DIETZ TO PLAY RETURN ENGAGEMENT

The Milo theatre was taxed to its capacity at both shows Wednesday evening when Leslie Dietz, son of John Dietz of Cameron Dam, gave an illustrated lecture of the "Defense of Cameron Dam." The prices were advanced to 10 and 15 cents but the audience was so well satisfied with the lecture that Mr. Dietz was secured for a return engagement tonight. The regular program of pictures and songs was also included in the program. Mr. Hally, who has had the management of the theatre for some time, will leave for St. Cloud the first of next month and from there will go to the northern part of the state, where the Princess Theatre Circuit company has purchased three more theatres.

SCHOOL EXHIBITS

The schools of this city gave an exhibit of the work of the students Wednesday in each building. This was the first exhibit for some years and was exceptionally good. Drawing, writing, sewing manual training and agriculture were exhibited, showing the excellent results obtained during the school year. A light lunch was served to the visitors at the Central at 4 o'clock in the afternoon.

THE MACCABEE CONVENTION

A regular meeting of the K. O. T. M. lodge was held Tuesday evening, at which time further plans for the entertainment of the delegates to the convention were discussed. At least 100 candidates will be initiated into the order at this time, and teams have been started to secure members. Included in the entertainment there will undoubtedly be two free shows for the visitors at the Milo Wednesday evening during the convention.

LAURELS TO MEET RANDALL SUNDAY

Frank Greeza, manager for the Laurel baseball team of the West side, has secured a game with the Randall team, to be played on the local diamond. The street grader has been used in fixing the grounds, and they are in fine shape. The Pirates were defeated by Randall last Sunday but this inspires the Laurels and they feel confident of winning.

Richard Burton has received a second prize from the publishers of the American Boy for a picture of Mr. Burton's tennis lawn. The photo appeared in the last issue of the magazine.

The city band played several selections at the four corners Wednesday evening, after which they played at the Victor theatre. The theatre had for its Thursday evening program the regular pictures and a special vaudeville act in which a man featured music on a number of instruments, but especially on the banjo.

Announcement has been made of the marriage of Arthur Anderson of Minneapolis to Miss Dorothy Mitchell of St. Cloud at that place June 10. Local people will remember Mr. Anderson as the son of J. W. Anderson, who formerly operated a wagon factory in this city. Miss Mitchell is at present a teacher in the Royalton schools.

TO HAVE FAST TEAM

LITTLE FALLS WILL HAVE PAID PLAYERS IN FIELD FIRST PART OF JUNE

A salaried base ball team is assured for Little Falls, the soliciting committee having reached the \$1,000 mark, and the balance will be easily obtained. Several good players are being looked up and it is thought that the team can be got under way the first part of June.

It is expected that the team will play several dates on week days and make a number of trips away from home.

Several of the towns in this neighborhood are also strengthening up and the baseball enthusiasts are looking forward to some real classy contests.

MAY CLOSE SALOONS

Validity of Indian Treaty of 1855 Concerns Several Hundred Saloons

The validity of the Indian treaty of 1855, by which "Pussyfoot" Johnson, special Indian agent, attempted to close up the saloons in northern Minnesota, is to be passed upon by the United States supreme court.

Reopening of the case came Tuesday when Chas. C. Houpt, United States district attorney, filed notice of appeal from Judge Willard's decision that the treaty is no longer effective and was abrogated when the state was admitted into the union.

When W. E. Johnson attempted to close up the saloons of a large section of this state under the old treaty, application for an injunction restraining him from attempting to enforce the old agreement was brought by twelve northern Minnesota saloon keepers. The application was granted by Judge Willard. He held that the treaty was no longer effective.

According to the United States district attorney a favorable decision of the supreme court would close up several hundred saloons in the state, in territory which was granted to the United States under the treaty of 1855.

Mr. Ayres has seen Minnesota grow from little or nothing to its present proportions, and his paper will be of great interest.—St. Cloud Times.

DIED

Maurice John Coleman passed away at his home Wednesday afternoon at 2 o'clock, at an age of 63 years, after an illness of 12 days' duration. Death was due to arterio sclerosis, a heart disease.

Mr. Coleman was born in Philadelphia, Pa., February 9, 1850. He came West in the early 80's and on the 9th of September, 1887 was married at Superior, Wis., to Miss Mary Dimler of Neilsville, Wis. Mr. and Mrs. Coleman came to this city the same year, and have lived here ever since.

During the 26 years of his residence in this city Mr. Coleman was custodian at the city hall for over fifteen years, but resigned several years ago. He was last employed as gate operator and flagman for the N. P., which position he was forced to leave when taken sick. Deceased leaves to mourn his death a wife and two children, Miss Edna Coleman and James Coleman, both living at home.

The funeral will be held from the St. Francis Xavier church this morning at 9 o'clock, Rev. Father Lamothe officiating. Interment will be in Calvary cemetery.

PAID OVER \$3,000

COMMITTEE REPORTS FAVORABLY ON INSURGENT WOODMEN AND BONUS IS GIVEN

A regular adjourned meeting of the Commercial club was held Wednesday evening at the city hall to hear the reports of the committee which went to the insurgent Woodmen convention held at Rochester Monday.

The committee reported very favorably, stating that at the convention it was decided to secede from the mother order and that the sentiment that Little Falls be made the headquarters of the new order was very pronounced. The vote was 60 to 6 in favor of secession. They stated that there were several other cities in the race for the headquarters, cities that would promise a larger bonus when the order was in a more advanced stage but that these thought Little Falls was entitled to it on account of her generous action.

On the strength of the committee report the president of the club was instructed to write Mr. Sundeau that the balance of the \$3,000 had been placed to his credit, subject to his order.

A meeting of those who subscribed to the bonus for the securing of the Woodmen headquarters here was held at the city hall last Friday afternoon, with a large number of subscribers present. A committee of five was appointed to attend the insurgent convention which met at Rochester last Monday. Those who attended were J. K. Martin, John Wetzel, L. W. Vassaly, J. W. Crossfield.

CLASS PLAY SUCCESS

SENIORS DO THEMSELVES PROUD BEFORE A PACKED HOUSE FRIDAY NIGHT

The annual class play of the high school Senior class was given at the Victor theatre Friday night. The play was witnessed by a packed house, and was a well staged production. With the exception of a few special costumes, all garbs were made by the students, as was also the stage scenery and some fixtures. Bastien's orchestra, composed of six pieces, rendered excellent selections between acts.

The play, "A Rose o' Plymouth Town," is taken from the seventeenth century, and deals with life in the Plymouth colony at the time of Miles Standish.

Miss Ione Kirscher, as Rose de la Noye, was excellent throughout and her part was without doubt the most difficult, requiring her appearance on the stage the greater part of the play. Edwin Dunphy as Miles Standish and Caroline Sutliff as Barbara, his wife, acquitted themselves in a most pleasing manner, as did Helen Davis, who took the part of Miriam Chillingley, a niece of Barbara Standish.

Harvey Long, as Philippe de la Noye, was the fitting suitor of Miriam Chillingley. Aunt Resolute, who came to Plymouth in search of a new sensation, was perfectly portrayed by Marie Gannon, and her part was one of much wisdom.

The parts of Garrett Foster, a soldier, and John Margeson, a villain both suitors for the hand of Rose de la Noye, were taken by Stephen Simonet and Howard Clark and they did well. Between the first and second acts the twelve students who did not take part in the play, danced a minuet in Colonial costume, and this was very well received.

Superintendent F. W. Dobbyn and Miss Lancaster deserve especial credit for the way in which the play was produced, they having coached the entire cast.

Ralph Reams has taken a position at the Diamond Sign Jewelry store.

GLEE CLUB TONIGHT

WILL PUT ON ITS FIRST CONCERT TONIGHT—HERBERT GOULD SOLOIST

The Glee club, which was organized about eight months ago, is to give a concert at the Victor theatre tonight. They have held weekly practices since organizing and for the past two months have practiced twice weekly. Under the able supervision of Miss Graunt Smalley with Miss Maybelle Brauun as accompanist, the club has been making rapid progress, and their selections are of the very highest class.

Herbert Gould of Chicago has been secured as soloist for the concert, and his singing is of a very fine nature. He was with the "Merry Widow" during its first year.

Several of the twin city dailies commented on the club's concert and the following article appeared in the Sunday edition of the Minneapolis Tribune of last Sunday:

"The Little Falls Glee club will give a concert at Royalton, Minn., May 22, and at Little Falls, Minn., May 23. The club, which is composed of 25 male voices, under the direction of Miss M. G. Smalley, has been organized less than a year and this is its initial concert. Herbert Gould of Chicago, who was a member of the 'Merry Widow' company during its first season, will be soloist at the concert. While the club is a young organization, it is claimed by critics that it has been compared favorably with the Oberlin Glee club, which was heard recently in that city."

Following is the list of members and the program as it will be rendered tonight:

HIGH SCHOOL BANQUET

The annual high school banquet is to be given next Thursday evening at the Harrison & Peterson hall.

The banquet is to be given by the three lower classes of the high school for the seniors. After the banquet a dance will be given.

BILLS OF SALE OF CHATTELS, ETC., TO BE FILED WITH REGISTER OF DEEDS

On and after July 1 all chattel mortgages, bills of sale of chattels and conditional sales contracts are to be filed at the register of deeds office instead of with the village, township or city clerks, as has been the custom in the past, says the St. Cloud Times. The law making the change was passed at the last session of the legislature.

Effective July 1 all city, village and township clerks are required to put their records in shape and take them to the register of deeds on June 30 next.

After the law becomes operative the papers will go direct to the register of deeds for filing and will no longer be accepted for filing in the local offices. The law does not cover the filing of assignments of wages and since they are not required to be filed to make them legal the practice will no doubt in time become inoperative. At present nearly every transaction of this nature goes to the village or city clerk for filing but only through a practice instituted several years ago. Chattel mortgages and conditional sales contracts have always been filed to perfect and protect them legally but bills of sale and assignments have only been filed at the option of the owner.

The new law is bound to be of considerable annoyance in the beginning but after once understood and as soon as it becomes a practice it will work the same as it does in other states. North Dakota, for instance, has had this law in effect for several years and bankers, business men and others requiring a copy for their files, instead of going to the city clerk for their information, have fallen into the habit of taking a copy, unperfected, at the time the mortgage is made and this method perfects their files and handy reference.

The law effective July 1 provides a fee for the register for taking care of the new business and for certified copies should any be wished.

TO HAVE COUNTY FAIR

AGRICULTURAL SOCIETY TO HOLD FAIR IN THIS CITY SEPTEMBER 18, 19 and 20

If the Morrison County Agricultural society is to receive the state aid up to \$1,500, which has been made possible by an act of the last legislature, the society must hold a fair, and to this end the board of managers met at the office of N. N. Bergheim Tuesday evening. The meeting was well attended, a number of interested citizens also being present.

The first steps taken by the board were to appoint a committee of three to secure fair grounds. J. Stephenson, Chas Sylvester and John Vertin were appointed on this committee and were instructed to report to the board as soon as possible.

It has been the custom in the past to hold the fair on the streets of the city, and to have some of the exhibits in vacant buildings, but the plans are to hold the next fair near the outskirts of the city, and that permanent buildings be erected for exhibits. W. H. Ryan and N. N. Bergheim were appointed to attend to this work.

As this fair is for the benefit of the county generally, a committee of two, W. H. Ryan and J. K. Martin were appointed to appear before the county commissioners for the purpose of securing some aid from the county.

September 18, 19 and 20 were dates set for the holding of the fair, the 17th being set as the day for entrance of farm products. Exhibits will be received until 1 o'clock on the 18th, however.

Premiums will be awarded to the amount of \$1,000, of which \$150 will be used for premiums for children's and young people's exhibits. The plans of the board are to have a separate building for children's and young people's exhibits, which will be in the nature of cooking, sewing, fancy work, etc. The premium list will be prepared in the near future and Supt. F. W. Dobbyn and Prof. J. S. Klincks, who were in attendance at the meeting volunteered their services in getting up the list.

As soon as the premium list is completed a soliciting committee will go out among the farmers to secure members. A vigorous campaign will be made to get a large membership, and as the fees are but \$5, it is thought that there will be no difficulty in securing the members. The money thus obtained is used to defray the expense of the annual exhibit.

The board voted thanks to Representative L. W. Vassaly and C. W. Bouck, for the passage of the bills for the aid to the county fair associations.

WORK PROGRESSING RAPIDLY

Work on the new Buckman garage is nearing completion. A crew of men is now at work putting in a cement floor. When completed the garage will be the best in this section of the state.

The new high school building is also taking form very fast. The first floor has been laid and sheet metal working has begun. The foundation is of concrete and the building of this was very slow.

B. P. O. E. BALL

The annual B. P. O. E. ball was held at the Elks hall Thursday evening and a very large number attended. A big lunch was served and the festivities continued until a late hour. The ball was held later than in the past years, on account of the celebration, which was held last week.

Jos. Medved of this city and Aug. Stoltman of Flensburg, who has been at the local hospital for treatment, have been discharged.
