LITTLE FALLS, MORRISON COUNTY, MINNESOTA.

FRIDAY, SEPTEMBER 4, 1914

BENEDICTUS XV IS NEW POPE

CARDINAL DELLA CHIESA, ARCH-BISHOP OF BOLOGNA, IS SUCCESSOR TO PIUS X

Cardinal Gaetano Della Chiesa, archbishop of Bologna, was elected pope yesterday by the Sacred College of Cardinals in session at Rome, on the ninth ballot. The new pope, who was made a cardinal last May, is 60 years of age. He has taken the name of Benedictus XV. The last pope of that name was also archbishop of Bologna, and was elected pope in 1740.

Benedictus XV was born at Pegli, near Genoa, Italy, in 1854; was ordained priest in 1878. In 1883 he was in Spain and continued as secretary to Rome in 1887, and became an official in the office of the papal secretary of state. In 1890 the late Cardinal Rampolla, secretary of state, made him first assistant secretary. In 1907 Pope Pius appointed him archbishop of Bologna, and he was created cardinal early this year. Of late he has been assistant to Cardinal Merry del Val, present secretary of state.

He is considered as being a man very much like the late Cardinal Rampolla.

Archbishop Ireland of St. Paul says that it is a very fortunate choice; that the new pope is a man of great experience in both church and civil matters.

TRY TO STEAL LUMBER

Two unknown men attempted to steal some lumber from the West side yesterday morning at about 2 o'clock, but their attempts were unfruitful, as they were seen crossing the Broadway wagon bridge by Night Patrolman Bert Boyes. Their system of conveying the lumber was a poor one, that of carrying it in their arms.

He yelled at them to stop and then started after them. They dropped the lumber, which consisted of high grade waisteoting, and ran. The policeman pursued them and sounded his whistle for help, which roused the entire neighborhood on Broadway east for several blocks around. A search was made for the men, but no trace of them could be found.

IMPROVED TRAIN SERVICE FAIR WEEK

Anticipating a great increase in business during fair week, the Northern Pacific has arranged for an improvement of their train service during next week, beginning Sunday. Trains No. 7 and 9 west bound and 8 and 10, east bound, will run in two sections. No. 7 arrives in this city at 2:10 a. m., No. 8 at 4:02 a. m., No. 9 at 12:24 p. m., and No. 10 at 2:30 p. m., instead of taking on the coaches of No. 32, the Brainerd local, will continue to Minneapolis without any change and No. 32 will also run to the twin cities. Other trains will carry additional coaches to accommodate the traveling public.

WILL OPEN CONFECTIONERY

Two men from St. Paul have rented the store room adjoining the L. D. Brown drug store on Broadway east and will have it redecorated and fixed up for a confectionery and ice cream parlor. They expect to have the place open for business by September 20.

A large electric sign has been hung from the front of the Electric Shop, which is to be opened shortly by Warren Gordon in the Wetzel building on First street northeast.

Samuel Trebby, who accompanied the late John Dolan to Orlando, Va., returned Wednesday morning. While away Mr. Trebby visited at his old home at Ninivah, N. Y., and also at Binghampton, N. Y., as well as points in Pennsylvania.

DIED

John Dolan, a resident of Little Falls for 30 years, died at Orlando, Virginia, Saturday morning at 1 o'clock, at an age of about 67 years.

Deceased had been a sufferer from cancer for a number of years and the last year has been failing fast. Wishing to be among his relatives his last days, he disposed of his business here and on Tuesday of last week accompanied by Samuel Trebby, he left for his old home at Roanoke, Va. He reached Orlando on Thursday for a visit with relatives, at which place he passed away.

Mr. Dolan never married. Miss Burns, a teacher in the public schools here many years ago, was the only kin hereabouts, but in Virginia, he had many.

The first year Mr. Dolan came to Little Falls, he was in the tie contracting business under C. B. Buckman. He then went into the saloon business on north First street, later erecting a building on Broadway northeast where he continued in business for 28 years.

Deceased was a quiet man, of kindly disposition, and had a host of friends. Interment was at Roanoke, Va.

Ether Wetzel, the 6-year-old daughter of William Wetzel of Vawter, passed away at her home from acute inflammatory rheumatism. The remains were brought to this city and the funeral was held from the German Lutheran church Sunday afternoon at 3 o'clock, Rev. F. J. Oehlert officiating. Interment was in Oakland cemetery.

Word has reached here of the death on Tuesday of Algot Nelson, the 15-year-old son of Mr. and Mrs. H. A. Nelson of St. Paul. Death was caused by appendicitis, from which he suffered only a few days. Deceased lived here with his parents until about 6 years ago, when they moved to St. Paul.

MUSICAL ART CLUB GETS BUSY

FOUR CONCERTS SCHEDULED FOR COMING SEASON—FIRST MEETING SEPT. 26

After having rested during the hot summer months, the Musical Art club is again getting busy and according to present arrangements will hold the first meeting of the season on the afternoon of September 26, at the high school gymnasium. A program will be given, followed by a reception.

The club has arranged with the General Extension Division of the University of Minnesota for four concerts to be given during the coming season. Admission to these concerts will be included in the membership tickets, costing \$2 each.

The first concert will be given on September 29, when the Philharmonic Orchestra club, composed of twelve members of the Minneapolis Symphony orchestra, under the leadership of Karl Scheurer, will entertain the club. This entertainment is pronounced equally as good as the concert which was given here by the Minneapolis Symphony orchestra last year.

The other entertainments are the International Operatic company, scheduled to appear here November 13, the Mork Trio, December 17 and the Robley Quartette on February 13, 1915.

An unusual treat is offered to members of the club this year and an invitation to everyone to join and share the benefits. Tickets should be secured before September 26, so as to be present at the reception at that time.

CHICKEN SEASON OPENS MONDAY

Chicken season opens Monday morning and the sportsmen of this vicinity are polishing their weapons and laying in a supply of ammunition so as to be able to start out in quest of the feathered trophies. According to statements made by several local sportsmen the chickens are not so plentiful this year. Ducks and wild geese are numerous, large flocks of them having been seen flying northward during the past few days.

Monday being Labor day, a legal holiday, an unusually large number of hunters will leave for the fields on that day. About 20 applications for license have been received at the county auditor's office up to date. The licenses cannot be issued until the opening day of the season.

LAST BIG DRIVE REACHES HERE

The last big drive of logs is being floated down the Mississippi river this month. The logs have already reached this city and a crew of men is at work sluicing at the dam. It is estimated that there is more than 55,000,000 feet of logs in the drive.

LIBRARIANS TO GATHER HERE

FOR ANNUAL CONVENTION SEPT. 15, 16 AND 17—FINE PROGRAM PREPARED

On Tuesday, September 16, the librarians of this state will assemble in Little Falls for a convention which will last three days. The local library board is planning many delights in the way of entertainment for the visiting delegates.

A long but interesting program has been prepared. The chief speaker will be Mrs. Gudrun Thorne-Thomson of Chicago. Other speakers will be Mrs. C. L. Atwood, president of the Minnesota Federation of Women's clubs; Mrs. Margaret Baker, who devotes a great deal of time to organizing country clubs, and Miss Margaret Evans, whose presence is an assurance of inspiration from the rich stores of a genuine lover of books and one who can interpret their deeper values. Speakers from Minnesota libraries will be Miss Margaret Palmer of Chisholm, Misses Stella Hibbins and Ethel Wright of Virginia and Miss Dorothy Hubbert of Moorhead.

Mrs. Charles A. Weyerhaeuser will contribute several vocal numbers at the meetings. Mrs. Weyerhaeuser has favored the librarians with music at former meetings of the association and has met with great favor among them.

The day meetings will be held at the library rooms, but the story-hour and evening meetings will be held at the high school auditorium.

The Ladies' club of the Congregational church will serve a dinner at the Congregational church dining room on Tuesday afternoon, September 15. Wednesday noon the ladies of the Presbyterian church will serve a lunch at the Pine Grove park for the visiting delegates. A supper will be served at the home of Dr. L. M. Roberts on Wednesday evening. This meal will be served by the Episcopal guild.

An automobile ride will be given the visiting delegates on Tuesday afternoon, immediately following an informal reception.

MEETING OF COMMISSIONERS

SANITARIUM PETITION FOR SPECIAL ELECTION REJECTED—CLAIM IT IS NOT LEGAL

The county board met in regular monthly session Tuesday morning with all members present.

The petition of five per cent of the voters of Morrison county, asking that a special election be held for the purpose of submitting to the voters of the county the proposition of levying a one mill tax for the purpose of building a sanitarium, was after consideration, rejected upon the grounds that in the opinion of said board the petition is not a legal one.

A. ORAVETZ DIES SUDDENLY

BOWLUS RAILROAD ACCIDENT—VICTIM SUCCUMBS AT ST. PAUL HOSPITAL

St. Paul Pioneer Press (2): Andrew Oravetz, a farmer and a victim of a railroad accident near Bowlus, Minn., died yesterday at St. Luke's hospital. His skull was fractured when his wagon was struck by a Soo line train August 17. He was brought to the St. Paul hospital and apparently was on the road to recovery. It had been planned that he return home within a short time, when he was stricken by an attack of heart disease yesterday and died within an hour.

The body was sent to Bowlus last night on the undertaking rooms of J. A. Willwersheid, 49 West Ninth street.

'SOME' DOG

Local ninnogs used to swear by Ed. Tanner's "Ben" and Batters "Old Jack." Chas. Sylvester, Jos. Moeglein and a few others think they have the real goods in bird dogs at the present time. But they do say that Chas. Guernon has got "some" dog. The animal, a white and liver colored setter, was secured from a celebrated kennel of another county. The dog was received Monday—just in time—as this was the last day for field trials before the season. His work, however, met with highest expectations, and although being a young dog, his ranging was beautiful to behold, and not a chicken was flushed. While our hunters are envious, Rose Company No. 1 is glad, because it means one grand chicken supper for the boys. What?

Ed. Nelson has sold his bird dog, a setter to a party in Minneapolis.

DISTRICT COURT IN SESSION

ROY GORDON GIVEN SUSPENDED REFORMATORY SENTENCE—WIFE BEATER FINED

The fall term of district court started Tuesday afternoon, with Judge John A. Roeder on the bench. The session will be an unusually short one, as there are fewer cases on the calendar than for some time past and a number of cases have been settled out of court.

On Wednesday afternoon the grand jury reported. The case of the State of Minnesota vs. Robert Olmstead and Roy Gordon was taken up and one indictment returned against Roy Gordon. In this case the defendants were charged with having slugged Walter Canfield and rendered him unconscious and then taking his money, amounting to about \$28. Roy Gordon pleaded guilty and was sentenced to the state reformatory, but his sentence was suspended and he was placed under a custodian. Olmstead, the older of the two, broke jail some time ago and escaped.

Frank Bzdok was fined \$10 and costs for wife beating. He had been bound over to the grand jury from justice court, and asked that he be allowed to plead guilty and return home, where he was needed and his request was granted.

The following were granted naturalization papers: Herman Paul Kuehne, Herbert Henwood, Mathias Jannurer, Gust Sundberg, Waldemar Schneidau.

Frank Halama of Buckman town pleaded guilty in court Wednesday to having poisoned cattle belonging to Florin Kloss of Buckman town. He was sentenced to 60 days in the county jail but sentence was suspended and he was released on probation and his father appointed probation officer.

The case of L. O. Wessell company vs. The Agricultural Insurance company et al, was taken up yesterday morning. The selecting of a jury occupied the greater part of the morning. This case may not be finished today.

Following are the cases set for trial tomorrow and next week: Saturday, Sept. 5—Rice State Bank vs. Frank Starr; Stanislaus Jaskoviak vs. John Watzka. Tuesday, Sept. 8.—A. K. Hall vs. Geo. Minor. Wednesday, Sept. 9.—J. H. Newman vs. T. J. Mathison; Stephen Lepinski vs. Michael Lepinski; Stephen Lepinski vs. Michael Lepinski. Thursday, Sept. 10.—Rudolph Hamm vs. James Shipman; E. E. Wis vs. Jennie Weatherby; Peter W. Blake vs. Catherine Stumpf; German State Bank of Pierz, garnishee; Peter W. Blake vs. Adelaide Blake, A. P. Stoll, trustee, garnishee. Friday, Sept. 11.—Frank P. Farrow vs. Samuel Trebby.

SOLICITING FOR THE FAIR

The fair soliciting committee, composed of H. W. Venners, G. W. Firnstahl, Geo. Moeglein and Geo. Kiewel are making the rounds of the city this week and are meeting with success. The fair is now a permanent institution and should receive the hearty support of all citizens. It is also pleasing to note the increased interest that is being taken in the fair by the farmers of the county, which is as it should be, as it is so much of more their fair, as the city's. The fair this year promises to be the best ever.
