

CONTEST MOTLEY ELECTION

DRYS CLAIM ELECTION WAS IRREGULAR—TO BE HEARD HERE

St. Cloud Times (23): Another election fight will be taken into the courts. The latest fight is that of the town of Motley, in Morrison county. A contest has been filed by the "drys" who claim that the election was not regular. Judge J. A. Roeser will hear the case in chamber at Little Falls.

It is claimed by the "dry" contingent that the votes of the "wets" were not regular and they contest a certain number of them. The "wets" on the other hand will fight the issue every step of the way. According to the statement of the "drys" the saloon advocates won out by a single vote.

Judge Roeser will hear the case as soon as he finishes the regular court term at Detroit. It is likely that it will require three weeks in the hearing of cases at that place. Practically the entire town of Motley is interested in the case and it also has attracted attention throughout the county because it is the only case of its kind in that section.

WANTED FOR BLINDPIGGING

A warrant has been sworn out for the arrest of George Siggerty of Platte town on a charge of blind-pigging, the complaint being made by Nick Smith of Platte.

Paul Felix, deputy sheriff, went to the Siggerty home Monday but found only a 16-year-old daughter of Siggerty at home. She stated that her father was in Rochester with her mother, who went there for an operation.

Nothing could be found about the place which would indicate that Mr. Siggerty had operated a blind pig but he will no doubt be arrested when he returns.

LETTERS CAN GO WITH PARCELS POST

An order issued from the postal department at Washington makes it possible to send letters with parcels post packages, provided they are sent as first class matter. The letter and package must each have its respective postage and must be addressed to the same party. Up to this time a person wishing to send a communication with a package had to send it separately, which in many instances caused one to be delivered later.

ARRESTED FOR FORGERY

Fred Fishbach and his wife, Nora, of Minneapolis, were arraigned in the municipal court in that city on a charge of forging a check for \$100, according to an article in the Minneapolis Journal. The complaint was made by Mrs. Nora Fishbach, aged inmate of the Soldiers' Home, who said that her son Fred had forged her name to a check for \$100 while she was seriously ill at the Swedish hospital in Minneapolis. The alleged forgers were captured at Necedah, Wis., where they went after passing the check at a department store in Minneapolis. In municipal court they waived examination and were bound over to the grand jury under \$1,000 bonds each.

The people referred to are thought by local people to be the Fishbachs who resided near the river in the south part of this city until about five years ago, when Mrs. Fishbach went to Minneapolis to live at the Soldiers' home.

FORMER RESIDENT A SUICIDE

MRS. NINA LINDROT OF LOS ANGELES, FORMERLY MRS. F. E. SWAIN, ENDS HER LIFE

San Francisco, March 17.—Mrs. Nina Lindrot of Los Angeles committed suicide to-day by taking poison in a fashionable apartment house after a quarrel last night with Kirt Larsen over letters belonging to him.

Mrs. Lindrot came to this city from the south yesterday on the steamer Harvard, accompanied, the police say, by Larsen, a traveling salesman for a

wholesale hardware firm.

According to the story by Larsen, Mrs. Lindrot is the wife of O. E. Lindrot of Los Angeles, a business man with whom he says he formerly was associated.

Larsen said he and Mrs. Lindrot had been friends about two years.

The Mrs. Lindrot referred to above was formerly the wife of F. E. Swain, who conducted a furniture store in the stand now occupied by Adams hardware store, a number of years ago. After moving from here she secured a divorce from Swain and married Lindrot, from whom she later became estranged.
