SENDS CIRCULAR TO G. A. R. COMRADES

Comrades of the grand army all allied orders and friends:

The annual encampment of the "Park Region District association," Department of Minnesota, G. A. R., will be held in Little Falls, Minn., on the 2nd, 3rd and 4th days of July, 1913, in acceptance of a cordial invitation from the Commercial club of that city.

Little Falls is a thriving little city of seven thousand people, who will see that the city's reputation for entertaining visiting organizations will be fully sustained by the welcome extended to the veterans and their friends. The Commercial club and the citizens' committee are arranging for various amusements, including automobile rides about the city and vicinity, which will be free to the comrades. Prominent members of the G. A. R. and citizens will speak on the different days, as will members of the W. R. C. ladies of the G. A. R. and sons and daughters of veterans. Camp fires will be held each evening.

A program to be issued a little later will give names of speakers and other details.

By resolution adopted at Glenwood, July 2, 1908, the "Park Region district" includes all the state north of and the counties of Swift, Chippewa, Kandiyohi, Meeker, Wright, Anoka and Chisago. Now comrades, let us "Rally once again," for we know that with the year to come, the great orderly sergeant will surely detail some of us for eternal duty on the other side of the river. So let us meet while we can, and in the clasp of the fraternal hand, feel the thrill no other can give, and standing shoulder to shoulder as in the days of the sixties renew our fealty to the flag we followed, and to each other.

By order of J. W. Underwood, Commander Park Region District, Staples, Minn., Dura Corbin, Adj't., Little Falls, Minn.

Minutes Mean Dollars IN TREATING ANIMALS

Don't lose your money in the treatment of colic and other diseases. You also realize that wrongly applied remedies are often worse than no treatment at all. In other words, not to diagnose a disease accurately may prove fatal. Every owner should be able to recognize an ailment and give correct treatment at the first symptoms. Prompt action is the great secret of treating horses.

Minutes mean dollars. Of course proper treatment is always necessary. That is just how Humphreys' 500 page Veterinary Manual will prove so valuable to you. It is by F. Humphreys, M. D., V. S., and teaches how to diagnose and give proper treatment.

This book will save you hundreds of dollars and costs you nothing. It will be sent absolutely free on request to any farmer in order to introduce

Humphreys' Veterinary Remedies. Remember, it is absolutely free. You do not have to order any remedies to secure the book. Address, Humphreys' Homeopathic Medicine Company, 156 William Street, New York City. This is a splendid opportunity to obtain a veterinary treatise that you should have in your library. As a reference work you will find it invaluable. To have it in the time of need will be worth many dollars, whereas it will cost you but a postcard by writing for it now.
