FELIX MAKES ARREST

JACK KELLY TAKEN AT BEMIDJI—THOUGHT TO BE ESCAPED—JAIL BREAKER

Jack Kelly, who is supposed to be going under an alias, and who is thought to be George Thrasher, a convict who escaped from the jail of Gering county, Nebraska, in October 1912, was brought to this city Wednesday from Bemidji by Deputy Sheriff Felix and will be held to await the arrival of the sheriff of Gering county, who is to identify the prisoner. The man answers the circular sent out in every particular except as to weight, the man under arrest being about ten pounds lighter.

On a recent visit to Bemidji Deputy Felix recognized the man as the one of which he had received a photo, and this ultimately led to his arrest. When taken the man was headed for the Crookston Lumber company camps.

An award of \$500 is offered for the capture of George Thrasher, and the local officers are quite sure they have the right man.

MARCHANT GAVE BOND

St. Cloud Times: That Edward Marchant, the man arrested on the charge of failing to support his wife was not wholly to blame and that he exhibited the proper spirit in providing for the future care of his wife is the opinion of those who have followed the case which ended today in justice court by the defendant furnishing a sufficient bond. According to the officials Mrs. Marchant was injured while sliding on a hill some time ago. Her husband, while his wife was in the hospital, moved the children to Cold Springs, where he obtained a position. He asked his wife to go there but she did not feel able and the man returned to this city. He secured a house in lower town and the woman then refused to move. A row was started that ended in their separation. The man went to Little Falls but wrote repeatedly asking to be allowed to come back. His wife refused his requests and accepted aid from the city.

Marchant has shown a good spirit during the proceedings and has taken a manly stand in the matter.

MORRILL AND NORTHWESTERN LINES CONNECT AT PIERZ

According to the Pierz Journal the Morrill Telephone lines and the Northwestern Telephone company's line will connect at Pierz. The matter is said to have been arranged on Thursday of last week when representatives Bert Cheeley, M. Olson, Jake Thoen and John Foster of the Morrill line and E. E. Hall, local manager, and O. H. Tracey of the Northwestern met at Pierz and came to an agreement.

A charge of 15 cents will be made for Northwestern patrons to talk with the patrons of the Morrill line for three minutes, while a charge of 5 cents will be made to the patrons of the Morrill line for connections with the Northwestern through the Pierz exchange.

The matter of having the two lines connect at Pierz was brought up some time ago but no agreement could be made at that time.

G. A. R. WILL CELEBRATE LINCOLN'S BIRTHDAY

The G. A. R. will hold a campfire at Maurin's hall at 8 o'clock in the evening of Feb. 12. Music and singing will furnish part of the evening's program and Rev. L. L. Harris will give a talk. Lincoln's Gettysburg address will be read and talks on Lincoln's life will be given by E. A. Kling, A. H. Vernon and Rev. Atkinson.

Before the campfire the women of the W. R. C. will give a supper.

COUNCIL MEETS IN BIG HALL

The city dads held Wednesday night's session in the large room at the city hall which has been fitted into a council chamber. Each alderman has an individual desk, that of the president being placed on a platform.

GREISCH TO MEET GOURD

Fred Greisch of this city is slated to meet Harris Gourd of Randall in a 10 round boxing bout, Feb. 21, very likely at one of the local theaters. Several good preliminaries will be arranged for.

The new city show plov has been received and will be available after the next fall of snow and will be put in use.

It is reported that Mr. and Mrs. H. J. Schwartz of Royalton have gone to Pasadena, Cal., where Mr. Schwartz has a position.

Isaac LaFond had his head cut by a flying piece of iron Wednesday while he was standing in the foundry when a piece of red hot iron was being cut. The missile which hit him cut way to the bone.

Frank Cyr was down from Lincoln Thursday and collected \$7.50 bounty on a fine large wolf which he killed. Mr. Cyr moved from St. Paul onto a piece of land on Fish Trap lake last fall and states he is very well satisfied with this county. Mr. Cyr also subscribed for the Herald, and will be fully posted on all the doings in the county.

Antoine Boisjoli of Calgary, Can., and Jos. Boisjoli of Bellemere, Can., are in the city visiting with their parents, Mr. and Mrs. Jos. Boisjoli, who have been ill. Antoine Boisjoli has done exceedingly well in Canada, having acquired large farm interests. A railroad is being built which will run a half mile from his place whereas when he moved to the Dominion about 12 years ago, he was forty miles from the nearest railroad.

GAS FRANCHISE IS UP

COMMITTEE APPOINTED TO GO OVER COPY OF FRANCHISE—OTHER BUSINESS DONE

The application of E. E. Collins for a franchise to build and maintain a gas plant for heating, lighting, cooking and power purposes was received by the council at their meeting Wednesday. The essential parts of the franchise call for a 25 year permit to operate the plant, gives the grantee the right to make the necessary excavations for the placing of mains and conduits and erection of a plant and the laying of the main system and conduits that will be perfectly sanitary to the city and that will be perfectly safe. A provision is made whereby at any time within the time mentioned the city should desire to purchase the plant they may do so. The rate to be paid for gas is to be fixed by the city.

A committee consisting of the city attorney, city engineer and Aldermen Loucks, Hall, Brown and Parshall was appointed to read the franchise over and report at the meeting to be held February 17.

A plumbing license was granted to John H. Love with Harry Hamm and Wm. H. Pantzke as sureties.

The application of John Dolan for a refund of \$3.30 for money deposited with the city clerk at the time of his application for a liquor license, was laid over to be acted on at the next meeting of the council.

The petition of First street residents for a sewer to be laid between First avenue northeast and Third avenue northeast was read and the preliminary order will be read at the next meeting.

The residents of Second street near Seventh avenue petitioned for the placing of a 100 watt, mazda street light on the corner of Seventh avenue and Second street and a resolution ordering the placing of the light will have its first reading at the next meeting.

The petition asking for the closing of the alley in block 16, the block in which the new high school building will be located, was not acted upon because it will be necessary to look up the point whether the residents of adjoining blocks must sign the petition.

A liquor license was granted to Frank Richie and John Wakowick with Paul Koylics and John Walkowick as sureties.

Phil Randall made a partial report on the matter regarding the making of a plat showing the water mains, the sewer system, the flush tanks, the manholes and other points in connection with the water and sewer system and was ordered to draw a plat of the same. Mr. Randall will commence work on the plat in a few days.

A wolf bounty was paid to Herman Lutzke of Swan River Saturday.

Miss Maude Tourtilotte left Wednesday for Swanville where she will substitute for two weeks in the school taught by Miss Grace Burt of Royalton.

LENTEN REGULATIONS

BISHOP TROBEC OF ST. CLOUD DIOCESE GIVES OUT RULES FOR LENT

Lent begins on Ash Wednesday, February 5. All the faithful, unless legitimately excused or dispensed, are bound in conscience, under the penalty of grievous sin, to observe the Lenten regulations.

All the days of Lent, the Sundays excepted, are days of fast. The precept of fast restricts the use of food to one full meal towards the middle of the day, and a collation in the evening not exceeding the fourth part of a meal—custom, however, authorizes the taking in the morning of a cup of coffee, tea or chocolate, with a small piece of bread.

For the collation, theologians allow solid food to the amount of 8 ounces. The solid food taken in the morning should not exceed two ounces.

When the full meal or principal repast cannot be taken without serious inconvenience towards the middle of the day, the order of repast may be reversed, the full or principal repast being taken in the evening and the collation at an earlier hour of the day.

The use of flesh meat is allowed at all meals on Sunday and at the principal meals on Mondays, Tuesdays, Thursdays and Saturdays, except the Saturday of Ember week and the Saturday of Holy week.

The use of flesh meat, therefore, is forbidden at all meals on Wednesdays, Fridays, the Saturday of Ember week and the Saturday of Holy week; and on other days, outside of Sundays, it is forbidden at other repasts outside the one full meal.

The use of lard is permitted at all times in the preparation of food. Both fish and flesh meat cannot be taken at the same meal, even on Sundays.

Persons, legitimately excused or dispensed from the precept of fasting, may use flesh meat at all meals on whatever day there is a general permission to use it at the principal meal.

From the precept of fast are excused: Those under the age of 21 years or over the age of 60; the infirm and the convalescent; women bearing or nursing children, persons engaged in hard labor or other duties exhaustive to physical strength, and persons who from poverty are unable to procure for the principal meal a sufficiency of nutritive food.

From the precept of abstinence are excused the young under the age of seven years; the sick; persons who are so situated as not to be able to procure for themselves abstinence food.

In virtue of the authority conferred to bishops in the United States by a recent Pontifical Indult, permission is granted to "working people" to use meat on all days of Lent, with the exception of Fridays, Ash Wednesday, the Wednesday and the Saturday of Holy week.

The dispensation from abstinence extends to all three meals of the day. The usual prohibition remains against using flesh meat and fish at the same meal.

Where the wage-earner, in virtue of the Indult, uses meat, all the members of his household may likewise use it. The church does not wish to impose upon the household the inconvenience of double cooking. But in cases of this kind, the members of the household are bound under the precept of fast, are allowed the use of meat only at the principal meal.

The Sovereign Pontiff exhorts all who make use of the privileges of the Indult to be still mindful of their duty to practice self-denial; and he counsels that instead of abstinence from meat some other sacrifice of bodily comfort be practiced, the Sovereign Pontiff himself suggests as such sacrifice, abstinence from intoxicating drink.

The days of fast and abstinence occurring outside the Lenten season during the year are the Ember days and the Vigils of Holy days. The Vigils will be: The Vigil of Pentecost, that of the Assumption, that of All Saints and that of Christmas.

All Fridays are, of course, days of abstinence except when a Holyday of obligation falls on a Friday—then there is no fast nor abstinence.

The Pontifical Indult, of which we have spoken, exempts "working people" from the abstinence of Vigils and Ember days, except when such Vigils and Ember days fall on Friday; and on such days the Indult also exempts from abstinence, in the same condition as for the Lenten season the members of the household of the wage-earner.

Pastors will make to their flocks in the usual terms due announcement of approaching Ember days and Vigils—adding to such announcements a statement of the privileges given by the Indult to "working people."

When doubt exists as to whether one's condition or circumstances allow exemption from the precept of fast and abstinence, counsel should be asked from confessors or pastors, who are the authoritative interpreters of the law, and who are even empowered, in special cases, for good and sufficient reasons, indicated in Catholic theology, to commute the precept of fast and abstinence to other penitential works.

In enjoining upon the faithful an abstinence, Holy Church makes a practical application of the evangelical law of self-denial, of which the Savior and his apostles were, by example and by word, such eminent teachers. Without self-denial there is no Christianity. Indeed, without self-denial there is no natural morality. The man who has not acquired by habit the power of self-restraint will not be victorious over sin, amid the storm and temptations of life which all men must encounter.

The observance of the fast and abstinence, prescribed by the church, is taken by the world as a public and fearless profession of Catholic faith. He who, without sufficient and obvious

GRIFFITH RICHARDS GOES TO WISCONSIN

Griffith Richards, for the past two years a member of the faculty at the local high school, and having charge of the Agricultural department, leaves Feb. 14 for Price county, Wis., where he will be employed as county agricultural advisor of Price county.

He will be in charge of the university extension work in that county and is virtually employed by the University of Wisconsin. The United States government extension division and the county extension department, and will have his office in the court house. In his office he will have an agricultural library and the equipment with which to make the various seed germination and milk tests.

His work will be of a demonstrative nature. He will go around to the different farms and try and arrange better plans for the laying out of the fields (that is the planting of seeds in soils adapted to their growth). He will also test out the value of the different fertilizers on different kinds of soil and show the farmers how to place lime into the soil.

The different methods of growing alfalfa will be given special attention. Mr. Richards will also conduct agricultural meetings all over the county and will organize co-operative clubs among the farmers as well as have charge of the farmer boys' short course similar to that held at the high school here.

A motorcycle will be furnished him with which to travel around the county.

Mr. Richards will be back here during two days of the Farmers' Institute to be held here during the last of this month.

H. E. MEYERS RE-ELECTED CASHIER OF PALISADE BANK

At the annual election of officers of the First State Bank of Palisade held Monday of last week H. E. Meyers was re-elected cashier for the ensuing year. The bank has increased its surplus to \$5,000 over the \$2,000 surplus of last year and carried the sum of \$250 over as undivided profits instead of a dividend. The bank has been operated for four months and now has a surplus equal to one half of the capital which places it on a substantial footing.

reasons, eats meat or takes his usual meals when abstinence or fast is enjoined, is not accepted as a practical Catholic.

Let Catholics have the courage of self-denial for the sake of Christ and their own souls, and be on their guard lest by their acts scandal be given, and the fair name of their religion be dishonored.

During Lent, the pastors will hold at appointed times in their several churches appropriate exercises of devotion, and will give to the faithful instructions of a practical nature upon the articles of the creed, the commandments and the sacraments.

The devotion of the Way of the Cross will be observed, when possible, in all churches and chapels, on the Friday evenings throughout Lent.

COMMISSIONERS MEET

TREES SHRUBBERY AND FLOWERS FOR COURT HOUSE LAWN—GIVE MOTLEY FAIR \$150

The board of county commissioners met in regular monthly session Tuesday, all members being present. Bids for kalsomining and plastering rooms in court house were opened, and were all rejected.

Final hearing of petition of Otto Nordlund to be set off from district No. 24 to independent district of city of Little Falls was granted as was also the final hearing on petition of Philip J. Chock to be set off from district 13 to district 75.

Abatement was granted W. R. O'Haran and John Gross.

The following described public highway was designated a state road: Beginning at the west quarter post of section six (6) in township one hundred thirty (130), range thirty-one (31), in said county and state, on the west line of said section six (6), thence running east on the quarter line of said section six (6) thence continuing east on the quarter line of section five (5) of said township and range to the center of said section five (5), thence running south on the quarter line of said section five (5) to the south quarter post of said section five (5), thence running east on the section line between sections five and eight (5 and 8), four and nine, (4 and 9), three and ten (3 and 10), and two and eleven (2 and 11), in said township and range, and terminating at the southeast corner of said section two (2).

A motion carried that the county purchase shrubbery, trees and flowers for court house lawn from H. D. McNairy as per his plans and specifications submitted to the board not to exceed the total cost of \$275.00, including all work of setting them out.

The county appropriated \$150 to aid the county fair located at the village of Motley for the year of 1913, said \$150 to be paid by issuing warrants on county revenue fund August 1, 1913. Those voting in favor were F. H. Lakin, Herum, Gassert, Voting no, D. Rocheleau, Not voting, Viechorek.

The auditor was authorized to write the state highway commission to continue the two patrols as in 1912.

The Victor theatre was opened to the public Monday evening when the play, "The White Sister" was staged before a fair sized house.

The seating arrangement in the new house proved to be very good, the stage being in plain view from all seats. "The White Sister" is a play the subject matter of which deals with the life of a young lady who has entered the convent because of the belief in the death of her lover, who is supposed to have been killed in Africa. With the return of the lover he wishes the sister to leave the order for him. The play shows clearly the struggle between love and a religious vow in which the latter finally triumphs.

The cast, with the exception of "Sister Giovanni," which part was taken by Clara Lewis, and "Monsieur Saracinesca" which was ably handled by Eugene Murphy, was not as strong as it should have been. The scenery was fine.

The Albrecht Stock company, which has a five night engagement at the Victor, are putting on some excellent shows at popular prices.

Will Wilke of Grey Eagle was in the city Friday on his way to Federal Dam on business.

A total of \$13.30 was taken by the city weighmaster during the month of January of which \$13.20 was for weighing loads and 10c for measuring wood. This is the smallest total received from the scales for several months.

WILL REVIEW THE CASE

JUDGE TAYLOR ISSUES WRIT OF CERTIORARI IN BARRON CONTEMPT CASE

Judge Taylor of St. Cloud has issued a writ of certiorari in the Barron contempt case which came up before Judge of Probate Shaw Feb. 24, at which time Barron, who is an attorney of Brainerd, was fined \$25, the judge holding that on account of the tone of letters of defendant to the court, he was in contempt.

The writ issued is in effect an order on the judge of probate to furnish Judge Taylor the papers in the case for a review by him, so that he might judge as to merits of the case.

"THE WHITE WAY"

At 7:30 o'clock Monday evening, the time set for opening the doors of the Victor play house to the public for the grand opening night and for the initial use of the Second street white way, Second street between Broadway and First avenue northeast, was flooded with the soft rays of some forty odd tungsten lights and simultaneous with the turning on of the white way, the theatre opened its doors admitting the public to the play, "The White Sister."

The posts for the white way arrived Friday and the installation and the wiring of the system was completed by the Water Power company employees Monday afternoon. One of the posts was damaged in transit and but seven of them were installed for Monday night. Each post has a cluster of five sixty watt lights. All of the lights are tungstens and are incased in frost glass globes.

K. O. T. M. WILL HAVE BIG TIME IN JUNE

A cash prize of \$100 will be given to the winners of the degree work contest which will be a feature of the K. O. T. M. state convention to be held in this city June 18 and 19. A cup will also be awarded to the prize winners by the great camp.

A class of 50 will be given the first degree by the supreme officers of the order, those entering coming from Detroit, Mich.

Dr. E. H. Haas of St. Paul, great state commander, attended a meeting of the lodge here Tuesday evening.

DIED

Miss Eva Turner, daughter of Mr. and Mrs. F. F. Turner of this city, died at a Fargo hospital Tuesday night at the age of 25. Miss Turner was a nurse at Fargo and had been home on an extended visit with her parents, leaving Jan. 24 to resume her duties. She was taken ill the night of her return and was taken to the hospital where she underwent an operation several days later.

Miss Turner was born and raised here and had a large number of friends who will be grieved to hear of her death. She was graduated from the hospital at Jamestown, N. D., about eighteen months ago and since that time has followed her profession, part of the time at Fargo.

Mr. and Mrs. Turner were present at the time of her death, Mrs. Turner returning Wednesday and Mr. Turner bringing the remains to this city Thursday.

Up to press time the funeral arrangements were not made.

E. W. Malburn, a pioneer resident of the county, died at the home of his son, S. A. D. Malburn, Fourth street northeast at the age of 82 years. Death was due to natural causes brought by old age.

Mr. Malburn was born at St. John's, Can., and was taken to Plattsburg, N. Y., by his parents, when still an infant, from which place he moved to Belle Prairie in 1866.

Deceased is survived by two daughters, Mrs. G. H. Wait and Mrs. G. W. Kritzer of Spokane, Wash, besides the son at whose home he resided at the time of his death. Four sisters living in New York state also survive Mr. Malburn.

The funeral was held Wednesday afternoon at 2 o'clock from the Methodist Episcopal church, Rev. L. L. Harris officiating and the remains were interred in Oakland cemetery.

Toussaint (Sam) St. Pierre passed away Monday morning, January 27, at 6 o'clock on the White Earth reservation. Death was sudden and unexpected as St. Pierre was in the best of spirits and had so far recovered as to dispense with the services of the physician and nurse in whose care he had been. He was very well known by the older settlers in the county as he was for a number of years located at Motley.

Toussaint St. Pierre was born in Canada on October 3, 1848, and came to this state in 1864. He was married to Miss Philomena Roy, daughter of the late Hon. Peter Roy, a prominent citizen of early days of this city.

St. Pierre leaves a widow and several grown up children to mourn his loss.
