fur robes and cutters and also as a granary. About \$300 insurance was carried on the building.

No insurance was carried on the building back of Newman's.

**COUNTY COMMITTEE SELECTED**

The county candidates of the republican and democratic parties met at the court house Tuesday noon in compliance with the new election laws of the state, to select their county committees.

F. W. Lyon was chosen chairman; C. H. Easton, secretary; Dr. C. F. Holst, treasurer and Robert Tedford and Milo Young were selected as members of the committee by the republicans.

The democrats selected P. J. Vasily for chairman and N. N. Berghelm for secretary and treasurer.

The girls of the local high school will give a chicken pie supper at Morin's hall Saturday, September 28, for the benefit of the athletic association.

## TAXATION IN MINNESOTA

THE LOCAL ASSESSOR AND HIS ASSESSMENT—THIRTY-FIFTH ARTICLE

In preceding articles something has already been said as to the difficulty of securing a fair valuation arising from the inefficient work of many of the local assessors. This inefficiency is the product of many differing causes, viz:

1st. The usual compensation by law allowed an assessor, \$2 per day, is altogether inadequate. Out of this meager stipend he is required to pay his traveling and other expenses. This practically leaves him without any, or at best, a very small compensation for his time and services. It compels him to "rush" his work, and to do it in the easiest and quickest way possible. Yet the assessor is the most important local official who has anything to do with our taxing system. He should be a man of sound judgment, familiar with the character and value of the various kinds of property he is to assess. He should not be dependent for his office upon the votes of those whose property he is to value. He should have the moral courage to resist all impurity and avoid all prejudice. He should be free from all partisanship, favoritism, and vindictiveness. In short, he should be the broadest minded, fairest and best man in the district. The services of such men cannot be secured for the unalluring compensation of \$2 per day, less expenses.

2nd. Even where the assessor is competent and honest, and there are many such, he is confronted with embarrassing circumstances which militate against a good assessment. His thankless duty is to pry into the affairs of his friends and neighbors; to force them to list all their property, and to see that it is fairly valued. During the assessment season "his hand is against every man, and every man's hand is against him."

3rd. As a general rule assessors are timid and conservative; they are unservative because they are timid. Instead of making a new and thorough valuation each year they are prone to adopt and copy the valuations of the preceding year. It is much easier to remain stagnant than it is to progress. Generally the assessor considers his work well done if his assessment is "about the same as last year."

4th. The same conservatism controls his method of assessing property, particularly personality. A listing blank is given to the taxpayer to be by him filled out and returned to the assessor. The law contemplates that the owner shall list the different articles of property owned by him, and that the assessor shall determine its value. The owner merely furnishes the inventory, and the assessor fixes the valuation. But during all of the 54 years of our statehood it has become the usual and almost universal custom for the owner of taxable personal property not only to furnish an inventory of such property, but to also fix the assessed value thereof, and this valuation the assessor accepts and copies into his books. The effect of this is that each taxpayer practically makes his own assessment; in other words, determines for himself the amount he will contribute to the support of the government under which he lives.

Such are some of the many defects which our half century's experience has shown to be inherent in our local assessorship system. So flagrant and serious are they that it is self-evident that some other method of making the initial assessment must be devised before such assessment will cease to be a howling farce.

**FATHER OF DOMINICK BOYS HURT**

Henry Dominick of Hopkins, father of Al and Leo Dominick of this city, was seriously injured by a speeding automobile and left out in the pouring rain until picked up by another automobile which passed him lying on the side of the road, where it is supposed he was dragged and left. Mr. Dominick is thought to be in very grave danger of an attack of pneumonia. No trace of the occupants of the car which ran over him can be found. Mr. Dominick is 56 years old. His injuries are in the form of a broken collar bone, dislocated arm and internal injuries.

Mrs. E. M. Westlake is ill with an attack of bronchitis.

**FINISHES INSPECTION**

**R. M. ROGERS, STATE WEIGHT AND MEASURE INSPECTOR, COMPLETES WORK**

State inspector of weights and measures for this district, R. M. Rogers, who has been here for the past month inspecting scales, linear and liquid measures, has completed the work and left Saturday for Royalton to make an inspection at that place. Conditions in this city were better than had been anticipated. This visit was made more for the purpose of warning than of prosecuting the dealers but in the future any dealer found using condemned weights or measures will be punished.

A sacred concert will be given at the library parlor Sunday afternoon, September 29, at 4 o'clock, at which all persons 15 years old or over are invited.
