## BRainerd SHUT OUT LOCALS

UP RIVER TEAM DEFEATED AL DOMINICK'S NINE SUNDAY BY 3 TO 1 SCORE.

Sunday afternoon the baseball fans of this city witnessed a game which was very much the same as the game with Staples on the previous Sunday, the only difference being that in Sunday's game Al Dominick's team was defeated by Brainerd by a score of 3 to 0. The attendance was near the 500 mark. A number of fans were down from Brainerd.

Brainerd started things in the first inning, when Erickson was passed to first on balls. Parker struck out and Cook, next up, got a clean hit to center field, advancing Erickson to second. Templeton hit and Erickson scored on Berg's error of Templeton's grounder. B. Roderick singled and Cook scored on another error by Berg. Sheffield singled and Templeton scored. I. Roderick flew out to Johnson and B. Roderick was caught off second for the third out.

The remainder of the game was a series of goose eggs. Little Falls had a couple of chances to score but were shy the necessary bingle. Stoll secured a fine two-bagger in the fore part of the game. Al Dominick pitched fine ball after the first inning and was credited with ten strikeouts. Victor for Brainerd got seven strikeouts.

Tanner caught a good game for the locals and showed his ability in catching base runners at stealing by retiring two who tried to make second.

### KILLS THREE AND HIMSELF

Terrible Tragedy in Farm Home Thirty Miles From Thief River Falls.

Entering the farm home of O. K. Olson, thirty miles from Thief River Falls, Louis Gilsoul shot and killed Mrs. Ludwig Larson, Helen Olson Gilsoul, his wife, and Ingo Olson. He also mortally wounded Mrs. O. K. Olson. A short time later Gilsoul's body was found in a clump of bushes. He had shot himself in the head. Two of the dead women are sisters.

It is said trouble between Gilsoul and his wife led to the tragedy. He was married to Miss Helen Olson in Saskatchewan last February. It is alleged he mistreated her. About two weeks ago Mr. and Mrs. Ludwig Larson went to Saskatchewan and in Gilsoul's absence induced his wife to accompany them to the home of her parents.

Gilsoul appeared at the Olson home, following O. K. Olson from the field. He was met at the door by Mrs. Larson, who refused him admittance. He drew a .32-caliber revolver and shot her through the breast. She ran screaming into the yard. Gilsoul fired again, the bullet striking her in the head, killing her.

#### Kills Wife and Her Sister.

He entered the house and shot to death his estranged wife and Inga Olson, her younger sister. He then turned the gun on Mrs. O. K. Olson, mother of two of the girls, and fired five shots into her body. She is mortally injured. He was attacked by the family dog and shot it.

A brother of the Olson girls was the only witness to the tragedy, the elder Olson having fled. Young Olson drove into the yard as Gilsoul ended Mrs. Larson's life. The boy went to notify the neighbors and arm himself. He returned shortly afterward and met the murderer near the scene of the crime. When Gilsoul saw young Olson he fled into the bushes. A few minutes later he sent a bullet into his own head.

Across Gilsoul's breast a marriage certificate was lying. "This is to show she was my wife," was written on it. In his pocket was found a note to his son by a former marriage admonishing the young man not to follow in his footsteps.

### ICEMEN'S STRIKE SETTLED

Minneapolis Company and Its Employees Make Concessions.

After a conference the strike of Minneapolis ice wagon drivers and handlers, which began on May 14, has been settled.

The Cedar Lake Ice company will put 190 wagons back on the ice routes and the drivers and helpers will receive a flat increase of \$2.50 a month in wages, with a commission which will make up at least as much as the remainder of the raise demanded by the union.

In return for this concession on the part of the company the strikers agreed to a plan of arbitration of all future difficulties that will preclude the possibility of any similar tieup of the ice business in the future.

### ROBBERY SAID TO BE MOTIVE

Aged Shoemaker Killed in His Shop at Brainerd.

With the top of his head caved in, George Rappel, seventy years old, a shoemaker, was found on the floor of his shop in the main business section of Brainerd.

It is said by his son that the old shoemaker carried considerable money. When the body was found the pockets had been turned inside out and the pocketbook was gone.

Rappel was a widower and leaves four children. He was an inoffensive man and robbery, it is thought, can have been the only motive for his murder.

## BURGLARIZE STORE-GET \$46

FIRNSTAHL & VADNAIS THE VICTIMS—THE THIEVES ARE STILL AT LARGE

Burglars entered the Firnstahl & Vadnais grocery store late Thursday evening of last week and made their getaway with a steel box containing \$40.87 in checks and \$16.03 in currency and a number of charge slips. The box containing the checks and slips was found the next day by some boys.

Entrance was gained to the store by breaking the catch on a window in the back of the building and entering through this. The safe was opened by working the combination and the steel cash drawer was chiseled out.

Friday afternoon the box was found near the river in the south part of the city, having been hidden under a stump. Besides the box a file and broom rack, which belonged at the store, were found. These, it is thought, were used to open the chest, as a large hole had been punched in it to get the money out.

No trace has yet been found of the robbers but the police think they have a clue to the perpetrators of the deed, whom, they think, are not very far away.

On Wednesday evening of last week, Miss Lona Firnstahl, who was alone the earlier part of the evening, was startled upon entering the house to answer the phone by seeing a person rush out through the back door. Two roomers at the Firnstahl residence saw the person and followed as far as the St. Francis Xavier church, where he disappeared. It is thought that this was an attempt at robbery and that the store was robbed by the same person.
