

DAN LILLY IS MURDERED

WAS A FORMER RESIDENT OF LITTLE FALLS AND GRAVELVILLE

Coos Lake, Minn., Sept. 22.—John Lloyd, who shot and killed Dan Lilly, was taken by automobile to Bemidji and from there to the county jail at Walker at midnight for safe keeping.

Lloyd and another man were having an argument in a saloon and were abusing each other when Lilly, the bartender, stepped between them and undertook to lead Lloyd to the door. Lloyd turned and fired at Lilly, but missed him, Lilly then grabbed Lloyd and in the scuffle fired two more shots, one taking effect in Lilly's stomach and the other near his heart, death resulting in a few minutes.

Lilly leaves a wife and five children, the smallest about nine months old.

Violence was averted by Archdeacon Parshall of the Protestant Episcopal church, who pleaded with a crowd of men to let the law take its course with Lloyd.

A posse of 50 men apprehended Lloyd within an hour after the shooting. A crowd gathered about the jail and threatened to take him from the guards by force.

The Lilly family lived at Gravelville for many years, later moving to Little Falls. The murdered man at one time ran a saloon where the Kintza place is now located.
