

HEADQUARTERS HERE

'NORTHWEST' WOODMEN REPRESENTATIVES AGREE TO LOCATION AT LITTLE FALLS

A special meeting of the Commercial club was held at the city hall Thursday evening of last week to discuss the M. W. A. headquarters proposition.

John L. Sundean, who is field manager of the campaign for the state order, appeared at the meeting and told the club that it would require a bonus of \$3,000 to finance the campaign and get the headquarters here. It was agreed that this sum be raised providing a suitable guarantee be made that the headquarters would locate here permanently once the lodge is started.

On Friday following the meeting of the commercial club Mr. Sundean accepted the offer of this city and asked that \$600 be turned over immediately, as the money was badly needed.

J. W. Crossfield was appointed to attend the initial meeting in Minneapolis and make the first deposit. He was accompanied by N. J. Peterson.

Opinion seemed to be against locating the headquarters at Little Falls and the representatives from this city withdrew the offer with the first payment of \$600. This, however, did not meet with the approval of Mr. Sundean, campaign manager, and he resigned that office. At this point the leaders changed their minds and took a vote on Little Falls as the location of the headquarters of the new lodge. The result was that there was but one vote in opposition and a resolution was passed to designate Little Falls as the proposed headquarters in the articles of incorporation. The order will be known as the Northwest Woodmen.

An act passed by the last legislature gives the lodges of this state right to withdraw from the mother order providing the articles of incorporation are signed by 15,000 members. The articles of incorporation will be drawn up at once and work started to secure the necessary signatures by June 30.

If Little Falls gets the headquarters, which is almost certain now, it will mean a great deal to the city as all correspondence will be directed from here. An office force of some size will be employed and it is possible that a paper will be published. It would also mean a large banking business and would help the city in a good many other ways.

Over \$2,500 was subscribed in a few hours and the balance can be secured easily.

FOUND GUILTY OF PETIT LARCENY

George Ally, a Syrian peddler, was arrested Friday by Deputy Sheriff Paul Felix on the complaint of Paul Jabas of Swan River for having stolen \$5 from complainant's mother. He had stayed at the home of Jabas Thursday night and when he left Friday morning got away with a \$5 bill. The sheriff was notified by telephone and the peddler was caught near the limits of this city. He was brought before Justice Gaudet Saturday afternoon to answer to the charge. He was found guilty of the theft and was sentenced to pay a fine and the costs of the case amounting to over \$21.00.

FIRST PEDDLER'S LICENSE ISSUED

County Auditor McNairy on Wednesday issued the first peddler's license in this county since the law requiring a county license went into effect. The license was issued to Joe Swaser of this city and allows him to hawk or peddle goods in this county. The license costs \$15 and is for one year only. The hawker must, however, get a separate license in cities and villages where there is an ordinance requiring peddlers to take out licenses.

LEFT MANY BEQUESTS

JUDGE HOLLAND OF BRAINERD, LATELY DECEASED, REMEMBERS OLD FRIENDS

What is said to be an extraordinary will in many respects, was that left by Judge Holland who died just recently in Brainerd by accidental shooting.

The larger share of the estate is left to his nephew, Geo. D. Labar of Brainerd. Aside from his relatives a great many of the friends of the deceased were remembered in sums mostly of \$1,000. The list includes doctors, lawyers, stenographers, railroad men, etc. The city of Brainerd is left iron ore land which it is estimated will pay all the debts of the city. Every church having church buildings and holding regular service, were each given \$1,000; also the Salvation Army and the Masonic lodge.

Among those receiving bequests known to people in this vicinity are: Drs. Camp and Groves, Lawyer W. A. Fleming, Lawyer F. W. Hall of Aitkin, at one time a resident of this county, S. F. Alderman, Judge W. S. McClenahan, Editor A. J. Halstead of the Brainerd Tribune, Editors Weiland and Ingersoll of the Brainerd Dispatch, Attorney M. E. Ryan, H. C. Stivers of Superior, Wis., a former resident of this city, T. H. Brady, N. P. locomotive engineer, Conductors Edward E. Day and F. B. Desch and Harry S. McLaughan. Each of the above were willed \$1,000, excepting the last three, who will receive \$500 each.

Rev. Daniel W. Lynch of Duluth, a former pastor of the St. Francis Catholic church at Brainerd, was left \$500, as was also Jefferson P. Saunders of Brainerd. Two hundred dollars each was left to Mrs. Caroline Grandelmeyer, Carrie Morrison and Rachel Morrison, all of Brainerd.

The estate will aggregate over \$300,000.

AUSTRALIA'S WILD OYSTERS
Oysters are sometimes regarded as dangerous but they are not usually considered savage. A Queensland judge, however, has decided that they are wild beasts. Before a royal commission on the pearling industry, which has been sitting at Brisbane, a witness stated that eight years ago he had laid 100,000 shells in the neighborhood of Friday island. The Japanese stole the shells, and the district court judge held that as pearl shell oysters were wild animals there was no penalty for stealing them. There should be a law, he said, when they can get golden grain belt beers, praised by foreign experts, advertisement. Order of E. S. Tanner, tel 35, Little Falls.

CIVIC LEAGUE HOLDS MEETING

A meeting of the directors of the Civic league was held at the library Friday evening. It was decided at this meeting to engage Miss Maria Sanford for a lecture on May 7. The park committee will be asked to place tables in the Pine Grove Park and the N. P. will be asked to beautify the surroundings of the depot. That the curfew ordinance should be enforced was also brought out and the police force will be asked to carry out this ordinance.

BOY GOES TO RED WING

Alex Ginter, thirteen year old son of Joseph Ginter of Flensburg was haled before Justice Gaudet Monday on the charge of stealing a bicycle. Isaac LaFond was complainant in the action; his bicycle having been taken from near the approach of the Broadway bridge while he was at work. The theft occurred about two weeks ago but no trace of the culprit could be found until the latter part of last week, when a neighbor of the Ginters identified the wheel as the one owned by Mr. LaFond.

Mr. LaFond drove to Flensburg Sunday and went to the home of the boy but was told that the wheel was not there. He demanded, however, that the bicycle be found. The boy directed him to where he had hidden it and they found both wheels of the bicycle in the brush near the tracks. The frame was found at the home of the boy and a neighbor had the seat. Deputy Sheriff Paul Felix brought the boy in from Flensburg in the evening.

The boy was brought before the justice Monday afternoon and found guilty and it was decided to send him to the Red Wing training school. The young fellow has been the cause of considerable trouble to the neighbors in the past and this is not his first offense.
