SLUGGED AND ROBBED, MAY DIE

ED FELANDER, THE VICTIM, DID NOT RECOGNIZE ASSAILANTS—NO CLUE

Ed Felander of this city was knocked down and robbed on the old east side tracks near the location of the old ball park Monday night by unknown parties and may not recover from his injuries.

He was relieved of \$35 and his watch, valued at about \$20, by the three men, apparently strangers in the city.

Mr. Felander, who has been in the employ of R. L. Cochrane for about a year, had received his pay for the month and went down town to cash his check. Late in the evening as he was returning home, he was struck on the top of the head with some sharp instrument, robbed and left on the tracks.

In a stupefied condition he managed to get to his home, where he lies east of the tracks, where he lives alone. He remained in an unconscious condition until Tuesday morning, when his employer sent a man to find out why he did not come to work. A physician was summoned and a wound about two and one-half inches long and very deep, was found on the top of his head. He is thought to have sustained internal injuries and his recovery is doubtful. He was taken to the home of L. H. Mudge where he is being cared for.

No clue to the perpetrators of the crime has been found as Mr. Felander could not describe their appearance. It is thought, however, that they were boys who had noticed that he had a sum of money and followed him to the tracks where they attacked him.

A number of rooters expect to accompany the team to the Saintly City and assist them in winning. The team will undoubtedly leave on No. 6, which arrives in St. Cloud about 3 o'clock.

N. N. Berghem returned Wednesday from a business trip to St. Paul. While there Mr. Berghem called on the attorney general with the supposition that he might have an opinion on the proposed manager plan of commission government for this city. The attorney general informed Mr. Berghem that an opinion on the local charter would be ready in a few days.

BUSH DEFEATED THE GIANTS

BRAINERD BOY, PITCHING FOR PHILADELPHIA, WINS GAME IN WORLD SERIES

Leslie (Joe Bullet) Bush, the Brainerd boy, hoisted his name high in the baseball world yesterday, when pitching for the Philadelphia team, he defeated the New York Giants on their own grounds in the third game of the World series. The young fellow was opposed to Tesrau, and must have held his head all the way as the best the Giants could do was to garner in two runs, the Philadelphia putting eight men across the plate.

Although from Brainerd, the Little Falls fans are much pleased at his success, and sent him the following telegram: "Congratulations to Bush, the bushier."

The first game of the series played in Philadelphia by a score of 8 to 6, Bender pitching for the Phillies and Marquard for the Giants, played at Philadelphia. Frank pitching for the Phillies and Mathewson for New York. No scores were made until the tenth inning in this game when New York pushed three scores across the plate.

The winner must take four of the seven games played to win the championship.

OCT. 25 WILL BE GALA DAY

'WHITE' WAY' CELEBRATION WILL BE A ROUSER—GOV. EBERHART TO SPEAK

Saturday, October 25, will, without doubt, be one of the biggest days in the history of Little Falls. The day will mark the turning on of fifteen blocks of "White Way," and for this occasion a fine program is to be prepared.

Former residents of this city plan on coming here for that day to witness the great changes which denote prosperity and progressiveness in this community. For this reason the day has been fittingly named "Home Coming Day."

At least three brass bands will furnish music for the occasion. The regular city band, under the leadership of Wm. H. Bastien has promised its services as has also the old Democratic band, which has been in campaigns the past few years. The band is a seven-piece affair. Several of the members have left the city but two of them, Wm. H. Hall of Crosby and Wm. A. Butler of Minneapolis have signified their intentions of being here for the celebration and to take their places in the band. Other bands may also be in attendance and there will be no lack of music.

Goernor Eberhart has been secured and will speak afternoon and evening and grand parade will be arranged for. All decorations will be in white, according to plans formulated by the committees in charge of the program. The soliciting and parade committees have been busy and report excellent success. A number of the manufacturers have promised to put on floats and this will add much to the parade.

The committees appointed to prepare for the celebration are:

- General committee: Chas. Sylvester, Earl V. Wetzel, H. W. Venners.
- Parade committee: Geo. Gordon, M. Blake, Wm. Deyo, Wm. Clute.
- Automobile committee: R. B. Miller, G. W. Emdor, M. M. Buckman.
- Soliciting committee: S. J. Vasily, G. W. Firnthal, C. A. Carlson, M. A. Engstrom and Geo. Kiewel.

Tuesday he was again found to be wandering about listlessly and was put in the jail over night. On Wednesday morning he was walked out of the city by an officer.

FURNITURE STORE MOVED

The furniture stock of Sandstrom & Son is being moved from the room on the West side to the Harrison & Peterson building. The reason for the change is to get more floor space. The new location is also more centrally located. The stock was purchased by Sandstrom and a son, Ernest, a year ago, from G. R. Anderson, who went West. Mr. Anderson is now in the furniture business in a Washington city.
