

### GET BEST OF COLORED GOPHERS

LOCALS TRIM THEM 11 TO 2 IN FIRST GAME—SECOND WAS TIE, 3 TO 3

The Minneapolis Colored Gophers were administered one bad defeat and got a tie game at the fair grounds here Sunday afternoon in contests with the local team.

The first game was a farce, the score being 11 to 3 in favor of the local aggregation in the seventh inning, when the game was called. The second game was closely contested and up to the first half of the seventh inning the locals were credited with three runs, while their opponents had so far failed to cross the plate a single time.

In the first half of the seventh inning the Colored Gophers got started on some bad errors and brought in three scores, tying the locals. Little Falls had their half of the seventh inning in which to win the game, but they failed in the attempt, and the game was called, on account of the state law, which requires that baseball games be stopped at six o'clock on Sundays.

In the first game the visitors secured one score in the first inning. Bingo struck out, K. Jones sent the ball to the left field fence for a three bagger and scored on a grounder by Clarke, who made first safely on the throw in to catch Jones at the plate. Nelson then flew out to left field and Clarke was caught at third, retiring the side.

Little Falls came back strong in the second half and every man on the team was given a chance at the bat.

By Ivester, who was retired at first. Jones sent a fly into left field, which Tanner would have grabbed had he not stumbled. Jones made two bags on this one and Davis scored. Kenneson was passed and L. Davis got a single, scoring Jones. Bingo then flew out to Allison, retiring the side.

Allison started things for the locals in the last half of the fourth inning, when two scores were made. He was passed and scored on a two-bagger by Tanner. Murphy got a double, scoring Tanner.

In the last half of the fifth inning two more were added when Lauermann got a two-bagger and scored on a hit by Newman. Brandel, next up, had two strikes and things looked bad, but in an attempt to dodge a pitched ball, he found it for a nice single, after which he stole second, and Newman made third. Allison struck out, Tanner got a safe hit, scoring Newman and Murphy rolled one to the third baseman, and was put out at first for the third out.

The 11th and last score for the locals was made in the last half of the sixth inning. Stoll flew out to Ivester, Berg singled and advanced to third on a hit by Lauermann, who advanced to second on a passed ball. Smith then rolled one into the infield and was retired at first but Berg scored.

Peter Newman pitched for the locals in the first game, and made a fine showing. He allowed but two hits, struck out six and passed three. Nelson for the Colored Gophers, threw a poor game, and was found for 13 hits, gave two passes and struck out but three men.

The second game was far better than the first one, which was no doubt due to the change in the lineup of the visitors. J. Davis was put in as pitcher and Nelson, who pitched the first game, was put on second. He did not do very well there and was finally shifted to center field, where he redeemed himself.

Al. Dominick, on the mound for the locals, pitched a good game, striking out seven men, issuing two passes and allowing but four hits.

No scores were made in the second game until the last half of the third inning, when the local team got two. With two men out, Brandel made first on an error by the second baseman, Allison got a two-bagger, advancing Brandel to third. Tanner got a single, scoring Brandel, advancing Allison, and then stole second. Murphy made first on an error by the second baseman and Allison scored. Stoll then struck out, retiring the side.

The third score for the locals was made in the last half of the fourth inning. Berg rolled one into the infield and made first on an error by the second baseman. Smith rolled one to the third baseman, who caught Berg at second. Smith then stole second and scored on a hit by Dominick.

From this time until the first half of the seventh inning no scores were made on either side and the locals were confident of winning. They probably would have, but C. Jones made first on a wild throw by Allison, and advanced to second on a passed ball. Kenneson got to first in the same way and Jones advanced to third. Kenneson stole second and Jones scored on a hit by Bingo. Ivester and K. Jones struck out. Clarke sent a fast one down the line near third base, which Smith missed, and Kenneson and Bingo scored, bringing the scores to a tie of three to three. The game was played to the end of the seventh inning, when it was called on account of the six o'clock law.

### GROSS CELEBRATES LONG BANK SERVICE

The Minneapolis Journal of July 24 tells of the rise in the banking world of Francis A. Gross of that city. Mr. Gross is a nephew of J. J. Gross of this city and is known by quite a number of our citizens. The article is as follows:

"Francis A. Gross, president of the German-American bank, to-day is celebrating the twenty-fifth anniversary of his first identification with the institution of which he is now the head. In 1889, on a hot July day, as a small boy, Mr. Gross entered the bank as a messenger and took on likewise the duties of sweeping and washing the windows before the banking day opened.

In 1892 he became paying teller and was made cashier in 1895. In 1904 he was elected president of the bank. The institution was carrying \$150,000 in deposits when Mr. Gross first read over one of its statements and has since been able to show deposit and resource totals of \$4,900,000.

Mr. Gross as president of the Twin City Bankers' club, member of the park board, of the pure water commission and charter commission, has given time to civic affairs and other matters of a public and semi-public nature, but principally his time has been devoted to the interests of the bank."

### SHED AND PART OF CONTENTS DESTROYED BY FIRE

A shed belonging to W. H. Loomis, and located in back of the lively stable on First street southeast, was badly damaged by fire Saturday afternoon at about 1:15.

The exact cause of the fire is unknown but it is thought that it started from matches or cigar stubs thrown near the building by men who ate their lunch nearby.

The fire department responded promptly and the flames were extinguished, but not until the shed and some of the contents were badly damaged. A load of corn, belonging to Loomis, which was stored in the upper part of the shed, was a total loss. Building material for the Burton & Greisch sales barn was also damaged. A couple of buggies which were kept in the shed, were removed before any damage was done to them. The building was insured for \$300.

### SUN CAUSES BLAZE AT EMPORIUM

The local fire department was called out at about 4 o'clock Friday afternoon to extinguish a small blaze in the building occupied by the Emporium dry goods and millinery store. The blaze was caused by the sun setting fire to an oiled rag which had been left on the outside trap door to the basement. The flames reached the roof of the building before the fire department arrived but were soon extinguished by the chemical.
