

RESTFUL,
Stylish Shoes

Women who have trouble with their feet—burning, aching, etc.—need the soothing, restful influence of

The Dr. Edison Cushion Shoe

Soft, invisible innersoles of Australian wool felt provide permanent relief and the ability to walk with perfect ease. Soft, pliable leathers in soles and uppers contribute to comfort by ready conformity to every position of the foot in action.

No need to sacrifice style to comfort, for The Dr. Edison Cushion Shoe has the style.
