PETERSON BOY NOT YET LOCATED

We were in error last week in stating that Joseph Peterson, son of Chas. Peterson of Upsala, who it was thought was drowned, had run away from home taking a train west from Grey Eagle, was taken from the Red Wing Training school. He with a brother and sister were taken by Mr. Peterson from the institution for dependent children at Owatonna about seven years ago. The boy has a notion that he wanted to hunt and trap up north, and fearing that Mr. Peterson would not consent to let him go, although he had not spoken to him of it, he worked out the drowning ruse as stated in last week's issue. Mr. Peterson states that Joseph was a good boy and would like to know of his whereabouts. The boy, who is 15 years of age, is slender, of fair complexion with freckles, straight light hair, blue eyes. When he left he wore an old brown cap, new gray and white mackinaw jacket, blue overalls and rubbers with high leather tops. Any information will be gladly received by Mr. Chas. Peterson, Bartrum or at this office. He is said to have been seen near Glenwood. A practice game of basket ball will be played by the high school team and the gymnasium team at the gymnasium this evening. An admission of 15 cents is to be charged.

K. Grobla of Berg's addition is erecting a large barn on his property. His neighbors have dubbed the building the "City Hall on account of its size, considering that Mr. Grobla has but one cow to keep in it.
