ORDINANCE RAISING SALOON LICENSE TO \$1,000 GIVEN FAVORABLE VOTE BY COUNCIL

A regular adjourned meeting of the city council was held Thursday evening, with all the aldermen and about 150 citizens present. The large amount of work on hand kept the council busy until after midnight.

A resolution was passed to close the alley in block 16 of the original townsite of Little Falls, Mr. and Mrs. Cooley having withdrawn their objections.

A liquor license was granted to I. Gottstein with S. Trebby and C. A. Sprandel as sureties. Alderman Hall voted against the license.

Wm. Burns, who was forced to vacate the Victor theatre some time ago, asked the council for a refund of \$18 on his license, but a motion was passed refusing this.

John Love was granted permission to connect the sewer at the home of E. P. Adams on Fourth street northeast. W. H. Ryan was also granted a permit to connect the sewer with the Schleusener house on Second street southeast.

The bids for the city deposits were received and as all bids were the same it was decided to divide the deposits between the three banks.

The Transcript Publishing company's bid for city printing at 75 cents per folio for the first insertion and 35 cents for subsequent insertions was accepted.

W. H. Ryan and the Little Falls Plumbing & Cycle company were granted plumbers' licenses, John Wetzel and J. K. Martin as sureties for the former. The bonds of the latter were to be filed later.

Bids will be received for the street sprinkling on May 15. A motion was made and passed to leave the district to be sprinkled the same as last year.

The quarterly report of the city treasurer was read and left to the auditing committee for reference.

An ordinance fixing the salary of the city assessor was given its final reading. The ordinance provides that the assessor shall receive a salary of \$300 for all odd numbered years and \$350 for all even numbered years. This will do away with the work of fixing his salary every year.

Alderman Kaliber introduced an ordinance prohibiting spitting or throwing refuse on sidewalks, or in any theatre, church or public hallway in the city. The ordinance was unanimously passed and was given its final reading.

Another ordinance was introduced which would require the proprietors of all saloons to remove or close all card rooms, chairs and benches, except those behind the bar, and that all curtains, shades or blinds of any description be removed after closing hours, with one light burning, giving the public a full view of the interior of the place. No action was taken on this ordinance and it was left over to the next regular meeting of the council.

The chief of police matter was taken up at this meeting, E. A. Kling representing the defendant. After considerable discussion which was rather heated, the aldermen voted to leave the matter to the next meeting.

The high license question came up for the last time on the program and the public was called to discuss the matter. N. N. Bergheim, Dr. L. M. Roberts, Rev. L. L. Harris, F. A. Nelson and Rev. Frank Atkinson spoke in favor of high license while Chas. Sylvester, T. C. Gordon and F. W. Lyon were opposed to the change, stating that if it was but a proposition for the elimination of the undesirable saloons, they could be eradicated without raising the license fee from \$500 to \$1,000. The first reading was given the ordinance, the vote being 6 to 3. Carlson, Loucks, Kaliber, Peterson, White and Parshall voted for high license and LaFond, Hall and Brown voted against it.

THEY MADE GOOD TIME

VEGETARIAN AND MEAT EATERS SHOW UP GOOD IN WALK TO ST. CLOUD

As was planned, the hike to St. Cloud was made by Val. Kasparek, Joe Masog and Constantine Droskowski Sunday. Mr. Kasparek, who is a vegetarian, started out at 7:30 o'clock in the morning and arrived in St. Cloud at 3:30 in the afternoon. Joe Masog left the city at 7:40 in the morning and came into St. Cloud at 4:20 that afternoon. Constantine Droskowski was the last to start, leaving the city at 9:30 and arriving in the Granite City at 4:45 in the afternoon. The later two are meat eaters. Joe Masog stated that he did not feel the effect of the walk as much as the end of the journey as when he was but half way. All three made the trip alone. Droskowski, the mail carrier, walked the distance in the shortest time, making the total distance of 32 miles in less than seven and one half hours. The walk was not a race, however, but was made to test the value of different diets. Kasparek and Droskowski returned to the city early in the evening, while Masog came up on No. 11. They were not much to the worse for the walk and were back to their duties Monday. It is understood that another hike will be made in about a month.

The court house lawn is being improved and a man is busy planting shrubs and flowers which will be tastefully arranged. The old fence was torn down some time ago and it is said that the lawn is in better keeping without it.

Mrs. Annie Trebiatowski, who was sent to the detention hospital last year, but who was released in January, has again been sent to Fergus Falls. She was accompanied by her mother and A. Kerich, who was deputized to make the trip.

A stray child was found on the street in front of Harting & Son's furniture store Friday by Chief of Police LeBlanc. The child was but 3 years of age and could give no clue as to where it belonged but was identified as the daughter of Mr. and Mrs. Chas. Notton.

G. W. Karlson, the monument man, has taken in a partner and the works which are located on Wood street will hereafter be known as the Karlson & Stonquist Granite Works. Mr. Stonquist is an experienced monument man from Pennsylvania. Modern machinery will be installed to facilitate their work.

FIRE DEPARTMENT CALLED OUT

A fire which practically destroyed a barn belonging to A. K. Hall on the alley near Second street northeast. The fire occurred about 1:45 Tuesday morning and was discovered by people who lived upstairs in the Hall house. The fire department was called to the scene and after considerable work the blaze was subdued. The building was valued at \$600 and the loss was partially covered by insurance. Several sleds, some feed and a large amount of hay that was stored in the barn was destroyed. The barn was covered with fire-proof roofing and had it not been for this the opera house might have caught fire.

MILLO HAS NEW MANAGER

M. Hally of Minneapolis arrived Monday to take up the management of the Milo theatre of this city. L. Vandersluis, who has had the management of the theatre for several weeks, will return to Alexandria, where he has a motion picture house. He will return in two weeks, however, to put on a vaudeville exhibition entitled "Master Jim." Mr. Hally, the new manager, came direct from Minneapolis, where he has been with the Unique theatre for about seven months. He was also a manager of a theatre in St. Cloud for several years. With the new management the Milo the building will undergo extensive changes. The ticket office will be moved from the front to the side of the entrance and the machine room will be lowered. The stage is also to be changed to make it more convenient for the actors.

CANADIAN PLAY WAS GOOD

The Milo theatre was well filled Saturday evening at the presentation of "The Wolf." The production, which dealt with life on the Canadian borders, was exceptionally good and carried with it a strong love story. Although sad in parts the scenes were always smoothed out by the witty expressions of an Irishman. The closing scene of the production was a hand to hand fight between two rivals on a dark stage, in which an American surveyor who had attempted to lure a girl from her country, was killed. Those who witnessed the play pronounced it good.

Minutes Mean Dollars IN TREATING ANIMALS

Doubtless you know the danger of delayed treatment of colic and other diseases. You also realize that wrongly applied remedies are often worse than no treatment at all. In other words, not to diagnose a disease accurately may prove fatal. Every owner should be able to recognize an ailment and give correct treatment at the first symptoms. Prompt action is the great secret of treating horses.

Minutes mean dollars. Of course proper treatment is always necessary. That is just how Humphrey's 50 page Veterinary Manual will prove so valuable to you. It is by F. Humphrey, M.D., V.M., and teaches how to diagnose and give proper treatment.

This book will save you hundreds of dollars and costs you nothing. It will be sent absolutely free on request to any farmer in order to introduce Humphrey's Veterinary Manual. Remember, it is absolutely free. You do not have to order any remedies to secure the book. Address, Humphrey's Homeopathic Medicine Company, 111 William Street, New York City. This is a splendid opportunity to obtain a veterinary treatise that you should have in your library. As a reference work you will find it invaluable. It is the best book of its kind and will be worth many dollars, whereas it will cost you but a postcard by writing for it now.
